## 1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2025-26 for SAMAGRA SHIKSHA for the State of Telangana was held on 15.03.2025 at New Delhi under the Chairmanship of Shri Sanjay Kumar, Secretary, Department of School Education and Literacy (DoSEL). The list of participants who attended the meeting is at *Annexure-I*.

### Section I Discussion on Educational Indicators and Overall Progress (Telangana)

Shri Sanjay Kumar, Secretary (SE&L) welcomed the participants and Dr. Amarpreet Duggal, Joint Secretary (C&M), DoSEL, to make a presentation on the implementation of Samagra Shiksha Scheme and the status of School Education of Telangana. Following are the major observations / action points from the discussion and deliberations during the presentation:

- a. **Enrolment in Govt. Schools:** - As per UDISE+ 2023-24, out of 42,901 schools in the State, 70% (30,022) are Government schools and 28.26% (12,126) are unaided schools. However, total enrolment in Government schools is only 38.11% (27.8 lakh) as compared to 60.75% (44.31 lakh) enrolment in unaided schools. Enrolment trend during 2018-19 to 2023-24 suggests that except during 2021-22 (COVID19) enrolment in unaided schools is steadily increasing. Secretary (SE&L) expressed concern that in spite of substantial funding and expenditure, students are moving away from Government schools, which is a disturbing trend. He suggested that State should make a sincere analysis of the root cause so as to take remedial steps and reverse this trend.
- b. **GER & NER:** - Although Gross / Net Enrolment Ratio during 2023-24 are better as compared to previous year at Primary, Upper Primary, Elementary and Secondary levels, both GER and NER are lower at Higher Secondary level. State was advised to address the issue and take initiatives such as district-wise analysis of data for reducing the gap between GER and NER at all levels, especially at Secondary and Higher Secondary levels. It was also suggested that children who fail in Grades 10 & 12 need to be tracked, to get them admitted to NIOS.
- c. **Dropout Rate and Transition Rate:** - Annual Average Dropout rate in 2023-24 has decreased across all levels as compared to the previous year. Similarly, in 2023-24, transition rate from primary to upper primary level and elementary to secondary level has improved, but a drop of 5 percentage points has been witnessed from secondary to senior secondary level. Secretary (SE&L) suggested that State should work out a plan for upgradation of schools that are up to Class 10 to Class 12, which may address the drop-in transition rate.
- d. **School Size / Single Teacher School:** - In 2023-24, number of schools with zero enrolment have gone up as compared to previous year. Similarly, number of single teacher schools has also gone up in 2023-24 as compared to previous year as also the number of schools with less than 15 enrolment and less than 30 enrolments. Secretary (SE&L) suggested that a district-wise rationalization exercise needs to be undertaken to appropriately address these aspects.

- e. **Gross Access Ratio (GAR):** - It was noted that GAR for Primary, Upper Primary and Secondary levels are 98.34, 91 and 91.84. State was advised to look into the GAR at Senior Secondary level, which is only 64.23.
- f. **Inclusive Education:** - It was noted that only 1 % of the total students are Children with Special Needs (CwSN). However, share of CwSN in Pre-Primary to Class-4 are less than 1%. State was advised to intensify its efforts for identification of CwSN so that no such child is left out. Further, share of CwSN students fall after Class-10. State was advised to look into the reasons and to take corrective measures. State was also advised to ensure that students enrolled in Class-I are supported to continue their education till Class-XII. Further, State should analyse data related to different types of disabilities and ensure the provision of effective learning facilities according to the needs of CwSN.
- g. **Pendency in Infrastructure facilities-** State was advised to ensure saturation of girls' / boys' toilets, electricity, drinking water / hand wash facilities during the current year. State was also advised to explore convergence with other schemes such as those implemented by Ministry of Rural Development, Ministry of Panchayati Raj etc.
- h. **Vacancies in TEIs:** - Vacancies in SCERT and DIETs during 2024-25 have come down as compared to previous year. However, more than 50% vacancy in DIETs is still a concern. State informed that necessary steps are being taken to address the issue of teachers' vacancy both at schools and TEIs.
- i. **Residential Schools / Hostels:** - It was observed that there is no vacant seat in the functional KGBVs and NSCBVs. State was advised to consider upgradation of KGBV upto Class 12. It was noted that out of 38 sanctioned NSCBV, 05 (five) NSCBV are yet to be functional. State was advised to take necessary steps to make these 05 (five) NSCBV functional at the earliest. However, in case, it is not feasible to make them functional, State may consider surrender.
- j. **ICT Labs / Smart Classrooms:** - Secretary (SE&L) expressed his concerns over the high pendency in establishment of ICT labs and smart classrooms. State was advised to complete the ICT labs and smart classrooms on priority. Concerted efforts should also be made for achieving saturation in internet connectivity, especially in secondary and senior secondary schools, in the current year.
- k. **Out of School Students:** - State was advised to carry out thorough survey and identify / mainstream every out of school child to achieve / maintain 100 percent GER at all levels.
- l. **Skill Education:** - There is substantial pendency in the setting up of skill education laboratories. Secretary (SE&L) suggested that the State should re-evaluate the existing job roles in light of the changing needs of the job market.
- m. **Funds Utilization:** - Expenditure during 2020-21 to 2024-25 was in the range of 69 % to 92.33 % of the total available funds. Secretary (SE&L) advised that State should make efforts for 100% utilization of available funds. State should draw a comprehensive plan to complete the pending infrastructure for better utilization.

