### Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) FY 2025-26 for SAMAGRA SHIKSHA for the UT of Jammu & Kashmir was held on 15<sup>th</sup> March, 2025 at Conference Hall (112 – C), Shastri Bhawan, New Delhi. The list of participants who attended the meeting is at *Annexure-I*.

### Section I: Discussion on Educational Indicators and Overall Progress

Shri Sanjay Kumar, Secretary (SE&L) welcomed the participants and invited Economic Advisor, Ms. A. Srija for a presentation on the status of School Education and progress under major interventions of Samagra Shiksha in the UT of Jammu & Kashmir, in past years. The PPT is annexed. The following are the major action points for States/UTs emerged from the discussion and deliberations during the presentation:

- 1) **Pending non-recurring expenditure:** With respect to previous non-recurring approvals, for which no action has been taken up by the state/UT over the years, it was reiterated that these are committed liabilities which would become a liability for the state/UT after a point of time i.e., up to 5 years after the approval. UT was urged to come up with a concrete plan of action for completing the not started works within the time frame or for surrendering the not started work and coming back with a fresh rationalized plan for the non-recurring works. In this regard, it was informed that in some states, the responsibility for finishing the non-recurring tasks has been essentially assumed by the School Management Committee. Additionally, UT was instructed to update the status of non-recurring works on the PRABANDH portal on a regular basis to prevent any discrepancies in data reporting.
- 2) **Saturation of basic schooling facilities:** Various facilities have been provided to schools to ensure universal access to schooling. As decided in the 3<sup>rd</sup> Chief Secretaries Conference, the focus should be on saturation these facilities i.e., portable drinking water, electricity, girls' and boys' toilets, etc., by 31<sup>st</sup> March 2025. For access to sports field, it is suggested that a mapping at the Panchayat level can be done on how many schools have access to a sports field and accordingly provision at the cluster level may be considered wherein children can be fixed in batches for going to the sport field.
- 3) **Saturation of Internet facility, Computer Labs, Smart Classrooms & Subject specific Labs:** The chairperson emphasized on attaining saturation levels in provisions of Internet facility, Computer Labs, Smart Classrooms & Subject specifics lab by identifying the gap through UDISE+. UT was urged to identify the areas/districts which have poor coverage in these components and ensure saturation in a timely manner.
- 4) **Skill Education:** The National Education Policy 2020 states that all students, particularly those in secondary stage of schooling, need to undergo skill education. However, States and UTs were therefore urged to reevaluate these previous approvals in light of the changing job roles and develop a list of proposed new roles that would be created in accordance with the requirements.

स्कूल शिक्षा और साक्षरता विभाग / Div. School Education and Literacy  
शास्त्री भवन, नई दिल्ली / Shastri Bhawan, New Delhi-110001

- 5) **Inclusive Education for children with Special Needs (CwSN):** As per Gazette Notification S.O. 4586(E) dated 21st September 2022, States and UTs are required to adhere to the recommended Pupil-Teacher Ratio (PTR) for Special Educators. In the case of the UT, Children with Special Needs (CwSN) constitute 1% enrolment out of the total student enrolment. Further, there is a significant decline in the percentage share of CwSN across almost all grades from Class 8 onwards and as per UDISE+ (2023-24) only 4.8% of teachers have been trained in inclusive education. There are a total of 97 Special Educators in the UT, including those posted at Block Resource Centres (BRCs) under Samagra Shiksha. In terms of accessible infrastructure, out of 24296 schools, 10254 (42.2%) are equipped with ramps, 1660 (7%) have CwSN-friendly boys' toilets, and 1329 (6%) have CwSN-friendly girls' toilets.

Therefore, it is advised that the screening, identification, and certification processes should be expedited in convergence with relevant line departments, and children must be accurately mapped in UDISE+ under their correct category of disability. UT is also encouraged to actively use the PRASHAST App for early screening of children. In addition, the number of block-level identification camps has been enhanced this year (two camps per block), therefore, it is important that these camps are conducted within the stipulated timeframe, ensuring maximum coverage of children.

Moreover, UT should prioritize the training of general teachers in inclusive education, preferably through RCI-approved Bridge Course, to build a more supportive and inclusive classroom environment.

