1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget(AWP&B) 2023-24 for SAMAGRA SHIKSHA for the UT of Jammu &Kashmir was held on 03.05.2023 through Video Conference. The list of participants who attended the meeting is at Annexure-I.

Section: I - UT Specific Initiatives, Review of Performance & Issues

Shri Sanjay Kumar, Secretary (SE&L), MoE welcomed the all the participants and invited Jammu& Kashmir to give a presentation on the status of School Education in the UT.**Shri Deep Raj, State Project Director** Jammu & Kashmir made a presentation.

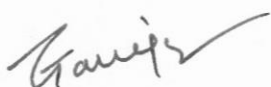

2. Initiatives of the UT

Pre-Primary Education has got much more emphasis during 2022-23. The major initiatives are:

- Under manpower support the UT has engaged 2891 helpers to support equal number of Pre-primary sections. The comprehensive guidelines have been developed for the engagement of these helpers at Grass-root level.
- The UT has a plan to upscale the manpower support so as to strengthen the Pre-primary sector in Government schools.
- The development of Model KGs under the UT initiative has been one of the measures taken during 2022-23. Under the initiatives more than 1000 Model KGs have been developed and equipped with the requisite infrastructure and other facilities.
- Awareness of communities regarding the significance of Pre-School education has been another best practice which the UT has successfully conducted. It was due to this that the enrolment at Pre-primary level has witnessed massive enrolment during 2022-23 under which more than 146,000 students got enrolled for Pre-primary against the 70559 students during 2021-22. The efforts are continuing and the target is to have the enrolment in every Pre-Primary section.
- The Department of School Education has developed a vibrant group of Master Trainers on ECCE most of whom have done their Diploma in ECCE through NCERT New Delhi. The expertise of these MTs were extended to Social Welfare Department, in training their Master Trainers. The Department utilise these master trainers to train AWWs.
- The Activity Book (**NanhayKadam**) developed jointly by Samagra Shiksha and Social Welfare Department for age groups 3-6 years has been implemented in all the AWCs of the UT.

Many initiatives have been taken at Samagra Shiksha level also to this effect, which especially include:

- Provision of Teaching Learning Material;
- Equipping institutions with requisite infrastructure;
- Empowering Girl students;
- Enhancement of enrolment in Government schools and Reducing drop-out rate;

- Capacity Building of teachers at mass level;
- Reform in evaluation

Digital Initiatives

The Scheme has essentially four components: -

- 1) The first one is the partnership with State Government and Union Territories Administrations for providing computer aided education to Secondary and Higher Secondary Government and Government aided Schools.
- 2) The second is the establishment of smart schools, which shall be technology demonstrators.
- 3) The third component is teacher related interventions, such as provision for engagement of an exclusive teacher, capacity enhancement of all teachers in ICT and a scheme for national ICT award as means of motivation.
- 4) Fourth one relates to the development of a e-content, mainly through Central Institute of Education Technologies (CIET), six State Institutes of Education Technologies (SIETs) and 5 Regional Institutes of Education (RIEs), as also through outsourcing.

Initiatives taken by Jammu and Kashmir UT:

- Jammu and Kashmir have taken the initiative of providing a computer lab with smart class facilities in all the 23283 Schools of the UT.
- Schools falling in educationally backwards blocks and those falling in the habitations of tribal areas have been selected for digital initiatives on priority.
- So far 1420 CAL Centers have been established at Upper Primary School level and 1588 ICT labs at Secondary/Higher Secondary Level and are functional till date.

Teaching-Learning Process:

- a) Providing quality education to the students in subject specific areas.
- b) Organizing online Brainwaves/Samvaad sessions/debates, seminars, quiz & cultural exchange programmes for the students which led to their overall development.
- c) Organizing online interaction with eminent personalities for motivation and career guidance from within the UT/country and outside the country.
- d) Organizing Capacity Building Programmes/workshops for teachers/masters/lecturers.
- e) Organizing online lectures for the schools where there is scarcity of subject experts/faculties.
- f) All the innovative and informative lectures/activities delivered/carried through are to be recorded and stored as e-resource for future use to benefit both the students & teachers.
- g) Samagra Shiksha J&K issues monthly calendar for carrying out various ICT based activities which are to be followed by every ICT/CAL School.

