1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for SAMAGRA SHIKSHA for the State of Bihar was held on 21st April 2023 through Video Conference. The list of participants who attended the meeting is at *Annexure-I*.

Section: I - State specific initiatives, Review of Performance & Issues

2. State specific initiatives:

Shri Sanjay Kumar, Secretary (SE&L) invited Bihar to give a presentation on School Education in the State. Shri Dipak Kumar Singh, Additional Chief Secretary, School Education (Bihar) gave a presentation which included the following major points:

- a) **Bag-less Safe Saturday:** A day in a week in school when, 'Students will come to School, but they won't have the weight of Bag on their Shoulders!' Bag less Safe Saturday is an innovative initiative conceptualized to increase the thought of 'Learning without Burden'. School day without bag is being seen as the day which will provide learner an interesting and free environment to connect them with nature, to have new experiences and to expand their wishes. The special day of the school for the learner will be observed on every Saturday where children will be in the school without any burden on their shoulders, etc. The concept of Bag less Day has been suggested by National Education Policy 2020 and has based on the teachings of Mahatma Gandhi's 'Nai Talim' and Prof. Yashpal's 'Learning without Burden'. Bag less Safe Saturday program is compulsory for the students of grade 1 to 8, whereas, students from grade 9 to 12 can voluntarily participate in the program. Teachers will be facilitating the activities and write down their observations in Holistic Progress Card (HPC). A provision has been made to conduct Parents Teacher Meeting (PTM) every 4th Saturday, in which HPC will be shared with the parents.
- b) **Chahak:** An initiative to develop a 3 month Play Based School Readiness Module. The scenario for acquiring education for children of marginalized society is not so favourable. Due to illiteracy/less education of the parents, children do not get proper psychological support for early education. Chahak provides essential aspects of preparedness for attending school. It makes school a pleasant and fearless space for school attending children. It prepares children with the cognitive and linguistic competencies which are a pre-requisite for learning to read, write and develop number sense through a play-based approach. Chahak module is very helpful in achieving the goal of Foundational Literacy and Numeracy. Module has around 140 suggestive activities for classroom. These activities have been put in 4 different developmental domains namely - Language Development, Numeracy and Environmental awareness, Physical Development, and Socio-Emotional Development.
- c) **Teaching Learning Materials:** The Education Department, Govt. of Bihar has been providing TLM kits to all the government elementary schools of the state. The major

objectives includes making classrooms resource rich and empowering the teachers with the right 'tool kit' to achieve the targeted learning outcomes for students, providing students a hand on experiences, that help the students to understand complex concepts and Help children to develop curiosity towards learning. National Education Policy (NEP) 2020 has also recommended Toy-based pedagogy and contextualized TLMs in schools. TLM Kit has been provided in all 69,223 government elementary schools by the state.

- d) **NIPUN TLM Mela:** The Education Department has decided to promote the development of low-cost local TLMs. The major objective of this initiative includes to ensure effective teaching-learning practices in the classrooms, the department decided to promote low-cost TLMs for the academic year 2023-24 which can be created by using materials locally available. This will eliminate the dependency of the schools on fancy TLMs which are not affordable for teachers and students every academic year. To create a pool of low-cost TLMs and recognize the efforts of creative teachers who are working in primary schools. To do this, the department decided to develop an in-house repository of low-cost TLMs through a bottom-up approach and organized a NIPUN TLM Mela at different levels.
- e) **Intervention for STEM Education in Schools:** The Education department of Bihar has taken various initiatives for STEM education, which includes, Govt. of Bihar and IIT, Patna has signed MoU for improving labs in 50 exemplar higher secondary schools; 15 days Instructional Residential Workshop organized at IIT, Patna for winners (591 students of Classes VI to XII) of the Srinivasa Ramanujan Talent Search Test in Mathematics; approx. 550 teachers have been trained by IISER, Pune to develop scientific temper and problem-solving in students; Science and Maths Clubs have been constituted in all elementary and secondary schools to implement Rastriya Avishkar Abhiyan activities.

4. Review of performance during 2022-23:

State had secured a score of 773 in Performance Grading Index (PGI) and was placed in Grade II. The Domain-wise Gaps in 2020-21 as compared to 2019-20 and 2018-19 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2018-19	140	65	84	198	202	689
GAP	40	15	66	32	158	311
2019-20	140	62	81	214	250	747
GAP	40	18	69	16	110	253
2020-21	140	66	91	211	265	773
GAP	40	14	59	19	95	227

State of Bihar has been requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students.
- b) **Access Outcomes (C-1, D-2):** State has made improvement under this and needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps for identifying Out-of-school-children and mainstreaming.
- c) **Infrastructure & Facilities (C-1, D-3):** State has shown substantial improvement under this and was encouraged to further take measures to reach the top grade, with specific focus on areas where the performance is low i.e., Percentage of schools having CAL at Upper Primary level and Computer Lab/vocational subjects.
- d) **Equity Outcomes (C-1, D-4):** State would need to focus on the percentage of schools having functional CwSN friendly toilets, ramp facilities, functional boys/girls toilets etc., which is still an area of concern.
- e) **Governance Processes (C-2, D-1):** Though the State has shown improvement under this category, still it requires more focus, as the PGI accords the highest importance to this domain as compliance with indicators here will lead to critical structural reforms. Thus, specific focus is required on % Upper Primary schools meeting norms of subject-teacher as per RTE, Number of teachers transferred through a transparent online system as a % of total number of teachers transferred, Number of head-teachers/principals recruited through a merit-based selection system as a % of total number of head-teachers/principals recruited (in the given year) and Funds arranged through PPP, CSR as a percentage of State budget on schools education etc., and as the PGI indicator demands for.

