**Minutes of the meeting of the Project Approval Board held on 14<sup>th</sup> May 2020 to consider the Annual Work Plan & Budget (AWP&B) 2020-21 of Samagra Shiksha for the State of Uttar Pradesh**

**1. Introduction**

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2020-21 for SAMAGRA SHIKSHA for the State of Uttar Pradesh was held on 14<sup>th</sup> May 2020 through Video Conferencing. The list of participants who attended the meeting is attached at *Annexure-I*.

**2. Initiatives of the State**

- a) *Mission Prerna* is the flagship program of the Basic Education Department, Uttar Pradesh to improve the quality of education in 1.6 lakh primary and upper primary schools. The mission has been launched with a special focus on foundational learning skills, which entail children's ability to read with comprehension and do basic math calculations, which forms the basis of all their future learning. The mission aims to ensure that all students of grades 1-5 achieve foundational learning by March 2022.
- b) State-wide learning outcome based assessments have been conducted for about 59.54 lakh students for grades 5-8 in November, 2019 and about 48.55 lakh students for grades 3-8 in February, 2020. School-wise report cards have been given to respective Principals and Student-wise report cards have been distributed to parents. Prerna Talika has been developed to track student-wise learning outcomes in schools.
- c) *Operation Kayakalp* for school infrastructure development via convergence has led to refurbishment of more than 50000 elementary schools. Funds from Gram Panchayats, Urban local bodies and District Mineral Foundation (DMF) are being leveraged to improve school infrastructure. Monitoring is done by geo-tagged photos and dashboard.
- d) Manav Sampada online database of teachers has been created for digitization of records and is regularly updated. Unique ID has been provided to all teachers, mapped to BEOs. Digitization of HR processes for teachers has also been carried out. Leave application is being filed through m-Sthapana mobile app. All salary will be linked to Manav Sampada portal and performance evaluation reports will be online by September 2020.
- e) Consolidation of schools is being carried out for better administration and 21000 Primary Schools and Upper Primary Schools located in the same premises are being merged.

- f) On the DIKSHA app more than 1000 videos have been uploaded for teachers and more than 3000 videos have been uploaded for students (linked with QR codes). DIKSHA content cell is being set up at state level for producing high quality educational content.

A soft copy of the State's presentation is available at "[www.samagra.mhrd.gov.in](http://www.samagra.mhrd.gov.in)".

### 3. **Commitments, Expected Outcomes & Action Taken**

The progress made in implementing the commitments and expected outcomes given by the State in 2019-20 was reviewed and the status in respect of pending items is as under:

Sl. No.	Commitment and Expected Outcomes for 2019-20	Action Taken	Comments of PAB 2020-21
1	State will recruit headmasters in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (including through limited department exam) of 50% of all headmaster may be considered.	As per U.P. Basic Shiksha Teachers Service Rules-1981 (revised), there is a provision to recruit Teachers as Assistant Teachers at Primary level. Posts of Head Teacher in Primary, and Assistant Teachers as well as Head Teacher in Upper Primary are filled up 100% through promotion as per provision in the Rules. It is also stated that the rules for promotion for the posts of Head Teachers in Basic Shiksha Parishad run schools in the State are under challenge in the Hon'ble High Court and litigation is ongoing in various cases.	The state may re-examine the existing rules in order to include direct recruitment (including through limited department exam) of 50% of all headmasters.
2	State was requested to expedite grading analysis under PGI and carry out the required governance reforms to improve its grading.	Governance reforms such as online database of teachers have already been started in U.P. so as to improve its grading. Process is going on.	State may expedite pending reforms as indicated by the gaps in the PGI index.