3. Review of Commitments and Expected Outcomes & Action Taken during 2022-23

S. No.	Commitments of the PAB 2022-23	Action by the UT
01	<p>Pending Civil Works: A large number of civil works are pending and shown as under progress or not started. The expenditure under civil works during 2021-22 was very slow below 50%. UT was asked to complete all pending civil works at the earliest and update the progress on PRABANDH Portal.</p>	<ul style="list-style-type: none"> • During 2022-23 about 800 different types of Civil works including Girls hostels, KGBVs, School buildings etc have been completed and construction of about 3300 different types of works are at different stages and shall be completed in the next 6 months. 2538 Workshave been completed out of sanctioned works. The expenditure under Civil works component for the current year remained Rs. 160 Crores (Including Spill over works), which is quite high as compared to previous years. • It is pertinent to mention here, that the Education department has a separate Engineering wing created few years back and the said Engineering wing has started the execution of maximum backlog works and it is expected that by this year, construction of most of the schools shall be completed. Further the progress of the Civil works stand updated on the Prabandh portal also. • JKUT is also proposing to surrender more than 600 different types of not taken up works of 2018-19 & 2019-20 during current PAB amounting to Rs. 67 Crores
02	<p>Gross Enrolment Ratio (GER) at Secondary/Higher Secondary level: Gross Enrolment Ratio (GER) as per UDISE+ 2019-20 at secondary level was 58.66 and at higher secondary level was 38.40 respectively. UT has improved GER by 1.17% as per UDISE+ 2020-21 at secondary level and improved by 11.69% at higher secondary level.</p>	<p><u>GER as per UDISE+ 2020-21:</u> Secondary = 59.83 Sr. Secondary = 50.09 <u>GER as per UDISE+ 2021-22:</u> Secondary = 60.54 Sr. Secondary = 53.51 UT has improved GER by 1.01% as per UDISE+ 2021-22 at secondary level and by 1.07% at higher secondary level.</p>
03	<p>Retention Rate: The retention rate at primary level (upto grade V) is 84% and elementary level (upto grade VIII) is 66% only. This is below the National average. The retention rate at Secondary level has increased by 7% from the previous years. The UT has to take initiatives for 100% retention of the children in the education system. The continued efforts and need based strategies are required to improve retention. The analysis suggests that there is large number of repeaters/dropouts at the upper primary level as compared to primary level.</p>	<p><u>As per UDISE+ 2020-21</u> Retention rate at Primary Level = 84% Retention rate at Elementary Level = 66% <u>As per UDISE+ 2021-22</u> Retention rate at Primary Level = 84% Retention rate at Elementary Level = 66.28% In order to improve the retention rate at elementary and Primary Level, J&K UT, has developed and launched SAMIKSHA - performance Feedback of Teachers by Students. It is web based and unique in nature. Besides, this STEER (Mentoring of Students) is being done and both the steps shall surely restore the confidence of parents & Students on the Education System in the state and will ensure to improve the retention rate. Moreover, over the last 02 years, there is increasing trend in enrolment and which reflects the faith of the Parents in Govt. Education System. Last year, there was hike of 17.34 % (2,17000) in the enrolment of previous year.</p>
04	<p>Review of Progress on PRABANDH Portal: UT was informed/asked that regular review and</p>	<p>Implemented and being done on regular basis.</p>