- **Gross Enrolment Ratio (GER) & Net Enrolment Ratio (NER):** NER has declined at Primary, Upper Primary, Elementary and Secondary level from year 2020-21 to 2021-22, being the lowest in country. State would need to focus on improving the NER at these levels by bringing back children to the age-appropriate classes. GER is less than 65% in 15 districts at Secondary level. The GER is much lower in aspirational districts Araria (44.8), Katihar and Kishanganj (45.4) in comparison to State average (64.9) and

notably, the lowest in the country again. State may extend necessary action in this regard.

- **Dropout Rate:** The dropout rate at the elementary and secondary level has slightly increased from 0.0 to 0.3 at the elementary level and from 17.6 to 20.5 at the secondary level from 2020-21 to 2021-22, the dropout rate at the secondary level is more than 25% in 5 districts at Secondary level i.e., Supaul, Madhepura, Vaishali, Kishanganj, and Darbhanga. State needs to continue taking adequate measures to reduce the dropout rate and improve the retention rate.
- **Surplus Teachers at Elementary level:** There are still 12,130 Surplus Teachers at Elementary Level, Only 26.2% Upper primary schools having 3 subject teacher as per the RTE norm, while the number of single teacher schools has increased at both the primary and upper primary level. The number of schools with adverse PTR is also quite high at 66.40% and 81.47% at the primary and upper primary level, respectively. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Subject PTR at Secondary level:** Only 25.2% secondary schools are having teachers for all core subjects. Subject PTR at the secondary level is 192 for Language, 351 for Mathematics, 324 for Science and 287 for Social Studies. State needs to ensure required number of Language, Mathematics, Science and Social Studies teachers in all schools at the secondary level.
- **Gender Parity Index:** Adverse Gender Parity Index (Reverse Gender Gap) in 9 districts, i.e., Sitamarhi, Begusarai, Sheohar, Munger, Samastipur, Bhagalpur, Khagaria, Vaishali, East Champaran needs to be addressed which indicates that the boys are dropping out at higher level at Secondary/Senior Secondary level. In a nutshell, GER for girls is higher in 26 districts than boys at secondary level that shall be addressed by the state.
- **Infrastructure in Aspirational Districts:** The state may ensure the government schools of the following aspirational districts (Araria, Aurangabad, Banka, Begusarai, Gaya, Jamui, Katihar, Khagaria, Muzaffarpur, Nawada, Purnia, Sheikhpura and Sitamarhi) are met with basic/necessary infrastructure facilities (Toilet, Drinking Water, Electricity, Ramp, Library etc.)
- **Teacher vacancy at Elementary level:** There are 192097 vacant posts of teachers in Govt. Elementary schools in 2023-24, which is an increase of 0.87% from 2022-23 that shall be filled on priority.
- **Teacher vacancy at Secondary level:** There are 32929 vacant posts of teachers at gov. Secondary schools in 2023-24, which is an increase of 8.86% from 2022-23 that may be filled on priority.
- **Inclusive Education:** Out of a total number of 2,74,72,692 students, the number of Children with Disability (CwD) is 1,77,989 i.e., 0.6%. Further, out of a total number of 93165 schools, the percentage schools with special educators is only 25.9% while only 3.35% teachers are trained on Inclusive Education. State is requested to take concerted efforts to ensure timely identification for wider coverage and requisite special educators.

➤ **Vacancy of Academic positions in TELs:**

- (i) **Vacancy of academic positions in SCERT** is 84.44% with 7 faculties in position as against total recommended posts of 45 as per the scheme. These vacant posts needs to be filled up on priority as it is also directly impacting PGI indicator# 2.1.12
- (ii) **Vacancy of academic positions in 33 Functional DIETs** is 35.76% with only 530 faculties in position as against a total recommended strength of 825 (25 Academic posts per DIET). These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12.

As per Budget Announcement 2023-24, the focus of the Ministry is strengthening of SCERTs and DIETs and as such State need to prioritize the process of filling up of existing vacancies of academic positions in these institutions.

Section: II- Financial Estimation

6. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	5
Elementary	139011.4390	13881.85	716083.10	729964.95	868976.389
Secondary	73441.3150	40556.72	38850.32	79407.04	152848.355
Teacher Education	227.8560	0	759.18	759.18	987.036
Total	212680.610	54438.57	755692.60	810131.17	1022811.78

*Includes Programme Management (MMMER)

7. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 499123.47 lakh as its share (Rs. 447805.65 lakh for Elementary, Rs. 50739.83 lakh for Secondary & Senior Secondary and Rs. 577.99 lakh for Teacher Education). The State would contribute Rs. 332748.98 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha State will also be able to utilise their unspent balances as on 31st March 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	413938.20	23310.19	455.51	437703.90
Non-recurring	33867.45	27429.64	122.48	61419.57
Total	447805.65	50739.83	577.99	499123.47

The Balance of the outlay (i.e. Rs. 212680.61 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 68757.12 lakh (Rs. 45539.03 lakh for Elementary, Rs. 23095.61 lakh for Secondary and Rs. 122.48 lakh under Teacher Education) keeping in view of the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

(a) Spill Over

An outlay of **Rs. 212680.61 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

Surrender: Reference to the spill over amount falling under various activities as above, the state has surrendered the construction activities approved under KGBV (Class IX-XII) building amounting to **Rs. 2257.24 lakhs**, and hence it has been adjusted against the total spill-over outlay. The details of surrender is enclosed at **Annexure IX**.

(b) Replacement of 58 schools approved under ICT @ School of "Samagra Shiksha"

The State has submitted the requisition to PAB for replacing the prior approval of 58 schools of Elementary, Secondary/Senior Secondary schools under ICT scheme with alternate schools replacing it. The same has been approved by the PAB and hence placed in **Annexure X**.

(c) Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.