- 6) **Establishment of Vidya Samiksha Kendra (VSK):** Vidya Samiksha Kendra is being established centrally as well as across the country for improved monitoring of activities and learning outcomes. States and Union Territories that are still in the process of establishing the VSK may expedite.
- 7) **Kasturba Gandhi Balika Vidyalayas (KGBVs):** Kasturba Gandhi Balika Vidyalayas (KGBVs) offer a significant opportunity to empower underserved girls and first-generation learners among girls. Instead of the existing four types of KGBVs, it was observed that the focus should subsequently be on one type of KGBV i.e., the Class 6 to 12 type. Ideally, a KGBV should only be a hostel tied up with a K-12 school. Accordingly, UT was advised to prioritize the strengthening of KGBVs on similar lines.
- 8) **Social Audit:** It is clarified that the expenditure for conduct of Social Audit will be met from the MMMER funds (up to 0.5%) and in case flexibility is required in the budget limit proposed, states and UTs may write to the DoSEL for possible amendment. Further, due to challenges faced by the States and UTs in identifying and selecting SAUs, it is informed that the option of educational institutes based on NAAC rating for conducting Social Audit in schools may be explored, in case there is no feasibility of signing MoU with SAUs. The department will also be reviewing the progress of Social Audit on a half yearly basis, in which representatives of States/UTs and SAU, institute(s) etc., may participate.

शास्त्री भवन, नई दिल्ली/Shastri Bhawan, New Delhi-110001

- 9) **Financial Support to manpower in Residential schools/Hostels** – States/UTs are running residential schools/ hostels particularly KGBVs/NSCBV under Samagra Shiksha scheme. Financial support to salaries is provided to staff of the Residential hostels/Schools under Samagra Shiksha. Although the central share for salaries is capped it is clarified that states may provide additional funds for manpower support apart from the PAB approvals from their State Funds.

## Section II: State/UT Specific Issues

- 1) **School size and single teacher schools:** Out of the total 18785 government schools in the UT, there are 65 schools (62 Primary & 3 Upper Primary) with zero enrolment, 5073 primary schools are with less than 30 enrolment and 1597 schools are with less than 15 enrolment. In addition, the number of schools with adverse PTR at the primary level is 16.0%. UT was requested to look at the number of schools with adverse PTR and the reasons of low enrolment and be identified and address on priority including the rationalisation of teachers.
- 2) **Enrolment Indicators - GER and NER:** The UT has 77.32% government schools out of the total number of schools. However, a matter of concern is that only 54.06% of students are enrolled in these government-run schools. Therefore, it was highlighted that enrolment in private schools is higher in comparison to government schools. Further, the UT was advised to prioritise the improvement of the Gross Enrolment Ratio (GER) and Net Enrolment Ratio (NER) at the Higher Secondary level in the coming years.
- 3) **Percentage of Schooling Facilities (Government):** Out of the total 18785 government schools, only 3304 (17.6%) schools have solar panel installed. Further, there are very few secondary/senior secondary schools without ICT/Computer Lab, Smart Classrooms & Subject specific labs in the UT. Therefore, it was suggested that these gaps can be saturated this year only. Accordingly, UT was advised to identify the gaps through UDISE+ and propose these schools in the current year AWP&B for the consideration by the board.
- 4) **Status of APAAR ID Creation:** Till 13<sup>th</sup> March 2025, against the total set target, only 50% students have generated APAAR ID. UT was requested to expedite the APAAR ID generation.
- 5) **Skill Education:** Based on the UT's proposal in different years, a total of 1869 schools have been approved for skill education under Samagra Shiksha. Out of these approved schools, the UT has been able to implement skill education in 1621 schools only. Further, the current school coverage stands at only 72.19%, with implementation across 15 sectors (Apparel, Agriculture, Automotive, Beauty & Wellness, Electronics & Hardware, Healthcare, Retail, Information Technology and Tourism, Media & Entertainment, Plumbing, Power, Private Security, Sports & Physical education, Telecom and Tourism & Hospitality). The UT was advised to extend the coverage of skill education to the uncovered schools and students by introducing appropriate sectors and job roles.

