**Minutes of the meeting of the Project Approval Board held on 14<sup>th</sup> June, 2018 to consider the Annual Work Plan & Budget (AWP&B) 2018-19 of Samagra Shiksha for the State of Uttar Pradesh.**

## **1. INTRODUCTION**

The meeting of the Project Approval Board (PAB) for considering the Annual Work Plan and Budget (AWP&B) 2018-19 under Samagra Shiksha for the State of Uttar Pradesh was held on 14-06-2018. The list of participants who attended the meeting is attached at **Annexure-I**.

Sh. Maneesh Garg, Joint Secretary (SE-I) welcomed the participants and the State representatives led by Shri. R.P. Singh, Additional Chief Secretary, Govt. of Uttar Pradesh and invited them to brief on the initiatives undertaken by the State.

## **2. INITIATIVES OF THE STATE**

- *Aao Angrezi Seekhen*- To improve children's English, the state initiated the programme Aao Angrezi Seekhen (We Learn English). It is a fifteen minute bilingual interactive series designed in entertainment-education (e-e) format. The primary target audience of this programme is the children studying in Class VI in KGBVs and Upper Primary Schools but the students of other classes also listen to the program.
- *Attendance with selfie* - This initiative was started in order to curb teacher and student absenteeism in Chandauli district. For its implementation, every Nyaya Panchayat Resource Center (NPRC) coordinator has created a Whatsapp group including all the primary and upper primary schools in their area for sharing of selfies. The BEO is a member of all such groups in the block. Monitoring formats are filled at the NPRC and block level and regular review meetings are held at the block and district level. The initiative has reduced the irregular attendance of students and complaints about teacher absenteeism.
- *Rashtriya Avishkaar Abhiyaan (RAA)* - For making learning of Science and Mathematics a joyful and meaningful activity and to bring focus on innovation and use of technology, RAA has been implemented in 75 Districts of the state. It has been undertaken with cooperation from IIT Kanpur and PSUs and has positively impacted school enrolment.
- *Zero Investment Innovations for Education Initiatives (ZIEI)* - It is a platform for the Teachers, by the Teachers, to Improve the Quality and Reach of Education in India. The ZIEI program has been launched across 75 districts of Uttar Pradesh in October 2015 by Aurobindo society in partnership with UP Basic Education Dept.

### 3. ACTION TAKEN ON COMMITMENTS GIVEN BY THE STATE FOR 2017-18

The progress made in implementing the commitments given by the State in 2017-18 was reviewed as follows:-

Sl. No	Commitments	Action Taken
1	State would document their best practices and initiatives and subsequently upload it on the SSA SHAGUN website. This would enable the State to showcase its successes and would provide a platform for all States to learn from each other	12 Videos, 10 case studies, 5 testimonials and 198 images of best practices have been shared with NCERT and TSG for uploading on SSA Shagun portal.
2	State would update the progress in implementation of the approved activities under the AWP&B on the SSA SHAGUN portal. A hard copy of the Summary State Tables I and II on the SHAGUN portal, duly signed by the State Project Director, would be in addition to the already prescribed documents under the GFR.	State has uploaded progress of implementation of approved activities under AWP & B 2017-18 on quarterly basis. A hard copy of the Summary State table I and II on the Shagun Portal has been reviewed and signed by State Project Director.
3	For the year 2017-18, State has identified 14037 Out of Schools Children (OoSC) and it has committed that at least 10000 children out of these will be enrolled in schools during 2017-18.	In year 2016-17, House hold survey was conducted in which 18910 OoSC were identified. PAB approved special training for 14037 OoSC. State again conducted household survey in May 2017, in which 27695 out of school children were identified. 22251 children were enrolled in primary school. 13658 children were given special training out of which 13352 children have been mainstreamed.
4	Average Dropout rate will be reduced from 4.9% (in 2016-17) to 3.9% (in 2017-18) in respect of Primary schools and from 6.7% (in 2016-17) to 5.2% (in 2017-18) in Upper Primary schools.	As per U-DISE 2017-18, average dropout rate in respect of primary schools is 6.76% and in respect of upper primary schools is 7.03%. The State has thus not been able to reduce the drop-out rate.
5	State should create a Child wise database (using Aadhar wherever available or any other unique Id for every child) by June, 2017. This database would make the enrolment indicators robust and reliable.	As per U-DISE 2016-17 Total Enrolment (All management) in the state was 4,65,41,081, out of which data of 3,24,47,096 Students has been uploaded on national student portal. In year 2017-18, student wise data could not be uploaded. It will be uploaded in the month of July 2018 as communicated to MHRD vide letter no. 1166/2018-19 dated 6 June, 2018.