**For the year 2020-21, the state has committed that all executing agencies and schools will be registered on the PFMS portal.**

### 4. **Review of State Performance on PGI**

In the year 2017-18, the State had a Performance Grading Index (PGI) score of 603 and was placed in Grade V. The State has shown an improvement and secured a score of **708** in PGI 2018-19, being placed in Grade III. **The Domain-wise Score and Gap as per PGI 2018-19 are shown below:**

Year (2018-19)	Category 1				Category 2	Total
	Learning Outcomes & Quality Domain 1 (180)	Access Domain 2 (80)	Infrastructure & facilities Domain 3 (150)	Equity Domain 4 (230)	Governance processes Domain 1 (360)	All Domains (1000)
Score	114	64	109	207	214	708
Gap	66	16	41	23	146	292

State has made significant improvement in the PGI score in the last one year and was requested to examine its score in each domain and take measures to improve its overall PGI.

- a) **Learning Outcomes & Quality (C-1, D-1):** The State needs to focus on interventions to improve the learning outcome of students. In particular the State needs to ensure that all elementary schools have displayed class-wise learning outcomes.
- b) **Access Outcomes (C-1, D-2):** The State needs to focus on Adjusted Net Enrolment Ratio (ANER) at Elementary and Secondary level, Transition rate from Primary to Upper Primary and mainstreaming Out of School Children.
- c) **Infrastructure & Facilities (C-1, D-3):** State needs to focus on provision for Computer Aided Learning (CAL) facilities in Upper Primary Schools as well as Integrated Science Lab and Computer Lab facilities in Secondary Schools.
- d) **Equity Outcomes (C-1, D-4):** State needs to focus on provision of Ramps for Children with Special Needs (CWSN), Functional CWSN friendly toilets in schools and Gross Enrolment Ratio (GER) of CWSN (age group 6-18 years).
- e) **Governance Process (C-2, D-1):** Indicators requiring more focus are - Students attendance being captured digitally (2.1.3), Daily attendance of teachers recorded in an electronic attendance system (2.1.4), Schools at Elementary level Covered Under Twinning/Partnership (2.1.5), Schools at Elementary level that have issued Photo ID of Teachers for Govt and Aided School (2.1.6), Availability of teachers and principals (2.1.9, 2.1.10 and 2.1.11), Positions filled in SCERTs, DIETs and SIEs (2.1.12), Visits to elementary schools (2.1.15), Percentage of teachers evaluated during the year(2.1.17), Teachers' training and School Leadership training to Head-teachers/Principals (2.1.20), and Head-teachers/principals recruitment through a merit-based selection system (2.1.23).

State was requested to examine all indicators and take necessary actions for improvement, especially in cases where the scores have decreased from the previous year.

## 6. New Approaches 2020-21

During the year 2020-21, some approaches are proposed for enhancing the effectiveness of the scheme and making it more outcomes oriented and relevant to the present times. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme.

### 6.1 NISHTHA- Integrated Teacher Training Programme

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads' and Teachers' Holistic Advancement on 21<sup>st</sup> August, 2019. The aim of this integrated teacher training programme was to build the capacities of around 42 lakh teachers and Heads of Schools, faculty members of SCERTs and DIETs and Block Resource Coordinators and Cluster Resource Coordinators. A total of 23,137 KRPs and SRPs and 16,99,931 School Heads and Teachers have been trained under NISHTHA in 2019-20. In this regard, given the positive feedback received from the States and UTs regarding the effectiveness of the NISHTHA training programme at the elementary level particularly in terms of the effective transaction of comprehensive and well defined modules covering various aspects of teaching learning processes, it has been decided to launch **NISHTHA Phase II at the secondary level** in order to have a coordinated and learning outcome based training programme. Teachers, Head Masters/Principals of Government and Government aided schools at secondary level will be covered in NISHTHA Phase-II.

However, the present situation of COVID-19 has presented new challenges for face to face training and also several opportunities to innovate, revamp and technology integration in In-service Teacher Training. Therefore, it has been decided that this year remaining training of NISHTHA at elementary level and NISHTHA Phase II training at Secondary level will be conducted online by the NCERT using high quality professionally

made e-content following the four quadrant approach consisting of video, text, self-assessment and learn more.

