Action taken for tackling the learning loss through Digital Learning Platforms:

- (i) **Mobile Library (Chalta firta pustakalaya)** - A teacher from Singrauli district of Madhya Pradesh set up a mobile library by taking a diverse set of books for grades 1 to 8 directly to children. She went from one village to another with her set of books on her scooty. Later, she extended support to the "KhubPadho" abhiyaan launched by RSK Bhopal by conducting many activities that involved book reading, word pronunciation, playing word puzzles, and speaking activities. She was quoted and appreciated by Hon'ble PM of India for her efforts in 'Mann ki Baat'.
- Radio programs on academic as well as non-academic content developed by the state to assist students in learning.
- WhatsApp based assessment system launched for ongoing tracking of learning levels.
- (ii) **Pratibha Parv** :- At-home assessment worksheets prepared and distributed door-to-door to students for half-yearly (Pratibha Parv) / summative examinations. Workbook based assessments in Grade 1 and 2 were conducted.
- (iii) **Hamara Ghar Hamara Vidyalay**:- The state has prepared a 'Hamara Ghar Hamara Vidyalay' booklet for dissemination to teachers and students that includes the learning goals calendar for students of different grade-groups, along with relevant linkages of those learning goals with all other learning mediums available.
- a) Vigyan Par Charcha sessions were conducted at the state level through Youtube Live with the support of IISER Bhopal, IIT Indore and IIT Gandhinagar.
- b) IIT Gandhinagar is mentoring Students, teachers, CAC, BAC, APC and DIET faculty regularly every Sunday through YouTube live.
- c) IISER Bhopal is mentoring Students, teachers, CAC, BAC, APC and DIET faculty regularly every Saturday through YouTube live.
- d) IIT Indore is mentoring Students, teachers, CAC, BAC, APC and DIET faculty regularly every Wednesday through YouTube live.
- (i) During Covid-19 lockdown State initiated a flip-book campaign every Sunday. These flipbooks have been developed by partner organizations and links of flip books were shared to teachers for sending to the students. The activity will continue in 2021-22 as well.

891181/2021/IS-11 Section

- (ii) Action taken for tackling the learning loss through Digital Learning Platforms:
- (iii) Improving learning levels of students at all levels
- (iv) Providing Learning Enhancement/Enrichment Programme (LEP) to close the gap in achievement of learning outcomes
- (v) Assessing learning levels at National & State level to assess the gap in achievement of learning outcomes
- (vi) Creating Holistic Report card (HPC) to reflect the progress as well as the uniqueness of each learner in the cognitive, affective, and psychomotor domains
- (vii) Ensure a conducive learning environment replete with basic minimum equipment required for the holistic development of all learners through the provision of Composite school Grant, so that students and teachers are comfortable and inspired to teach and learn in their schools.

Interactive Radio Instruction (IRI) and Meena Ki Dunia: Interactive Radio Instruction programme has a dual approach i.e., while it creates an interactive and joyful environment for active learning of students and teachers, the programme also aims at developing the skills of teachers for an interactive activity-based teaching learning process.

Production/development and availability of children's literature by teachers:- Many times children pick up books above their reading level and reverse them, and the complex structure of the text makes them feel that it is difficult for them to read and this notion discourages them rather than encouraging them to read. The teacher should make the effort that the children of the elementary classes should have such literature in their hands that they would like to read it and the level of the text is close to their reading level so that they can read books themselves or at least pictures with a little effort. In order to guess the story by looking at it, the stratified literature will be helpful in arouse the curiosity and ardour of reading in children, as well as the teacher will also know which books will encourage them to read more according to the reading level of the child/children.

- a) **Radio and TV programs:-** Radio and TV programs with a focus on physical well-being through yoga, basic exercises and mental well-being through pranayama, meditation and social emotional well-being to be broadcasted as part of the digi-LEP program. Fit India activities to also be broadcasted through radio across the state.
- b) **Sports competition and sports quiz activities:-** Virtual quiz competitions will be conducted at the State and District level in December and January. WhatsApp or an online platform will be used to get students together. Prizes to be awarded to the winners.

Monitoring by Teachers :- All class teachers will explain each student, how to fill the worksheet and what instructions are to be followed. Students will be given 15 days to complete their worksheets and project. All teachers will make sure that worksheets are distributed together. Children must be directed to complete the worksheets in the months of January, February and March respectively in the fixed assessment period.