	monitoring of the updates with respect to financial and physical progress for Samagra Shiksha should be done at the State level on the PRABANDH portal.	
05	<p>Annual Average Drop-Out Rate: The annual average dropout rate at the secondary level in the year 2020-21 was 3%. However, it is important to note that the dropout rate among the ST children is still very high. It is also important to mention that the dropout rate in certain districts is very high in the district of Panipura (98.55), Kishtwar (8.27) at primary level, district with high drop out rate at upper primary level are Rajouri (6.52), Shopian (5.96). Similarly, at secondary level district of Ramban (27.28) and Kishtwar (12.10) respectively. To meet the target, UT should expedite community-based survey identifying issues for such drop out.</p>	<p><u>DROPOUT RATE AMONG ST CHILDREN</u> <u>Primary level (Drop Out rate)</u> <ul style="list-style-type: none"> • Kishtwar : Total =7.35 <u>Upper Primary Level (Drop Out rate)</u> <ul style="list-style-type: none"> • Rajouri : Total = 5.34 • Shopian : Total = 1.80 <u>Secondary Level (Drop Out Rate)</u> <ul style="list-style-type: none"> • Ramban : Total = 4.40 • Kishtwar : Total = 11.77 Regular monitoring and better facilities to the Students of the various Classes, besides introduction of various interventions, has helped in reduction of the drop out rate. Moreover, providing education at the Behaks (Dhoks) i.e. Seasonal centres during period of the migration of ST Children with their parents has also helped in reduction of Drop out rate of ST Students. 1873 Seasonal Centres are functioning in the UT of J&K, with enrolment of more than 36000 Children.</p>
06	<p>Surplus Teachers: There are 22% schools at Primary level and 6% schools at Upper Primary level with adverse PTR. In order to balance the PTR in every school, the UT should go for rationalization. All this could be done by the school level analysis using the latest UDISE data. There are more than 10,000 surplus teachers in the UT. The UT should start adequate deployment of teachers by ensuring that the specified pupil teacher ratio is maintained for each school.</p>	<p>Implemented: In J&K, School complex System has been adopted/implemented, where in 746 School Complexes have been notified as per NEP 2020, for optimum utilization of resources in a Complex. The rationalization of staff is being done and All the Institutions shall be provided. The motive is UT of J&K has rationalised the teachers within cluster by empowering Cluster Heads to make best use of men and material available within cluster. It has also helped to improve the PTR, especially at Primary and Elementary level. Moreover, most of surplus teachers have been adjusted against vacancies through online mode. In order to balance the PTR in every school, the UT has made the rationalization of teachers and the extra teachers from the over-served schools have been put in the deprived ones to ensure that there is no urban-rural imbalance in teacher postings.</p>
07	<p>Tagging of Seasonal Centres: The children of nomadic population who migrate during summer season from one place to another in search of green pastures needs seasonal centers to be established during its migration (age group of 6-14 years). In order to ensure that these children do not remain out of school during migratory J&K, UT needs to tag these seasonal centres with the nearest schools.</p>	<p>Implemented: Geo-Tagging of all the Seasonal centres has been done and mapped with the nearest School.</p>
08	<p>Vacancy in TEIs: Vacancy of academic positions in the 20 Functional DIETs is 46.40% with only 268</p>	<p>Vacancy of academic positions in the 20 Functional DIETs has been reduced to 35% with 262 faculties in</p>

S. No.	Commitments of the PAB 2022-23	Action by the UT
	<p>faculties in position as against a total sanctioned post of 500 (25 Academic posts per DIET). These vacant post needs to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.</p>	<p>position as against a total sanctioned post of 400 (20 Academic posts per DIET). 138 vacant posts shall be filled in Annual Transfer Drive.</p>
09	<p>KGBV: UT has not been able to operationalise 86 KGBVS of Type IV, which is an area of concern. Construction of 04 KGBV buildings not started yet under Type I and also 17 KGBV buildings not started yet under Type IV. Moreover, construction of 30 KGBV buildings not completed yet under Type I and 41 KGBV buildings not completed yet under Type IV. UT was asked to expedite construction of these above pending civil works at the earliest.</p>	<p>Out of the total of 87 Girls Hostels sanctioned (02 Surrendered), 05 Girls Hostel in the districts have been made functional.</p> <p>The construction of most of the Type-IV KGBVs (Girls Hostels) were put to execution through PW(R&B) Department and construction wing of the Society is in place for the last four years only. 34 hostel buildings have been completed and 41 buildings are at different stages of construction (out of which 16 are partially completed). 29 Girls Hostels shall be made functional during 2023-24 by ending June.</p> <p>Moreover, all the KGBVs (Type -1) are functional with different enrolments and as on date only 18 KGBVs type are functioning in rented accommodation, buildings of which shall be completed by during 2023-24.</p>
10	<p>Teacher Education: The UT of Jammu and Kashmir does not have a separate cadre for Teacher Education. As such the adjustment of posts in DIETs is done by way of inter-transferring of Joint Directors/CEOs/Principals/Lecturers from School Education to TEIs and vice-versa for tenure of two years. This frequent inter department movement of academicians, from one position to another and then back, has not facilitated the creation of a permanent and professional pool of Teacher Educators in the UT. Therefore, DIETs need to be provided with experienced Lecturers/teachers with minimum qualification of Master's Degree with B.Ed in order to enhance the quality of Education</p>	<p>Implemented. The experienced and expert Teachers with minimum qualification master Degree with B.Ed rather having Phd., have been adjusted in DIETs and SCERT. Policy has been framed, where the stay of Academician in DIET/SCERT has been kept as 5 Years, to enhance the quality of Education.</p>