In order to facilitate teachers to undertake online NISHTHA training, financial support upto Rs 1000 per Teacher/KRP/SRP for procuring pen-drives with pre-loaded content and modules, printing of modules and high speed data-pack will be provided to Government/Government aided teachers at secondary level on reimbursement basis and subject to successful completion of the training course.

## **6.2 Special Initiatives under National campaigns: Ek Bharat Shreshtha Bharat, Fit India Movement and Nagrik Kartavya Paalan Abhiyan**

### **(a) Ek Bharat Shreshtha Bharat (EBSB)**

The following activities may be undertaken under the Ek Bharat Shreshtha Bharat initiative:-

- To foster national integration through linguistic, literary, cultural, sports, and other forms of people-to-people exchanges.
- Cultural diversity is to be celebrated through mutual interaction and reciprocity between students of different States and UTs.
- All the States and UTs have been paired. The paired States/UTs will delineate a set of activities they would carry out through the year.
- These activities include Ek Bharat Shreshtha Bharat Utsav, Talking Hour in morning assembly for news and information on paired State, Student's State Project Notebook, learning of alphabets and of folk songs, translation of proverbs and 100 sentences of paired State, inclusion of few pages in course book in the language of paired State, Know your Paired State, Ek Bharat Shreshtha Bharat School Report, Themed Display Board and Wall Magazine, State Day celebration of paired States, Cultural Competition on paired State, Essay competition, Drama (on culture, history & tradition), Optional Classes on language of paired State, Literary Fest, Pledge on Important National Campaigns in the language of paired State and Ek Bharat Shreshtha Bharat annual report.
- The schools are required to maintain a report on activities conducted under "Ek Bharat Shreshtha Bharat" in the form of quarterly and annual school report.

### **(b) Fit India Movement** : The following activities may be undertaken:-

- FIT India School Week
- Fitness Training for Teachers
- Annual Fitness Assessment of Students
- Recruitment of Physical Education Teachers and training the existing teachers in Schools
- A Month Wise activity calendar.
- Choose Fit India Blocks and Fit India Districts on the basis of suggested parameters.

- Daily Fitness Activities/ PT/Fitness session of 30 Minutes duration as a part of regular curriculum.
- Schools may utilize Government's sports facilities available in their respective State. A list of Government's sports facilities available in all the States/UTs has been shared with all the schools.
- Online **Fit India Active Day** daily sessions in coordination with CBSE and Fit India cell.
- All schools should be encouraged to register for FIT-INDIA Movement.

**(c) Nagrik Kartavya Paalan Abhiyan :**

- Debates, essay competitions, cultural programs, quiz competitions, seminars and lectures etc. may be held at State, District and school levels.
- State level essay, debate and quiz competitions on fundamental duties and themes related to constitution may be organized across the State, the winners at State level may be suitably rewarded.
- Reading of Preamble and Fundamental Duties.
- Organizing Mock Parliament.
- Public messages on Fundamental Duties for dissemination among students and staff during the celebrations. Brochures, pamphlets and e-posters on Fundamental Duties may be prepared in Hindi, English and regional languages and distributed in schools among students.
- Effective utilization of Government/Organisation websites and MyGov platform to encourage citizen centric activities on the prescribed theme. Students may be encouraged to participate in online quiz/ Olympiad competitions being organized by MyGov.
- Invite eminent personalities from different walks of life to disseminate the message of Fundamental Duties.
- Talks by eminent lawyers and legal scholars on Fundamental Duties and related themes may be organised in schools.

**State is advised to make their own action plan and calendar for the academic year for these programmes and share the same with MHRD.**

**6.3 School Health Programme**

Government of India has launched "School Health Program" under Ayushman Bharat to strengthen health promotion and disease prevention, which encompasses comprehensive and evidence based health promotion in addition to offering age appropriate health education, health promotion activities, health screening, preventive services, documentation of health related data and better skills for emergency care.

The school health promotion activities are to be implemented in all the Government and Government-aided schools through the joint efforts and close coordination between Ministry of Health & Family Welfare and the Department of School Education & Literacy

at all levels (Centre and State). The sessions may be preferably included in the timetable and regular curriculum of the classroom teaching.