891181/2021/IS-11 Section

The hardcopy of the printed worksheet will be supplied by the class teacher to each child of his class on a fixed month-wise, subject-wise level. The worksheet will be completed and submitted by the child to his class teacher keeping in mind safety measures.

Safety Measures:- The completed worksheets for the months of January, February and March respectively, will be submitted with a view of limiting frequent visits. According to the circumstances, the school headmaster should arrange in such a way that protection norms are kept in mind. Everyone must adhere to Covid-19 infection protection norms while performing the above evaluation procedures. Continuous visits of children for submission must be avoided.

Class Promotion and Progress Sheet:- Evaluation of all students will be done based on subject wise half yearly assessments and Worksheet based annual assessments. The annual results will be declared by announcing the scores of the annual assessment. After grades are marked in progress sheets, announcement will be made to distribute progress sheets to all children.

Spot testing assessments:- Plan for spot test assessments is current under development, the state is planning to use a WhatsApp based chatbot for conducting spot tests, Development of WhatsApp bot, Finalizing guidelines for conducting spot tests, Training & orientation of the cadre responsible or spot tests

Online Quiz Competitions:- In the session 2021-22 PrashnaManch (quiz) competition will be organized at JSK, block, district and state levels for all the students studying in classes 5 and 8 in all the government primary and middle schools of the state.

Prashna Manch (quiz) competition 2021-22:-The Prashna Manch (quiz) competition will be held group wise at all levels with 2 students participating in each group. The competition will be round based at all levels with four rounds with 5 questions per round.

- **Net Enrolment Ratio (NER):** NER has declined at primary, Upper Primary, Elementary and Secondary level from year 2018-19 to 2019-20.

Year	Primary	Upper Primary	Elementary	Secondary	Higher Secondary
2019-20	78.95	67.74	81.02	46.07	26.36
2018-19	78.91	69.54	82.42	46.86	24.74

Source: UDISE data

State would need to focus on improving the NER at these levels by bringing back children to the age appropriate classes.

- **High Dropout Rate:** High drop-out at secondary level requires special attention; decline trained being observed as 24.8% in 2018-19 and 23.2% in 2019-20. Further, in 8 districts (Sheopur (32.2), Harda (28.6), Seoni (28.3), Guna (28.3), Neemuch (27.6), Shahdol (26.8), Sidhi (26.6), Khargone (26.5)) overall drop-out rate is more than 23.2% at secondary level. State needs to take adequate measures to reduce the dropout rate and improve the retention rate..
- **Decline in Transition Rate:** Transition rate from Secondary to Higher Secondary has declined from 67.7% in 2018-19 to 65.3% in 2019-20 as per UDISE+ 2019-20 (provisional). For SC and ST children transition rate is 59.7% and 58.8% at secondary to higher Secondary level. State needs to take steps to improve the transition rate of focus groups.
- **Surplus Teachers at Elementary level:** There are 17117 Surplus Teachers at Elementary Level, which has increased since last year, while there are a large number of single teacher schools and schools having adverse PTR. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Subject PTR at Secondary level:** 37% of secondary schools having teachers for all core subject; Subject PTR at the secondary level is 187 for Social Studies and 238 for Mathematics . State would need to ensure required number of Social Studies and Mathematics teachers at the secondary level.

Section: II – New Approaches and COVID Action Plan

6) New Approaches 2021-22:

The Samagra Shiksha Scheme has been aligned with the recommendations of the National Education Policy: 2020 (NEP: 2020). During the year 2021-22, the focus will be on enhancing the qualitative outcomes as envisaged in NEP 2020 and increase the effectiveness of the implementation of the Scheme. For this purpose, **Key Performance Indicators (KPIs) has been developed for each intervention so that qualitative assessment of each intervention can be made.** The scheme being an integrated scheme for school education also aims to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs and different academic abilities, thereby making them active participants in the learning process.

The following are the focus areas of the schemes identified for the year 2021-22:

6.1 Foundational Literacy and Numeracy:

As a part of announcements under 'Atamirbhar Bharat' and recommendations of NEP 2020, it has been decided to launch a National Mission under Samagra Shiksha to ensure that by 2025 every child achieves the desired learning competencies in reading, writing and numeracy at the end of grade III. States and UTs may identify this as one of the major focus areas, for which they have been provided funds for the following activities:

- Provision of Teaching Learning Materials (TLMs)/Supplementary graded materials to all children upto grade V such as, worksheets, workbooks and various locally contextualised Toys, Puzzles, puppets, games, board games, Story books, local rhymes, local folk songs/lore, art and craft, online access, etc. This also includes the 3-month play-based-

school readiness/ preparation module - for all students who enter Grade 1. NCERT will be launching the school preparation module (SPM) which can be adopted/adapted by the states and UTs as per their local requirements and needs.