Sl. No	Commitments	Action Taken
6	State will maintain a database on details of its teachers, including their Aadhar numbers.	Details of 91% teachers including Aadhar Number has been updated on the state database <a href="http://ehrms.nic.in/portal">http://ehrms.nic.in/portal</a>
7	The State will complete GIS mapping of all schools (100%) and integrate their database with the NIC website <a href="http://schoolgis.nic.in/">http://schoolgis.nic.in/</a>	Out of a total of 255969 schools, the state has completed GIS Mapping for 253438 schools and 2531 schools are remaining. The percentage completion works out to 99%.
8	State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.	Keeping in view the legal mandatory provisions of RTE Act and neighborhood norms under RTE Rules 2011, consolidation of schools has not been undertaken in the State.
9	State will map all the stand alone Government and Government aided primary schools, develop and finalize specific action plans for improving learning outcomes in these schools and share it with the Department.	<p>NAS was conducted on 13.11.2017. Based on the findings of NAS, Following special programs has been planned for stand-alone primary schools:</p> <ul style="list-style-type: none"> <li>• Padhe Bharat Badhe Bharat Program for enhancement of reading writing and early numerical skills</li> <li>• Graded learning program for class I &amp; II</li> <li>• Graded Learning program for class III -V</li> </ul>
10	The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. At the upper primary level, special emphasis should be laid on maintaining the subject PTR.	In the last academic year, total 11738 teachers were rationalized but Hon'ble High Court had stayed the rationalization on 31.07.2017 in the writ petition No. 30538/2017. Hon'ble High Court has disposed of the case by order dated 21.05.2018 and directed to rationalize in accordance with New Transfer Policy. After issuance of New Transfer policy and recruitment of 68500 Asst. Teachers as well as completion of inter-district transfers, rationalization will be done on the basis of PTR.
11	State will recruit headmaster in primary and upper primary schools as per the RTE norms to uplift the management of such school. Given the significant role of a headmaster in school management, direct recruitment of such headmasters	Recruitment of 68500 Asst. Teachers for Government Primary Schools is under process. Once the recruitment is completed, Asst. Teachers of Schools will be promoted to the position of Head Teacher on the basis of seniority.

Sl. No	Commitments	Action Taken
	may be considered.	
12	State should ensure that children with less than grade level learning competencies are identified and provided learning support and in-school re-enforcement. Efforts would be made so that that all children reach the desired grade-appropriate competency level.	<p>In the academic year 2018-19 following programs have been proposed to enhance learning capacities and learning support:</p> <ul style="list-style-type: none"> <li>• Padhe Bharat Badhe Bharat Program for enhancement of reading writing and early numerical skills.</li> <li>• Graded learning for Classes I &amp; II and Classes III-V</li> <li>• Remedial teaching for Mathematics in 25 districts having low achievement as per NAS.</li> </ul>
13	State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and provisioning of drinking water facilities in schools.	The State Govt. has issued G.O. 68/2016/2603/33-3-2016-154/2014 dated 07 October 2016 and a letter by Director Panchayati Raj and Mission Director Swacch Bharat Mission (Rural) dated 20 May 2017 for convergence with the Dept. of Panchayati Raj and the Dept. of Rural Development for maintenance of school sanitation and drinking water facilities in schools.
14	State should undertake the "Partnership between Schools" Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.	<p>'Partnership between Schools' programme could not be undertaken during 2017-18.</p> <p>However for the session 2018-19 the state has proposed Twinning of 300 schools with the rural-urban and Kendriya Vidyalayas as well as Navodaya Vidyalaya.</p>
15	State will display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable. This would help in honoring the teachers who are the fulcrum of the education system.	In 95% Government and Government aided Primary and Upper Primary Schools, grade-wise photos of teachers have been displayed on the school notice board.
16	State will complete all the pending civil works in 2017-18.	Out of 17,78,372 cumulative works sanctioned under SSA, the state has completed 17,09,151 works. The completion percentage works out to

