

PREFACE

India has one of the largest proportions of population in the younger age groups in the world. Approximately a third of the population of the country accounts for persons of less than 18 years of age.

The publication titled 'Results of Secondary and Higher Secondary Examinations' is the collective effort of Department of School Education and Literacy, Ministry of Education along with all the Central and State Secondary and Higher Secondary Examination Boards of the country, both regular and open. The information is disseminated with a view of having a holistic dataset reflecting the Board Examination Results for both secondary and higher secondary levels covering all the education boards of the country.

In the current publication, 49 tables have been presented for the year 2019 covering Annual and Supplementary Examination Results - Regular and Private Students as well as results of Open Boards for All Social Groups, Scheduled Castes and Scheduled Tribes. In all, results have been received from 60 Examination Boards, 51 boards for regular and private students and 9 open boards. All the 3 central boards, 2 for regular and private students and 1 for open school students, conducted both secondary and higher secondary examination. 37 state examination boards conducted both secondary and higher secondary examination, another 10 state boards conducted only secondary examination and 10 state boards/ councils conducted only higher secondary examination. More than 1.93 Crore students appeared in secondary and more than 1.51 Crore students appeared in higher secondary examination in 2019.

The summary data includes information on total number of students appeared in examination, number of students passed and number of Students passed with 60% or above marks. It is expected that the results would be useful for the planners, policy makers, researchers, educationalists, academicians, students and the general public. Users of the report are requested to send suggestions for improvements of the report at the email id mentioned on the cover page.

Data Highlights

The Department of School Education and Literacy assimilates data received from the examination boards of the country and brings out the publication titled ‘Results of Secondary and Higher Secondary Examinations’ with a view of having a holistic dataset reflecting the Board Examination Results for both secondary and higher secondary levels covering all the education boards of the country.

In the current publication, more than 45 tables have been updated in tabular form for the year 2019 covering Annual and Supplementary Examination Results - Regular and Private Students for All Social Groups, Scheduled Castes and Scheduled Tribes. Results of National Institute of Open Schooling (NIOS), 7 Secondary Open Boards of States and 8 Higher Secondary Open Boards of States have also been incorporated as before. The summary data includes information on total number of students appeared in examination, number of students passed and number of Students passed with 60% or above marks.

Some of the data highlights are presented below in the form of a few Statements.