- Funds have also been provided for Teacher Resource Material/Activity Handbook for teachers to align their innovative pedagogies with learning outcomes and grade level competencies.
- Specific Teacher Training Modules under NISHTHA focusing on FL&N will be designed by NCERT. SCERTs will be the nodal agency in the State to conduct NISHTHA as well as all other supplementary in-service teachers' training.
- Independent, periodic and holistic assessment of students
- Funds have also been provided for Setting-up of State and District PMU including subject experts/IT personnel/data analysts etc. to ensure effective implementation and monitoring of FL&N goals.

State is advised to prepare an Implementation Framework consisting of roadmaps and annual action plans for implementing of activities covering all the focus areas of FL&N Mission by following the guidelines of MoE.

6.2 NISHTHA: National Initiative for School Heads' and Teachers' Holistic Advancement (In-service Teacher Training)

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – **National Initiative for School Heads' and Teachers' Holistic Advancement** on 21st August, 2019. In the wake of the COVID-19 pandemic, the NISHTHA programme has been contextualised to the needs of teaching and learning during the pandemic and made 100% online. **NISHTHA Online for elementary teachers** was launched on 6th October, 2020 and it has been created by customizing Modules for Online delivery in the format compatible with DIKSHA Platform of NCERT. Nearly, 23 lakh teachers have completed NISHTHA online training by March, 2021 besides the 17 lakh provided training in face to face mode in 2019-20.

The National Education Policy (NEP, 2020) recommends 50 hours of Continuous Professional Development programme or in-service training for every teacher and school leader.

Consequently, in 2021-22, NISHTHA training modules will be launched for teachers of pre-primary to primary grade for a specialised training on Foundational Literacy and Numeracy. Further, NISHTHA training will also be extended to secondary/senior secondary level teachers with a focus on improvement in quality of teachers and learning outcomes of students, which will also be conducted in online mode.

6.3 State Curriculum Framework (SCF):

As per the strategy finalized by the D/o SE&L and NCERT, it has been decided that the National Curriculum Framework (NCF) should be framed by incorporating and integrating the local and

indigenous flavour from across the country through wider consultations. Consequently, the State Curriculum Frameworks may be developed first and these may then feed into the preparation of the NCFs. The entire process of developing the NCFs and SCFs will be paperless and conducted using the Tech platform to be developed by NIC, MoE in close collaboration with NCERT.

For the purpose of developing the SCFs, following steps are required to be taken by the States and UTs:

- 1) Ensuring that State/UT nominates SCERT (wherever it is available) as the nodal agency for developing the SCFs in collaboration with the concerned State/UT agencies, such as, School Examination Boards, SIEMATs, DIETs etc., or other nominated agency under DSE may lead this task.
- 2) Nominate two nodal officers from the SCERT to coordinate with the nodal officers of the NCERT for taking forward the development of the SCFs.
- 3) Setting up of 25 State Focus Groups, as per template provided by NCERT, for developing State position papers in the identified areas.
- 4) Setting up of three separate Steering Committees, one jointly for State Curriculum Framework for School Education and State Curriculum Framework for ECCE, second for SCF for Teacher Education and third for SCF for Adult Education (as per template provided by NCERT).
- 5) Consultations at district level for taking inputs on the survey questionnaires developed at the National level.

SCERTs and DIETs are expected to play a pivotal role in conducting intensive consultation process and prepare SCF thereafter. In this regard, SCERTs and DIETs may utilise the funds provided under Programme and Activity/Research/Annual grants for developing SCF.

6.4 Promotion of Menstrual Hygiene Management (MHM)

In order to emphasize the importance of Menstrual Hygiene Management, the following major focus areas have been identified:

1) Awareness:

- Develop and incorporate Module on Menstrual Health in Curriculum
- Make available Awareness materials and FAQs in Schools

2) Standards, Technology and Outcome Monitoring:

- Appropriate ratio of girls' toilets and incinerators
- Standard low-cost mechanical incinerators for residential and non-residential schools
- Quality low cost sanitary pads vending machines and incinerators

Towards this end, NCERT will be developing a Module on Health and Well Being as part of the position papers for formulating the new National Curriculum Framework on School Education (NCFSE). Under this, States and UTs are also required to formulate modules on Menstrual Health and Hygiene based on State-specific socio-cultural perceptions for inclusion in their curriculum or adopt the module developed by NCERT. **For this purpose, under special projects for equity, Rs. 10**

Lakh as a one time grant is given to all states and UTs for developing a module on Menstrual health and hygiene and its appropriate inclusion in curriculum.