Two teachers, preferably one male and one female, in every school designated as "Health and Wellness Ambassadors" will be trained to transact health promotion and disease prevention in the form of interesting activities for one hour every week on Health and Wellness Day. These health promotion messages will also have bearing on improving health, hygiene and sanitary practices in the country as students will act as Health and Wellness Messengers in the society.

#### **6.4 COVID- 19 Response under Samagra Shiksha: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation**

In the year 2020-21, the COVID-19 pandemic has caused an unprecedented public health emergency; affecting 210 countries and territories globally. The spread of COVID -19 has imposed national lockdown leading to nationwide closure of the educational institutes as India prepares to fight against the pandemic. Precautions are necessary to protect students and educational facilities from the potential spread of COVID-19 in school environment, while at the same time ensuring minimum disruption in learning.

For this, various interventions under Samagra Shiksha need to be realigned to manage the crisis with specific emphasis on **learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation based on the following guidelines:

##### **a) LEARNING PROCESSES:**

**Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.**

##### **(i) Training of Teachers on Safety and e-learning aspects.**

- Online NISHTHA training modules will be prepared for teacher training by NCERT.
- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc.
- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.

- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

**(ii) Promotion of e-learning platforms**

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines '**PRAGYATA**' prepared by MHRD may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. **Guidelines should also include how study@home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- A mechanism may be developed to provide textbooks and Supplementary print materials to all children at home through Block Resource Persons and Cluster Resource Persons and also shared with students through WhatsApp, SMS etc. to keep them engaged at home.
- Based on the alternative academic calendar prepared by NCERT, SCERT should make specific academic plans **for their schools including the planning for transaction of curriculum, formative and summative assessments.**
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

**b) SAFETY AND SECURITY OF CHILDREN**

**1) Community Mobilization and SMC training**

**Funding under community mobilisation and SMC training can be utilised to ensure safety and security measures for children. SMC members may be made fully aware about the present COVID situation to create awareness among the Students, parents and their role as stated below:**

**(i) Awareness on COVID-19**

- Basic information about COVID-19, including its symptoms, complications, improving immunity, how it is transmitted and how to prevent transmission should be disseminated.
- Parents should be sensitized and encouraged to play the role of a facilitator in their child's learning activity and safety. The sensitization sessions/ workshops to be conducted via SMCs, PTMs, WhatsApp or telephonic sessions by the teachers.
- Awareness about the fake information/myths must be ensured. The information should be from reliable sources like Ministry of Human Resource Development, Ministry of Health and Family Welfare, ICMR, WHO and UNICEF.
- Parents should be encouraged to take medical assistance in case of any symptoms and in case the child is sick, she/he should stay safe at home.
- Parents should notify the school of the child's absence and symptoms.
- Parents should follow and ask their child to follow good hygiene habits.

**(ii) Psychological support to their wards**

- Parents should be sensitized to respond to child's reactions in a supportive way and explain to them that they are having normal reactions to the present situation.
- Counsellor (teacher) should be roped in for guidance and counselling.
- Manodarpan App and call centre maybe used for counselling purposes.
- Students should be guided to:
  - ✓ Undertake activities like painting, reading story books, writing stories, poems along with academics so that they can learn new skills or enrich their present skills.
  - ✓ Take break from watching, reading, or listening to social media news. Hearing about the pandemic repeatedly can be upsetting.
  - ✓ Take care of themselves by doing stretching, deep breathing exercises meditation and yoga.

- ✓ Improve immunity by eating healthy, well-balanced meals, exercise regularly, getting plenty of sleep.
- ✓ Spend time with family members.

MHRD is developing comprehensive guidelines and modules in this regard and the same may be made available as part of their calendar by the State SCERTs/SIEs and DIETs.