- 6) **Cumulative Budget & Expenditure:** An analysis of the budget and expenditure over the last five years indicates that in the financial year FY 2024–25, the UT has been able to utilise only 69.90% of the total available funds, while the percentage of budget utilisation against the approved outlay stands at only 55.38%. The UT was requested to prioritise the release of the 3<sup>rd</sup> and 4<sup>th</sup> instalment by ensuring the expenditure of the available funds on time.
- 7) **Outstanding advances:** As on 01/03/2025, UT has reported outstanding advances of in total 0.3411 cr. Therefore, UT was advised to liquidate the outstanding advances at the earliest.
- 8) **Submission of Annual & Audit Report:** The UT has not submitted the Annual Report and Audit Report for the financial year 2023–24. The UT was instructed to submit the pending reports to the Department at the earliest and to ensure that such delays do not occur in the future.
- 9) **Distribution of Proposal for AWP&B:** Out of the total budget proposed by the UT for the financial year 2025–26, 68% of the proposal is allocated for activities at the elementary level, 31% for the secondary level, and only 1% for teacher education. UT has a balanced distribution of proposal for elementary and secondary head. However, there is disparity with allocation for teacher education head. Therefore, the chairperson suggested that efforts should be made to carry out more activities for Secondary Education and Teacher Education. The chairperson further suggested that an ideal ratio of 65:25:10 be targeted for expenditure in EE, SE and TE.

### Section III: Financial Estimation

#### 1. Total Estimated Budget (FY 2025-26)

The estimates for the AWP&B for FY 2025-26 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

| Head              | Spill over | Non-Recurring (Fresh) | Recurring * (Fresh) | Total Fresh (3+4) | Grand Total (Including Spill-Over) (2+5) |
|-------------------|------------|-----------------------|---------------------|-------------------|------------------------------------------|
| 1                 | 2          | 3                     | 4                   | 5                 | 6                                        |
| Elementary        | 32821.55   | 29140.59              | 72634.08            | 101774.67         | 134596.22                                |
| Secondary         | 37805.36   | 27629.04              | 23999.41            | 51628.45          | 89433.81                                 |
| Teacher Education | 2596.64    | 150.00                | 1215.00             | 1365.00           | 3961.64                                  |
| Total             | 73223.56   | 56919.63              | 97848.49            | 154768.12         | 227991.67                                |

 शास्त्री भवन, नई दिल्ली/Shastri Bhawan, New Delhi-110001

## **2. Actual Release by GOI during FY 2025-26**

The total annual work plan is approved for Rs. 227991.67 lakh, including spill over of Rs. 73223.56 lakh.

**The breakup of the funds for this approved budget is as follows:**

- i. Central share to be released in FY 2025-26 is **Rs. 139466.00 lakh.**
- ii. Corresponding UT share to be released in FY 2025-26 is **Rs. 15496.00 lakh.**
- iii. Opening Balance available as on 01.04.2025, as informed by the UT is **Rs. 52858.30 lakh.**

This Central share is as per the existing fund sharing pattern of Samagra Shiksha i.e. 90:10 for UT of Jammu & Kashmir. UT will also be able to utilise their unspent balances as on 31st March, 2025 for the activities approved in FY 2025-26 including spill over.

As per Section 7(5) of the RTE Act, 2009, the State/UT Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State/UT share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2025-26. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State/UT should invariably provide Single Budget Head during 2025-26 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to DIET etc. will be through State Nodal Account of Samagra Shiksha of UT.

3. **Spill Over:** An outlay of **Rs. 73223.56** lakh as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2024-25. The detail is enclosed at **Annexure II.**
4. **Surrender of activity:** UT has not proposed any surrender work for the FY 2025-26.
5. **Costing Sheet:** The consolidated item-wise estimate for 2025-26 is at **Annexure III.** The State/UT must bifurcate the annexed costing sheet among all the districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each

*(Signature)*

activity/component approved under Samagra Shiksha. Also, State/UT needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

6. The PAB has approved the above activities for the UT during F.Y. 2025-26 subject to the following conditions:

- i. The PAB has approved the said interventions based on the proposals submitted by the State, but it will be the responsibility and liability of the respective UT to ensure that the expenditures are in line with Govt. of India guidelines.
- ii. There should be no duplication of activities and beneficiaries between Samagra Shiksha and other schemes.
- iii. Components which fall under the purview of the Department of WCD, or other Ministries/Departments must be carried out in convergence and accordance with respective Ministries/ Departments.

The meeting ended with a vote of thanks to the Chair.

State has provided list of identified students in 3 hostels, 2 in Rajouri and 1 in Pulwama district. To mitigate the dropout rate and in view of geographical conditions and children coming from far flung areas, recommended @Rs. 2400 per child per month for 300 students subject to making hostels functional by April 2025. |