Sl. No	Commitments	Action Taken
		96.15%. Further, the state has proposed to surrender civil works rendered non-viable due to land issues and escalation of cost etc.
17	State will ensure inspection and evaluation of all primary and upper primary schools.	In the year 2017-18, total 35,900 schools (Including Primary and Upper Primary both) have been inspected by Basic Education Officers and Block Education Officers.
18	The Department is in the process of extending the deadline for training of untrained teachers as mandated under the RTE Act, 2009. As soon as it is cleared, the State will ensure that all teachers are trained by the extended period.	State made advertisement to give publicity and large no. of untrained teachers applied.
19	The Central RTE Rules are being amended to include reference to class-wise subject-wise Learning Outcomes for all Elementary Classes. Accordingly, once the related guidelines are received by the State, the State would include the Learning Outcomes in its own RTE Rules.	Learning outcomes have been included in State RTE Rules. State Govt. has issued notification no. 2281/79-05-2017 Lucknow, dated 9th Nov. 2017, in this regard.
20	The State would ensure the implementation of public Finance Monitoring System (PFMS) up to the last destination i.e., school.	A total of 1,62,000 schools have been registered and about 6,000 are in the process of registration.
21	The Annual Report would be submitted to the Department for laying in the Parliament while the Audit Report would be laid before the State Assembly.	Annual Report & Audit Report for the year 2016-17 has been submitted to the MHRD. For 2017-18, process is being started.

#### 4. Appraisal issues 2018-19

##### Educational indicators

- The Net Enrolment Ratio (NER) for 2017-18 vis-à-vis 2016-17 has increased to 79.7% from 75.8% at elementary level. However, the same has decreased to 40.5% from 42.7% at the secondary level and to 23.37% from 33.8% at higher secondary level.
- The annual average dropout rate is 6.76% at primary level, 7.03% at upper primary level, 18.7% at secondary level and 7.34 % at senior secondary level.
- The transition rate from primary to upper primary is 81.3%, from upper primary to secondary is 85.1% and from secondary to higher secondary is 85%.

- There are about 42.2% primary and 18.2 % upper primary schools having adverse PTR which has increased from last year. The subject-wise PTR in Government secondary schools is also adverse, especially in the case of English language. Also there are nearly 8,000 single teacher schools.

#### **Access**

- Although the state has Anganwadis co-located within the primary school complex, the convergence with Integrated Child Development Scheme (ICDS) is under process and hence the state has not proposed activities under the pre-school component.
- The percentage of Government and aided schools is 67.1% at elementary level, however, it is 17.8% at secondary level and 29.7% at higher secondary level, which could be a factor leading to increase in dropout at Secondary and Higher Secondary level due to lack of access to affordable and quality education.
- State is advised to devise mechanism for automatic transition of students from primary to upper primary to secondary level without asking students to complete all formalities again.
- While state is reporting 27695 out of school children, IMRB (2014) estimated 16.12 lakh out of school children and census 2011 has reported 86.92 lakh children as “never attended educational institution” in the age group of 6-14 years. The state needs to immediately conduct a comprehensive household survey regarding the Out of School children.

#### **Gender**

- Out of 191 Girls’ Hostel sanctioned, only 25 Girls’ Hostel have been made functional by the state.