**c) School Sanitization under Composite School Grant**

**(i) Safe School Operation, Sanitation and Quarantine (Physical Infrastructure)**

**a. Provision of basic facilities**

- Schools to ensure basic WASH facilities which includes separate washrooms for boys and girls, hand washing stations and safe drinking water facility for all.
- Ensure availability of essentials like soap, alcohol rub/hand sanitizer or chlorine solution, disinfection and cleaning material in the school.

**b. Sanitization of school facilities**

- Sanitization and disinfection should be conducted regularly covering all areas of the school campus and ensure air flow in indoor space.

**WHO recommends use of sodium hypochlorite at 0.5% (equivalent 5000ppm) for disinfecting surfaces and 70% isopropyl alcohol for disinfection of small items, and ensure appropriate equipment for cleaning staff.**

***The States may converge with the health department for requisite support.***

**Key Points:**

- Detailed guidelines and modules on Covid-19 response is being framed by the Ministry which will be shared separately.
- Funding provided under Teacher Training, Learning Enhancement Programme, DIKSHA to be utilized for continuing the e-learning processes.
- Funds for Thermal Screening facilities in schools may be availed from the MMER/Composite School Grant.
- Funds under Community mobilization & SMC training to be utilized for creating awareness about various aspects of COVID-19 among SMCs, parents, children and society.
- Funds under Swachhta Action Plan component, Composite School Grant/ Safety & Security can be utilized for sanitization of schools.

#### 7. Total Estimated Budget (2020-21)

The estimates for the AWP&B for 2020-21 under Elementary, Secondary and Teacher Education are as under: -

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Total (Fresh)	(Rs. In lakh)
					Total (Including Spill over)
	1	2	3	4=2+3	5=4+1
<b>Elementary Education</b>	49445.003**	105225.16	755737.15	860962.31	910407.313

<b>Teacher Education</b>	13783.91	0	10952.06	10952.06	24735.97
<b>Total</b>	<b>75925.683**</b>	<b>116722.54</b>	<b>784065.73</b>	<b>900788.27</b>	<b>976713.953</b>

\* Includes Programme Management (MMER)

\*\* After adjustment of surrendered civil works (Strengthening and KGBV) of Rs.7059.65 lakh at elementary level. The details are given at Annexure-VIII.

#### 8. Actual Releases by GoI during 2020-21

Against the above estimates, Central Government shall provide to the State Government, Rs. 560474.482 lakh as its share (Rs. 526559.036 lakh for Elementary Education, Rs. 20271.62 lakh for Secondary Education and Rs. 13643.826 lakh for Teacher Education). The State would contribute Rs. 373649.655 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31<sup>st</sup> March, 2020 for the activities approved in 2020-21 including spill over.

Based on the demand of funds projected by the State for 2020-21, the tentative shares of recurring and non-recurring grants are given below:-

(Rs. in Lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	453442.29	10425.912	6571.236	470439.438
Non-Recurring	73116.746	9845.708	7072.59	90035.044
<b>Total</b>	<b>526559.036</b>	<b>20271.62</b>	<b>13643.826</b>	<b>560474.482</b>

The Balance of the outlay (i.e. Rs. 75925.683 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2020-21). Against the above Spill over, the committed liability of Department of SE&L after adjusting for surrender is Rs.20001.52 lakh (Rs.9981.65 lakh for Elementary Education, Rs. 2947.28 lakh for Secondary Education and Rs. 7072.59 lakh under Teacher Education) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Quality initiatives including ICT, VE and TE
- iii) School Grants
- iv) Gender & Equity and inclusive education.
- v) Completion of pending civil works/spill over.