approved non-recurring funds, which are being carried over from past few years. In case any of the approved works is not required at present or not yet started, State should consider immediately surrendering such works/funds.

- n. **Re-working the budget proportions under the three components (EE, SE & TE):** Secretary SE&L observed that the budget and expenditure under the Elementary Education, Secondary Education and Teacher Education heads needs to be re-worked with a focus on expanding access and capacity in both secondary and teacher education. Current budget allocation of the State demonstrates an imbalance, with 73.83% towards Elementary Education (EE), 24.86% towards Secondary Education (SE), and a mere 1.31% towards Teacher Education (TE). To address this disparity, State was advised to gradually work towards reallocating the budget in the ratio of 65:25:10 for EE, SE and TE.
- o. **Approvals under the scheme are strictly for various interventions under the ambit of Samagra Shiksha framework:** State is advised to avoid any individual/vendor specific proposal. Due procedure of procurement as laid down as per the extant guidelines, Samagra Shiksha Manual of Financial Management and Procurement needs to be followed by the State for hiring of goods/services including utilization of GeM portal.

**Section II**  
**Financial Section: 2025-26 (Telangana)**

**1. Budget Estimates for 2025-26**

Approved estimates for the AWP&B for 2025-26 under Elementary, Secondary and Teacher Education are as under: -

(Rs. In Lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring (Fresh) *	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	6
Elementary Education	18233.11	7006.00	108122.65	115128.65	133361.76
Secondary Education	12666.31	1428.90	30802.14	32231.04	44897.35
Teacher Education	946.77	--	1416.35	1416.35	2363.12
<b>Total</b>	<b>31846.19</b>	<b>8434.90</b>	<b>140341.14</b>	<b>148776.04</b>	<b>180622.23</b>

\*Includes Programme Management (MMMER)

**2. Releases by GOI during 2025-26**

Against the above estimates, the Central Government will provide, to the State Government, Rs.98451.48 Lakh during the year 2025-26 as its share (Rs.73089.85 Lakh for Elementary Education, Rs.24214.96 Lakh for Secondary Education and Rs.147.47 Lakh for Teacher Education).

for Teacher Education). The State shall contribute Rs. 65634.33 lakh as its matching share. State will also be able to utilize their unspent balance as on 31.03.2025 for the activities approved for 2025-26 including spillover.

Based on the demand of funds projected for 2025-26, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)				
Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	64873.59	18481.28	849.81	84204.68
Non-recurring	8215.46	5733.68	297.66	14246.80
Total	73089.05	24214.96	1147.47	98451.48

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall, after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise activities pertaining to Elementary, Secondary and Teacher Education and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2025-26. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State has been repeatedly informed about the compliance of the guidelines of Ministry of Finance for release of funds under CSS. The State shall strictly adhere to the implementation of the new financial architecture where CSS funds are being released in 4 instalments, while ensuring 75% expenditure at each stage. Submission of proposals should be well within time to ensure maximum disbursement of funds from GOI. In case of delay in compliance of the necessary guidelines, the State may not be able to receive the earmarked funds.

The State should invariably provide Single Budget Head during 2025-26 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

### 3. Spill Over

An outlay of **Rs. 31846.19 Lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was approved with the condition that all pending activities should be completed during this year 2025-26.

Further, PAB approved the proposal of the State to surrender spillover activities worth Rs.7221.41 Lakh. Details are at Annexure II.

#### 4. Costing Sheet

The consolidated item-wise estimate for 2025-26 is at Annexure III. The State must bifurcate the annexed costing sheet among all the districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Further, State also needs to ensure timely implementation of the various interventions as per the annual calendar of activities submitted.

The PAB has approved the above AWP&B for the State during F.Y. 2025-26 subject to the following conditions:

- a) It is reiterated that although PAB has approved the said interventions based on the proposals submitted by the State, it will be the responsibility of the State to ensure that the expenditure is in line with Govt of India guidelines.
- b) There should not be any duplication of activities and beneficiaries between Samagra Shiksha and other schemes.
- c) Components which fall under the purview of other Ministries/departments must be carried out in convergence and accordance with the guidelines / instructions issued by respective Ministries / Departments.

The meeting ended with a Vote of Thanks to the Chair.