#### **Quality**

- Government schools in the State have 69,621 vacant teachers’ posts at the primary level, 486 at upper primary level, 10,100 at secondary level and 5,987 at higher secondary level.
- The percentage achievement of students from the state in the National Achievement Survey (NAS), 2017 was below the national average for classes 3, 5 and 8 in all the subjects tested.

#### **Teacher Education Institutions**

- State has decided to opt for Model 1 in DIETs and continue the existing model of Pre-service Teacher Education and In-service Training. SCERT restructuring is under process in the state.
- State Government has sanctioned 1960 posts for DIETs out of which only 519 posts have been filled so far.

### **5. Commitments of the State for 2018-19**

- (i) State would document their best practices and initiatives and subsequently upload it on the SSA Shagun portal. This would enable the STATE to showcase its successes and would provide a platform for all STATES and UTs to learn from each other.

- (ii) State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.
- (iii) The State will complete GIS mapping of all schools (100%) and integrate their database with the NIC website <http://schoolgis.nic.in/>.
- (iv) State will map all the stand alone Government and Government aided primary schools, develop and finalize specific action plans for improving learning outcomes in these schools.
- (v) The State will rationalize teacher deployment so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. At the upper primary and secondary level, special emphasis should be laid on maintaining the subject PTR.
- (vi) State will recruit headmasters in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (including through limited department exam) of 50% of all headmasters may be considered.
- (vii) State should ensure that children with less than grade level learning competencies are identified and provided learning support and in-school re-enforcement. Efforts would be made so that that all children reach the desired grade-appropriate competency level.
- (viii) State would assess its grading under the Performance Grading Index (PGI) developed by the Department and carry out the required governance reforms to improve its grading.
- (ix) State would focus on the aspirational districts to achieve significant improvement in the key performance indicators identified for the same.
- (x) The guidelines for expenditure on school grant, procurement of sports equipment and library books need to be followed. These need to be kept in mind while utilization of these grants.
- (xi) The detailed guidelines on Operation Digital Board need to be followed to utilize the funds approved under the ICT initiatives.
- (xii) State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and provisioning of drinking water facilities in schools.
- (xiii) State should undertake the "Partnership Between Schools" Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.

- (xiv) State will display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable. This would help in honouring the teachers who are the fulcrum of the education system.
- (xv) State will complete all the pending civil works in 2018-19.
- (xvi) State will ensure inspection and evaluation of all primary and upper primary schools.
- (xvii) State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e. school.
- (xviii) The Annual Report would be submitted to the Department for laying in the Parliament.
- (xix) State would ensure effective implementation of the RTE Act, 2009
- (xx) The State will make efforts to provide Aadhar enrollment to all students, for which they are setting up Enrollment Centers in all blocks.

## **6. Expected Outcomes**

In the meeting, the following specific outcomes have been agreed to:

- (i) For the year 2017-18, State has identified 27695 Out of School Children (OoSC) and it has committed that all will be enrolled in schools during 2018-19. The state would further ensure that adequate efforts are made immediately for identification of all Out of School Children (OoSC) in the State.
- (ii) Dropout rate will be reduced at elementary level and secondary level especially for girls.
- (iii) The State would complete the construction of all remaining Girls' Hostels sanctioned under the erstwhile RMSA scheme, and make them functional.
- (iv) The State will share database of all CWSN children on PMS portal of Samagra Shiksha.
- (v) State would integrate their MIS on students, teachers and schools with the Shala Kosh software developed by the Department.
- (vi) The State will ensure that all commitments under RTE Act, 2009 are fulfilled.
- (vii) The State will revise the district plans as per the approved AWP&B and share with the Department by 30<sup>th</sup> July, 2018.

(viii) NAS results would be thoroughly analyzed and learning gaps identified. Strategic interventions in pedagogic methodologies and teacher training should be devised to improve the learning outcomes.

(ix) State will ensure that all DIETs are adequately staffed.