6.5 Strengthening of BRCs/CRCs

The **Block Resource Centres and Cluster Resource Centres** are the most critical units for training and on-site support to schools and teachers. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Block and Cluster Resource Coordinator will visit the schools and provide onsite academic support and send reports on a periodic basis. It is expected that the periodic visits by BRCs/CRCs will be monitored at state level through technological intervention, preferably through a mobile app. MoE will develop a comprehensive framework on the role of BRCs/CRCs.

6.6 Key Performance Indicators (KPIs) - For every component of Samagra Shiksha, measurable Key Performance Indicators have been developed for effective monitoring of scheme implementation. The KPIs have been developed in such a manner that qualitative impact of the scheme against each intervention can be measured. These KPIs will be monitored on a regular basis.

6.7 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation

The COVID-19 pandemic has impacted over 240 million children of our country who are enrolled in schools. Moreover, extended school closures may cause loss of learning. To mitigate the impact of the pandemic, schools will not only have to remodel and re-imagine the way teaching and learning have happened so far, but will also need to introduce a suitable method of delivering quality education through a healthy mix of schooling at home and schooling at school.

With the present COVID wave, that is more virulent and faster spreading, an urgent need was felt to plan for the challenges ahead and prepare to make progress for the sake of students, parents, community and all stakeholders involved in this pursuit. Hence, taking a holistic view, the Department has prepared a comprehensive COVID Response document consolidating all the previous guidelines and intervention to mitigate the impact of the pandemic. This guideline was issued on 4th May, 2021 and it delineates detailed action plan and timelines for all Stakeholders involved on Access, Retention and Continuous Learning, Capacity Building and Stakeholder engagement.

In this regard, the following are the major areas that require interventions:

- 1) Identifying OoSC, Mainstreaming, Enrolment, retention, transition,
- 2) Academic learning & cognitive development of students

- 3) Capacity building - with specific focus on response to blended and home-based learning including student assessments and data use,
- 4) Nutritional, socio-emotional support to systems' actors and students,
- 5) Digital education and systems' development for monitoring, tracking and remediation.

Accordingly, various interventions under Samagra Shiksha have been realigned to manage the crisis with specific emphasis on **access to quality education, learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation by focusing on the following areas which are as follows:

1) Access to Textbooks

- All states/UTs will ensure that relevant textbooks (Covering Class I to VIII) are printed and distributed through the school (if required, then at the doorstep) to every elementary level school going child, in the beginning of the academic session 2021-22.
- System for distribution of textbooks for students of secondary and senior secondary level may also be overseen by State/UT to ensure their timely distribution.

2) Availability of Supplementary Graded Material and Resource Kits:

- Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. **States and UTs may prepare grade wise material and ensure their delivery to the students.**
- Activity and play based kits can also be prepared specially for ECCE to class 5 students to productively engage them in learning. SCERTs may prepare such material which will be useful for home-based learning.
- **Learning Kits for different age groups will be particularly useful for children located in remote areas, who have no access to digital formats.**
- **Funds provided for Teaching Learning Materials (TLMs) under Support to pre-school, Foundational Literacy and Numeracy and Learning enhancement/Enrichment Programmes may be utilised for this purpose.**

3) School Library Books should be made accessible

- It is noticed that though most schools now have libraries, the books remain unborrowed during the pandemic.
- States/UTs must ensure that **each and every Library Book in the school reaches the homes of children** – at least one new book a month – and children get into the habit of reading. Teachers can review the knowledge acquired either online or as and when the schools reopen.

4) Alternative Academic Calendar:

- States and UTs may also continue to plan the Alternative Academic Calendar in its present form gives learning solutions for grades 1 to 12 for both - a child with device and one without device. This can be strengthened by connecting item banks/assessment and role of parents with the Alternative Academic Calendar.