4. Review of performance during 2022-23:

UT has secured a score of 834 in Performance Grading Index (PGI) and was placed in Grade II (actually Category V as no UTs are in the levels of 850 and above which form the first three levels). Domain-wise Gaps are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2018-19	132	55	105	199	212	703
2019-20	132	55	114	208	254	763
2020-21	132	61	133	197	311	834
Gap	48	19	17	22	49	155

UT was requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** There is a need to lay more focus on improvement of net enrolment in secondary level at both the level-lower secondary as well as upper secondary education. However, challenges remain in reducing regional disparities and in equalities among secondary school-age students from different socio-economic backgrounds.

UT was requested to analyse learning outcomes and provide interventions to improve learning outcomes of the students. More access to learning opportunities and to improve learning and skills at all level and protection for children in emergencies.

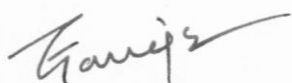

- b) **Access Outcomes (C-1, D-2):** UT has achieved maximum grade in Transition but 100% transition has not been achieved.

UT was requested to take steps to ensure 100% transition rate.

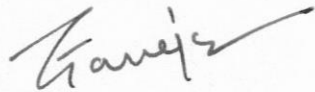

- c) **Infrastructure & Facilities (C-1, D-3):** UT needs to focus on providing uniforms to the students in time within three months of the start of academic year. Moreover, UT also needs to expedite distribution and providing free text books to students within a month of the start of the academic session. UT was advised to provide uniforms at the earliest well within the stipulated timeframe and to ensure timely delivery of text books before the start of academic session.

- d) **Equity Outcomes (C-1, D-4):** UT needs to ensure 100% functional CWSN friendly toilets in all Govt. & Govt. Aided schools and provision of Aids and appliances for CWSN.

UT was requested to focus on accessibility for CWSN in all schools.

e) **Governance Processes (C-2, D-1): Indicators requiring more focus are:** UT of J&K to focus more on average number of days taken by the government to release total Central share of funds to the society (2.1.16), to release total State share due to the UT society (during the given financial year), to improve percentage of training for govt. head-teachers/principals on School Leadership (SL) training in the given financial year (2.1.18) and to improve percentage of training for govt. head-teachers/principals on School Leadership (SL) training in the given financial year, to improve percentage of training for Govt. and Govt. aided teachers within the sanctioned number of days of training in the given financial year and to improve percentage of academic positions filled in state and district academic institutions SCERT/ SIE & DIETs)

- **Gross Enrolment Ratio (GER):** The enrolment percentage of children studying at Secondary level should be increased. UT would need to see where these 5 lakh children are going and focus on improving the enrolment percentage of children at government schools and strategise to attract children towards government schools at the secondary level.
- **Drop out:** A dropout trend is visible in Class VIII. UT is requested to look upon the data school wise in terms of data variation and work in coordination with UT Labour department and capture the data of students pursuing ITIs and polytechnic and capture them into the database.
- **Zero Enrolment:** In 2021-22, there are 806 (6%) at primary and 40 at upper primary level zero enrolment schools, UT is urged to think and take necessary decision to minimize it at the earliest.
- **Single Teacher Schools:** In 2021-22, there are 2328 (18%) single teachers schools at primary level which is much higher than the National Average of 10% so UT is requested to minimize it on a mission mode to come below the national average.
- **Infrastructure:** The boys & girls' toilet, drinking water facility, electricity and the libraries should be saturated in all the government schools especially in the aspirational districts.
- **Teacher Vacancies:** UT should have transparent transfer policy so that it should improve the PTR and vacant positions should be filled at the earliest.
- **Sports & Playground:** If the play ground facilities are not there in the schools than the UT should tagged these schools with the neighbouring schools which have playground facilities and report the data on UDISE+ so that the D/o SE&L will attach these schools to the nearby existing playgrounds.
- **ICT:** The ICT & Digital Initiatives should be chased and urgent steps should be taken to make it fully functional.
- **Financial Assistance for Tribal/Nomadic Students:** As stated by J&K, UT has more than 36000 Nomadic Children belonging to disadvantaged group, who are being provided Quality Education, as there is good chunk of Population of Tribals in the UT. For the sustainability of their Education, during their migration to Dhokes(Upper reaches of Mountains), Seasonal Volunteers are engaged for 06 Months only @ Rs 10000 /month, as there are no Special Tribal Schools and the Teachers of the Schools, where they remained mapped for rest of Season & exams, could not be spared to visit the Dhokes. As per norms, only Rs. 0.03 Lacs is sanctioned per Student, which is insufficient to mangle (TLE, Tents, First Aid Box etc) & Honorarium to be paid Seasonal Volunteers, hence as per past practice, it may kindly be revised as Rs. 0.06 Lacs per Student, so that they may have access to education. The PAB chair has agreed on it as a special case.