## 7. Total Estimated Budget (2018-19)

The estimated outlay for the year 2018-19 is as under: -

(Rs. in Lakh)				
Head	Spillover	Non-recurring (Fresh)	Recurring (Fresh)	Total
Elementary	424.94	33350.3	834817.41	868592.7
Secondary	27573.36	2672.25	22967.12	53212.73
Teacher Education	1879.49	9889.42	9504.02	21272.93
<b>Grand Total</b>	<b>29877.79</b>	<b>45911.97</b>	<b>867288.55</b>	<b>943078.3</b>

## 8. Actual Releases by GoI during 2018-19

Against the above estimates, Central Government shall provide to the State Government Rs. 4773.10 crore as its share (Rs. 4560.20 crore for elementary, Rs. 169.60 crore for secondary and Rs. 43.30 crore for Teacher Education). The State would contribute Rs 3182.07 crore as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.

It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission. As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfill the estimate for the implementation of the Act.

The release of funds under the scheme will be further guided by the following conditions:

- (i) State should release/transfer the central share to State implementing Society within 15 days of its receipt in the State treasury.
- (ii) The State share should be released to the State Implementing Society within one month of the release of the central share.
- (iii) All releases by the Centre would be subject to fulfillment of provisions of GFR by the State.
- (iv) The 1<sup>st</sup> Installment would be released based on provisional utilization certificate for 2017-18 and subject to full release of proportionate State share.

- (v) The second installment would be released only after (a) the proportionate installment of State/UT share has been released; (b) at least 50% expenditure against available funds has been incurred; (c) utilization certificate has been submitted for funds released in the year 2017-18; (d) Audit report has been submitted for the year 2017-18 and (e) Annual Report upto the year 2016-17 has been submitted.

## 9. Activity-wise Details

### I. ACCESS AND RETENTION

- (i) The proposal of the State to surrender 254 Primary Schools, 18 Upper Primary Schools, 111 Additional Classrooms, 91 Boys' Toilets, 112 Girls' Toilets, 10 Major Repair works (Primary Schools), 15 Major Repair works (Upper Primary Schools) and 201 incinerators was approved.

- (iii) **Special Training for age appropriate admission of out-of-school children (OoSC):** The State has identified 27,695 out of school children in the age group of 6-14 years for 2018-19. Out of these 7,088 children do not require Special Training and are to be directly enrolled in school, 409 children are CWSN who are to be covered under CWSN Component. An outlay of Rs. 908.91 Lakh was estimated for non-Residential special training of remaining 20,198 children.
- (iv) **Reimbursement of Fee against 25% admission under Section 12(1)(c) of RTE Act 2009:** Reimbursement of fee against 25% admission under Section 12(1)(c) of RTE Act 2009 (Entry Level) for 43,895 Children was estimated with total outlay of Rs 653.6 Lakh. Additional funds for the same may be recommended subject to submission of appropriate documents by the state.

- (v) **Media and Community Mobilization & Training of SMC/SDMC:** An outlay of Rs. 4,793.66 lakh was estimated for media and community mobilization and training activities of SMCs/SDMCs in elementary schools. An outlay of Rs 63.48 lakh was estimated for media and community mobilization and for training activities of SMCs/SDMCs in secondary schools.