5) Helping Teachers to Reach the Last Child in the last Mile

- **states may establish a Control and Command Centre (CCC) for teachers and schools** to keep track of enrolled students, learning at home, Drop outs, information on child labour mainstreamed, Out of School Children, textbook delivery, support required by teachers and schools, etc. and provide feedback to the district level.
- **The States/UTs may also consider having a helpline or IVRS for students and parents** for some time. This helpline could be of great help to students and parents w.r.t tracking textbooks, worksheets, solving queries, getting information on digital modes, etc.
- **Teachers may visit students at least once in a week, with a brief plan of interaction with students and parents, particularly in far-flung and remote areas where access to digital devices is minimal.**

6) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.

(i) Training of Teachers on Safety and e-learning aspects.

- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc. A **letter dated 30th April, 2021 regarding a course on COVID 19 Responsive Behaviour** has been shared with all States and UTs. This course has been designed & developed in collaboration with UNICEF and **uploaded on DIKSHA platform** with the objective of providing essential knowledge and action plan with demarcation of responsibilities, for prevention of transmission of COVID 19 in the school environment. **The course is available at the following link: https://diksha.gov.in/explore-course/course/do_31326644727903027212744**

It is requested that the States/UTs may use the above course for the training of school authorities to ensure safety of school staff, students and nearby communities from the COVID pandemic.

- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.

- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- States/UTs also need undertake their own capacity building programs in online mode for their teachers on various aspects related to teaching and learning in pandemic times. States/UTs can utilize DIKSHA platform for this purpose if they do not have their own Learning Management System (LMS) platforms.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

(ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines '**PRAGYATA**' prepared by MOE may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. **Guidelines should also include how study @home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

7) Community Mobilization and SMC/SMDC training

Funding under community mobilisation and SMC/SMDC training can be utilised to ensure safety and security measures for children. SMC/SMDC members may be made fully aware about the present COVID situation to create awareness among the Students and parents.

6.8 Focused approach under Samagra Shiksha

(a) Support to Schools, Teachers and Students: Various components of Samagra Shiksha can be built into special and focused interventions in view of the present pandemic situation which are given below:

- a. **Learning enhancement/enriching programme** to provide supplementary material to children.
- b. **Library Grant** to be utilized for ensuring availability of reading material to students.
- c. **Special Training for OoSC and CWSN.**
- d. Support for **out of school children (OoSC) of age group 16 to 19 years** belonging to SEDG through NIOS/State open schools.
- e. **SMC/SMDC training** to be utilized for ensuring community participation, parental support and awareness creation about inclusion.
- f. **Teaching learning Material** at ECCE and primary grade may be utilized for FLN kit which can be prepared by the NCERT/SCERT.
- g. **MMMER funds can also be utilized for setting-up a help desk at Panchayat level and creating awareness among masses**, through use of mass media. It can also be used for conducting online learning and content dissemination over electronic media.
- h. **Child tracking funds** may be utilized for preparing **student registry in NDEAR** compliant mode.
- i. **Special Grants to schools for sanitization and hygiene** even for limited opening/attendance of teachers etc.
- j. **Teachers grants for awareness on safety and security in online mode** and for enabling them to use online means of education.
- k. **Grants for online content development and dissemination.**
- l. **In-service training grants** for teachers for accessing **NISHTHA training modules** over DIKSHA platform.
- m. **Composite school grants** to be used by the schools flexibly to **ensure continuity of learning and atleast 10% of it to be used for Water, sanitation and hygiene in schools.**

(b) Ensuring Equity and Inclusion

- a. **Identification/ mapping children with special needs** should become an integral part of the micro-planning and household surveys. A concerted drive to detect children with special needs at an early age should be undertaken at different levels.
- b. **Assessment of each identified CWSN** should be carried out. A team should be constituted at the block/cluster level to carry out this assessment. The assessment team

will ascertain the extent and type of the disability, the developmental level of the child, the nature of support services required, assistive devices required by the child and the most appropriate form of special training to be given to the child.

- c. Under Samagra Shiksha, **stipend is given to CWSN girl child**. This will need to be tracked regularly and ensured.
- d. **No child, including CWSN, should be left behind** in terms of textbooks, enrolment, learning resources and learning guidance.
- e. In Aspirational Districts and remote areas where digital modes or even teachers are not able to reach very often, local level volunteers, including parents, maybe identified and trained if necessary, to guide the children.
- f. States can consider pre-loading existing devices available in schools with educational material and sending them to remote areas, where trained volunteers can lead the process of guidance.