There are likely to be savings in some states. Therefore, supplementary PAB meeting on the request of the State may be considered separately sometime in the month of October-November, 2020, for allocation of additional funds, based on the expenditure and requirement.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14<sup>th</sup> Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education, respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

**The State should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.**

#### **9. Release of Funds:**

The release of funds under the scheme will be further guided by the instructions contained in MHRD D.O. letter No. 2-4/2019-IS-2 dated 15.05.2020 read with D.O. letter No. 25(13)/E.Coord/2020 dated 04.05.2020 from Dr. T.V. Somanathan, Secretary (Expenditure), Deptt. of Expenditure, Ministry of finance and the following conditions: -

- a) State should release/transfer the central share to State Implementing Society within **15 days** of its receipt in the State Treasury.
- b) The State share should be released to the State Implementing Society within **30 Days** of the release of the central share.
- c) All releases by the Centre would be subject to fulfilment of provisions of GFR by the State. The procurement guidelines as prescribed in the FMP Manual should be adhered to and all procurement activities by the States and UTs should be routed through GEM portal.
- d) All guidelines issued by MHRD regarding utilisation of funds under the scheme will be followed.
- e) The release of central share of funds to all the States and UTs is subject to fulfilling the submission of documents, reports, financial statements as prescribed in the Samagra Shiksha FMP Manual.
- f) The ad-hoc amount of instalment has been released to the eligible States during April-June, 2020.

**As regards the balance of funds to be released towards 1<sup>st</sup> instalment and 2<sup>nd</sup> instalment, the conditions to be fulfilled are as under:**

***The 1<sup>st</sup> Instalment would be released only after proposal for release of first instalment is received from State Government along with:***

- Approval of Annual Plans by PAB;
- Transfer of GoI share of previous year to SIS from State Treasury;
- Release of commensurate State share for previous year; and release of full GoI share of ad-hoc release of Central Government to SIS along with matching State share by State Government.
- Submission of provisional UC for previous year. The utilization certificate should be duly countersigned by the Administrative Secretary/ Finance Secretary
- Confirmation of state towards provisions of matching State share in the State Budget for the current financial year.
- Provisional Expenditure Statement of the current year
- Statement of Outstanding Advances Accrued, adjusted and pending till date.
- Physical Progress of Civil Works up to March 2020

***The 2<sup>nd</sup> Instalment would be released only after:***

- Request letter is received from State/UT for release of 2<sup>nd</sup> instalment.
- Latest expenditure statement (Capital Head and General Head separately) of the State Implementation Society for 2020-21 for EE, SE and TE components. Expenditure statement should indicate the release of GoI share from previous instalment to SIS from Treasury.
- Final Utilization Certification (Capital and General Head separately and on separate pages) for the year 2019-20 for EE, SE and TE components, along with consolidated Audited UCs separately for General Head and Capital Head, must contain General component, SC component and ST component-wise financial details. The audited UCs should be counter signed by Administrative Secretary of the Department/Finance Secretary.
- Statement showing cumulative status of state share since inception of SSA, RMSA and TE.
- Audit report of Samagra Shiksha for the year 2019-20
- Statement showing details on outstanding advances accrued, adjusted and pending till date for EE, SE and TE components.
- Action taken report on the Pending Audit observations for SSA and RMSA.
- Documents relating to creation of combined State Implementing Society (SIS) for implementation of Samagra Shiksha.
- Receipt of Central Share of balance of 1<sup>st</sup> instalment by SIS.
- Receipt of Central Share along with matching State share of 1<sup>st</sup> instalment by SIS.
- Physical progress report of Civil Works.
- Latest Annual Report.
- All procurement activities are to be carried out invariably through the GEM portal only.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MHRD which have been deliberated in detail in the PAB meetings. The objective of this

is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes and monitoring mechanism for each activity which will help States and UTs in assessing their performance.

#### 10. Activity wise details and estimates approved:

##### 1) Infrastructure and Civil Works

**a) Opening of New/Upgraded schools (Elementary):** An outlay of **Rs. 93.95 lakh** was estimated for Up-gradation of 5 Primary Schools to Upper Primary Schools at Rs. 18.79 lakh per school. **b) Self-Defence Training:** Self-defence training instils self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate. Through self-defence techniques, girls are taught to increase their core strength. In dire situations, one is not required to have a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funds for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or other State government schemes. **State is requested to provide UDISE codes of the schools within two months where these activities will be carried out.**