- **RTE: Text Books:** Since, for the last many years, the cost of Text Books is Rs. 250 for Classes (3rd to 5th) and Rs. 400 for Classes (6th to 8th), which needs to be revised as Rs. 400 & Rs. 600 respectively, so that Quality Paper Text Books may be provided to Students through JKBOSE.

Uniforms: The cost of Uniform Rs. 600 for two sets of Uniform, in J&K being given to Students through DBT mode, which is very less and may kindly be revised as Rs. 1200 (i.e @Rs. 600 per Set of Uniform). The chair informed them that we will make it friendly after due consultation with all the States and UTs after due approval in the EFC.

Section: II- Financial Estimation

6. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring *(Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	6
Elementary	21467.393	19011.52	104443.56	123455.08	144922.473
Secondary	55739.657	18978.71	24292.9	43271.62	99011.277
Teacher Education	2335.76	140.8	1184.2	1325	3660.76
Total	79542.81	38131.03	129920.67	168051.7	247594.51

*Includes Programme Management (MMMER)

7. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the UT Government, Rs.172160.13 lakh as its share (Rs.107694.57 lakh for Elementary, Rs. 61863.61 lakh for Secondary & Senior secondary and Rs.2601.95 lakh for Teacher Education). The UT would contribute Rs. 19128.90 lakh as its state share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	92694.57	21863.61	1065.78	115623.96
Non-recurring	15000.00	40000.00	1536.17	56536.17
Total	107694.57	61863.61	2601.95	172160.13

The Balance of the outlay (i.e. Rs. 79542.81 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 46434.60 lakh (Rs.7742.43lakh for Elementary, Rs. 37282.72 lakh for Secondary and Rs. 1409.45 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The UT should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the UT shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of SamagraShiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

In case of ineluctable needs, the targeted locations for approved Samagra Siksha interventions can be modified up to 10% of the total allocations by the State/UT without any change in the financial costs. *For Example- If the intervention of 100 Smart Class have been sanctioned to 100 schools, the location of 10 schools may be changed to other schools by States/UTs, subject to the conditions that new schools (Schools in which smart class is now provided) are fulfilling the Samagra Siksha Norms/criteria of sanction of Smart Class.*

Also, the modified locations should not amount to more than 10% of the total financial approval for the given activity as well. It is noteworthy that the location should be changed only when it is not possible to implement that activity at the approved location. While

Ganejs

changing the location of any interventions, the norms of Samagra Siksha for that particular intervention should be strictly adhered to. Any change in this connection, should be informed to the Department with proper justification and supporting documents.

Further, wherever States/UTs involve/engage a third party or organisation for the implementation of a programme/intervention/activity approved under the Samagra Shiksha Scheme, the complete responsibility for such involvement/engagement of the third party with reference to financial/legal or any other implications will rest with the

respective State/UT only. Approval of any activity under Samagra Shiksha Scheme for which third party has been engaged by the State/UT does not tantamount to any endorsement (financial/legal and any other) by the Ministry of Education for the involvement/engagement of such third party or organisation.

8. Spill Over

An outlay of **Rs.79542.81lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

9. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The UT must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, UT needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.

Access & Retention	Opening of New / Upgraded Schools	3.0	Opening of New / Upgraded Schools - NR (Secondary)								
		3.0.1	1 Section School (Class IX - X)	1	140.40000	140.4	1	140.40000	140.4	Recommended the proposed school for upgradation. The area near the MS Sawalkote School is forested and has hilly and difficult terrain. Further, there is also an issue with GIS mapping of the district as the map shows the nearest secondary school of another district in the vicinity of 5km as the school of the same district. Hence, as per the pre-pab discussion, the UT has to submit the correct gis mapping for the proposed school along with the undertaking. As per the information submitted by State, the nearest Secondary school is available at a distance of 7km and enrolment is available as per norms. The recommendation is given on receiving all the above due facts. Further, UT is requested to make already approved 10 secondary schools functional.