6.9. States and UTs may also give special attention to the following points:

- (i) Prepare own plan of action/roadmap by following NEP Implementation Plan for School Education, called '**Students' and Teachers' Holistic Advancement through Quality Education (SARTHAQ)**'
- (ii) **Regular updation of NEP Google tracker** so that the department will be appraised on a monthly basis about the initiatives taken by States/UTs. <https://docs.google.com/spreadsheets/d/10ZXip4QUZK9nHMhbPRSJWPTkq4ag0rviG1VA05-vHLg/edit#gid=629451567>
- (iii) Initiate the process for setting up **State School Standards Authority (SSSA)** as an independent, State-wide body to ensure transparency and online public disclosure.
- (iv) **Convergence architecture with other Ministries** may be explored by States and UTs:
 - a) *ECCE through the Anganwadi centres under the Umbrella of Integrated Child Development Scheme (ICDS) of the Ministry of Women & Child Development.*
 - b) *National Rural Drinking Water Programme under the Ministry of Drinking Water and Sanitation for providing drinking water facilities in schools.*
 - c) *National Child Labour Project (NCLP) of the Ministry of Labour to promote successful mainstreaming into regular schools of all children who have been withdrawn from child labour and rehabilitated.*
 - d) *Residential facilities for SC and ST children by the Ministry of Social Justice & Empowerment and Ministry of Tribal Affairs.*
 - e) *Scheme of Assistance to Disabled Persons for Purchase/Fitting of Aids/Appliances (ADIP Scheme) and Scheme for Implementation of Persons with Disabilities Act, 1995 (SIPDA by Ministry of Social Justice and Empowerment.*

- f) *School Health Programme (SHP) under Ayushman Bharat, which is a joint initiative of the Ministry of Health & Family Welfare (MoHFW) and the Ministry of Education (MoE). The SHP programme will be implemented in government and government aided schools in 191 districts (including 117 aspirational districts) of the country in the first phase of the implementation.*
- g) *Convergence with Department of Rural Development for provision of playgrounds, boundary walls in schools and provision of school uniforms through SHGs.*
- h) *Convergence with Department of Panchayati Raj for use of Finance Commission funds for maintenance of school premises as required locally.*
- (v) Online monitoring and regular data updation on **PRABANDH** including physical and financial progress component wise and school wise.
- (vi) Regular updation of **child wise data relating to stipend for girls and other students oriented component-wise details under Inclusive Education** to be uploaded on PRABANDH.
- (vii) A format for **identification of OOSC and their mapping with special training and mainstreaming of OOSC** has been launched on PRABANDH. States are requested to upload child-wise data and update the format on a regular basis as per the instructions given by MOE.
- (viii) **Action plan for covid response and OoSC survey may be shared with MoE by end June.**

Section: III - Financial Estimation

7) Total Estimated Budget (2021-22)

The estimates for the AWP&B for 2021-22 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total (2+3+4)
1	2	3	4	5
Elementary	33140.77	1583.13	396112.99	430836.89
Secondary	39066.75	6380.06	53924.65	99371.46
Teacher Education	588.04	10.00	3864.82	4462.86
Total	72795.56	7973.19	453902.46	534671.21

*Includes Programme Management (MMER)

8) Actual Releases by GOI during 2021-22

- 9) Against the above estimates, **Central Government shall provide to the State Government, Rs. 294630.92 lakh as its share (Rs. 240538.04 lakh for elementary, Rs. 51451.65 lakh for secondary & senior secondary and Rs. 2641.23 lakh for Teacher Education). The State would contribute Rs. 196420.61 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2021 for the activities approved in 2020-21 including spill over.**

Based on the demand of funds projected for 2021-22, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	227744.98	32354.79	2318.89	262418.66
Non-recurring	12793.06	19096.86	322.34	32212.26
Total	240538.04	51451.65	2641.23	294630.92

The Balance of the outlay (i.e. Rs. 72795.56 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2021-22). Against the above Spill over, the committed liability of Department of SE&L is Rs. 27428.346 lakh (Rs. 11843.184 lakh for Elementary, Rs. 15268.822 lakh for Secondary and Rs. 316.34 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Foundational Literacy and Numeracy
- iii) Quality initiatives including ICT, VE and TE
- iv) School Grants including library and sports grants
- v) Gender, Equity and inclusive education
- vi) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2021, to

consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2021-22 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

Fund flow to SCERTs, DIETs etc. will be as decided by the concerned State/UT by adopting any of the following options:

- i. Option 1: Directly through State Treasury to SCERTs and DIETs, etc.
- ii. Option 2: Adopt the present system.