### III. Quality Interventions:

- (i) **Funds for Quality improvement:** A total outlay of Rs 32,408.88 lakh was estimated for Quality related interventions including Shaala Siddhi, Innovation programme for monitoring, Learning Enhancement Programmes, UNNATI, Foreign language Teaching, Orientation on Disaster preparedness, Ringing Bell activity, Kala Utsav and Remedial teaching.
- (ii) **Assessment at National & State level:** An amount of Rs. 150 lakh was estimated for preparatory Activities for the next NAS at elementary level. A total outlay of Rs.75 lakh @ Rs. 3 lakh each for the 25 lowest performing districts in NAS at elementary level was also estimated. State shall prepare specific district-wise plans with the help of NCERT for the same.
- (iii) **Training for In-service Teachers, Head Teachers and Teacher Educators:** An amount of Rs. 8915.32 Lakh was estimated for Training of In-service Teachers, Head Teachers and Teacher Educators.
- (iv) **Composite school grant:** An outlay of Rs 57382.62 lakh for composite school grant as per enrolment was estimated for 1,61,212 schools. These funds should be utilized as per the guidelines laid down for utilization of school grant.
- (v) **Library grant:** An annual library grant for 1,61,159 schools was estimated with the total outlay of Rs. 10497.27 lakh. The utilization of these funds for books and libraries needs to be in accordance with the detailed guidelines being issued by MHRD. The following points needs to be kept in mind:
- (a) Age appropriate books published by NCERT, NBT, State Government Publications, SCERT may be procured.
  - (b) States/UTs may try to set up Readers' Club in schools in a phased manner with the help of National Centre for Children's Literature(NCCL), a wing of National Book Trust.
  - (c) During the first year, no magazines and newspapers can be procured from the funds meant for library books.
  - (d) States/UTs may constitute a committee to select age appropriate books from NCERT and NBT and to make guidelines for use of libraries including number of periods in the govt. schools.
  - (e) The schools may make provision of Reading Room/Reading Corner/Reading space and two periods in a week may be dedicated as reading periods in school time table.
  - (f) One teacher may be given the additional responsibility of custody of library books, issuing and receiving back of books who in turn may be relaxed from teaching for two periods in a week.

- (vi) **Rashtriya Avishkar Abhiyan:** An outlay of Rs 1664.44 lakh was estimated for Rashtriya Avishkar Abhiyan (RAA) for various activities like Excursion Trip for Students within State, study trip for students to Higher Institutions (Within State), Exposure visit outside State, Maths kits and Science kit, etc.
- (vii) **Academic support through BRC/URC/CRC:** An outlay of Rs. 12700 lakh was estimated for Academic support through BRC/URC and CRCs.
- (viii) **Operation Digital Board (ICT and Digital Initiatives):** An amount of Rs.949 lakh @ Rs.1 lakh per school for 949 schools was estimated for ICT at elementary level. Out of 949 schools, it is observed that 353 schools are not electrified. These 353 schools are given in-principle approval but the financial release for them would be made only after their electrification is complete and State gives a certificate in this regard. A total of Rs. 2672.25 lakh is estimated for ICT initiatives in 525 schools at secondary level. A recurring cost of Rs. 168 lakh was also estimated for ICT in 525 schools at secondary level. In addition, the proposal of the State to surrender ICT sanctioned in 1608 schools, under the erstwhile RMSA scheme, was approved.

The List of schools approved for ICT and digital initiatives is at **Annexure-IV**. The utilization of these funds needs to be in accordance of the detailed Guidelines issued under Operation Digital Board. The following need to be kept in mind, specifically, during procurement:

- (a) Inventory of each item will be maintained and the concerned school Principal will be in-charge of ensuring that all hardware and software has been marked as inventory items. The record of ICT inventory, school wise, has to be maintained online and made available to MHRD as and when required.
- (b) States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.
- (c) In order to ensure that computers installed in the schools are being used, software which indicates when the computers are turned on or off, linked to the State server must be put in place.
- (d) As per IT Act 2000 it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a government approved, free firewall.

#### **IV. SPORTS AND PHYSICAL EDUCATION**

An amount of Rs. 10755.95 lakh for 1,61,030 schools was estimated for sports and physical education grant. The same is to be utilized as per detailed guidelines being issued for the same. The following points needs to be kept in mind:

- (a) Age appropriate sports equipments for government schools may be procured as per the guidelines to be issued by this Department to the States/UTs. The

States/UTs may if they so desire, procure items from beyond this list subject to its actual requirement being certified by the head of school.

- (b) Age appropriate sports activities may be organised in the government schools of States/UTs as per the guidelines to be issued by this Department. Schools may include traditional/regional games of the respective State/Region.
- (c) For maintaining workable stock position of sports equipments, periodic record may be maintained including workable equipment, repairable equipment, write-off equipment and new items to be purchased to maintain the required stock position.
- (d) One responsible person/PET/Teacher incharge may be given the responsibility to take care of the equipments and maintaining the stock position of sports equipments in the school.