However, there will a single UC for the component and states will be responsible to ensure proper management of accounts and auditing of the same.

10) Release of Funds:

The release of funds under the scheme will be further guided by the instructions contained in MoE D.O. letter No. 4-4/2021-IS-2 dated 24.05.2021 read with D.O. letter No. 1(13)PFMS/FCD/2020 dated 12.04.2021 from Dr. T.V. Somanathan, Secretary (Expenditure), Dept. of Expenditure, and Department of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2021, conveying the modified procedure for release of funds to States/UTs for the Centrally Sponsored Schemes [CSS) and monitoring utilization of the funds released. The aim of the revised procedure is to ensure effective cash management and improve transparency in public expenditure management. The revised procedure will be effective from the 1st July, 2021.

Accordingly, the preparatory activities need to be completed by the State/UT Governments and Implementing Agencies for smooth implementation of the revised procedure from the stipulated date. These inter-alia include:

- (i) **A Single Nodal Agency [SNA]** is designated for each CSS by every State Government.
- (ii) Each SNA is registered in the **Public Financial Management System (PFMS)** and the bank account of each SNA is opened and mapped in PFMS.
- (iii) Funds available in the bank account of all the IAs below the SNA are transferred to the bank account of the SNA concerned with clear bifurcation of the Central and the State share.
- (iv) Zero balance bank accounts of the IAs down the ladder are opened. Only banks having a robust IT Systems and extensive branch network should be chosen for opening the Single Nodal Account of each CSS. The bank chosen should have the facility to open the required number of subsidiary zero balance accounts and a robust MIS for handling accounting and reconciliation at each level. The bank should also provide a user friendly dashboard to officers at various levels to monitor utilization of funds by IAs.
- (v) All the IAs are registered in PFMS and their zero balance bank accounts are mapped in PFMS.**
- (vi) All zero balance subsidiary accounts will have allocated drawing limits to be decided by the SNA concerned from time to time and will draw on real time basis from the Single Nodal Account of the scheme as and when payments are to be made to beneficiaries, vendors etc. The available drawing limit will get reduced by the extent of utilization.
- (vii) Separate budget lines for Central and State shares are opened by every State Government in the State budget for every CSS having a State share and necessary provision of funds is made in the State budget for both the components.
- (viii) State GIFMIS is enabled to capture scheme component-wise expenditure along with PFMS scheme codes and Unique Code of the agencies incurring the expenditure.
- (ix) All the States and UTs have, accordingly, been requested vide above said **MoE D.O. letter dated 24.05.2021 to review completion of all the preparatory activities** to ensure that they are completed by 30.06. 2021, and the new procedure is smoothly implemented w.e.f. 01.07.2021 in respect of Samagra Shiksha.

It may further be pointed out that the Dept. of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2021, inter-alia provides as under:

- a) Funds will be released to the States strictly on the basis of balance funds of the Samagra Shiksha (Central and State share) available in the State treasury and bank account of the SNA as per PFMS in consonance with rule 232(V) of the General Financial Rules, 2017.
- b) The SNAs shall ensure that the interest earned from the funds released should be mandatorily remitted to the respective Consolidated Funds on pro-rata basis in terms of

- Rule 230(8) of GFR, 2017. Interest earned should be clearly and separately depicted in PFMS, scheme-specific portals integrated with PFMS and in MIS provided by the banks.
- c) States will maintain separate budget lines for Central and State Share in their Detailed Demand for Grants (DDG), and make necessary provision of the State share in the State's budget. While releasing funds to SNA, State's Integrated Financial Management Information System (IFMIS) should provide these budget heads and the same should be captured in PFMS through treasury integration.
 - d) In the beginning of a financial year, the Ministries/Departments will release not more than 25% of the amount earmarked for the State for the financial year. Additional central share (not more than 25% at a time) will be released upon transfer of the stipulated State share to the Single Nodal Account and utilization of at least 75% of the funds released earlier (both Central and State share) and compliance of the conditions of previous sanction.
 - e) After opening of Single Nodal Account of the scheme and before opening zero balance subsidiary account of IAs or assigning them drawing rights from SNA's account, the IAs at all levels shall return all unspent amounts lying in their accounts to the Single Nodal Account of the SNA. It will be the responsibility of the State government concerned to ensure that the entire unspent amount is returned by all the IAs to the Single Nodal Account of the SNA concerned. For this, the State Governments will work out the modalities and the timelines and will work out Central and state share in the amount so available with IAs. SNAs will keep a record of unspent balance lying in the account of IAs and the amount refunded by IAs.
 - f) The State Government will transfer the Central share received in its account in the RBI to the concerned SNA's account within a period of **21 days** of its receipt. The Central share shall not be diverted to the Personal Deposit (PD) account or any other account by the State Government. Corresponding State share should be released as early as possible and not later than **40 days** of release of the Central share. The funds will be maintained by the SNA in the Single Nodal Account of each CSS. State Governments/SNAs/IAs shall not transfer scheme related funds to any other bank account, except for actual payments under the Scheme.
 - g) State Governments will register the SNAs and all IAs on PFMS and use the unique PFMS ID assigned to the SNA and IAs for all payments to them. Bank accounts of the SNAs, IAs, vendors and other organizations receiving funds will also be mapped in PFMS.
 - h) Payments will be made from the zero balance subsidiary accounts up to the drawing limit assigned to such accounts from time to time. Transactions in each Subsidiary Account will be settled with the Single Nodal Account daily through the core banking solution (CBS) on the basis of payments made during the day.
 - i) SNAs and IAs will mandatorily use the **Expenditure, Advance and Transfer (EAT) module** of PFMS or integrate their systems with the PFMS to ensure that information on PFMS is updated by each IA at least once every day.
 - j) SNAs will keep all the funds received in the Single Nodal Account only and shall not divert the same to Fixed Deposits/Flexi-Account/Multi-Option Deposit Account/Corporate Liquid Term Deposit (CLTD) Account etc.

891181/2021/IS-11 Section

- k) The State IFMIS should be able to capture scheme component-wise expenditure along with PFMS Scheme Code and Unique Code of the Agencies incurring the expenditure. State Governments will ensure daily uploading/sharing of data by the State IFMIS/Treasury applications on PFMS. PFMS will act as a facilitator for payment, tracking and monitoring of fund flow.

Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No. of these schools within two months where these activities will be carried out.**

The Ministry of Finance, Dept of Expenditure has issued directions on 23rd March, 2021 to have more effective cash management system and transparency of Public Expenditure Management. The revised procedure will be effective from 1st July, 2021. A number of preparatory activities needs to be completed by every State Government by 30th June, 2021 for smooth implementation of revised procedure.

- A Single Nodal agency is designated for each Centrally Sponsored scheme by every State Government. The SNA will open a Single Nodal account at State level.
- Implementing agencies down the ladder should use the SNA's account with clearly defined drawing limit set for that account or open zero balance subsidiary accounts.
- All zero balance subsidiary accounts will have allocated drawing limits to be decided by the SNA from time to time and will draw on real time basis from the Single nodal account as and when payments are made to beneficiaries, vendors etc.
- Banks having robust IT system and extensive branch network should be chosen for opening the Single Nodal Account. The bank's software system should be able to monitor the drawing limits of the IAs on real time basis from the SNA's account as and when payments are to be made.
- The bank should have the facility to open the required number of subsidiary zero balance accounts and a robust MIS for handling accounting and reconciliation at each level. The bank should also provide a user friendly dashboard to officers at various levels to monitor utilization of funds by IA.

- Funds will be released to the States strictly on the basis of balance funds of the CSS (Central and State share) available in the State treasury and bank account of the SNA as per PFMS or scheme-specific portals fully integrated with PFMS.
- After opening of Single Nodal Account of the scheme and before opening zero balance subsidiary account of LAs or assigning them drawing rights from SNA's account, the IAs at all levels shall return all unspent amounts lying in their accounts to the Single Nodal Account of the SNA.
- The State government will transfer the Central share received in its account to the concerned SNA's account within a period of 21 days of its receipt. Corresponding State share should be released as early as possible and not later than 40 days of release of the Central share.
- The central share shall not be diverted to the Personal Deposit (PD) account or any other account by the State Government.
- State Government will register the SNAs and all IAs on PFMS, alongwith Bank account of the SNAs, IAs, Vendors and other organization receiving funds.
- SNAs will keep all the funds received in the Single Nodal Account only and shall not divert the same to Fixed Deposit,/Flexi-Account/Multi-Option Deposit Account etc.
