3. APPRAISAL ISSUES- 2016-17

- a. While appreciating the efforts of the State, PAB noted the following:
 - i. The State will rationalize teachers' deployment in Primary and Upper Primary Schools, so that there is no single teacher school and schools have PTR as per norms under the RTE Act, 2009.
 - ii. State will close down all zero enrollement schools.
 - iii. The State will make Pota schools as regular schools and recognize them as regular schools.
 - iv. While evaluating the schools' question paper (for students) it should be prepared centrally and another set of teachers will prepare the question paper for other schools.
 - v. There should be Aadhar linked child tracking system in the State.
 - vi. State will cover hundred percent schools to measure the learning outcomes for each class of each school.
 - vii. State is encouraged to explore funding for activities through convergence from other Ministries like Ministry of Rural Development; Ministry of Drinking Water and Sanitation; Ministry of Health and Family Welfare; Ministry of Tribal Affairs; Ministry of Social Justice and Empowerment; Ministry of Minority Affairs; Ministry of Urban Development; Ministry of Science and Technology; Ministry of Culture and others.
 - viii. Secretary (SE&L) showed concern about the low scores of the State in National Achievement Survey (NAS) for Maths in Classes III, V and VIII. He suggested that these results need to be analyzed in detail by conducting State Level Surveys to assess the reasons for low scores and accordingly devise training of teachers in these subjects.

- ix. PAB also suggested separate head master cadre in the state.
- x. State will converge with Panchayati Raj system for maintenance of toilets.

The specific issues highlighted during the appraisal of the State AWP&B are given below:

i. Educational Indicators

- The retention rate is low in primary (89) and in elementary (77). The retention rate is low in Dantewada (60), Narayanpur (69) at primary level.
- There are 4362 (14%) primary and 2112 (16%) upper primary schools in Chhattisgarh having high PTR.
- The lowest transition rate has been observed in Sukma (76), Narayanpur (77) districts.
- The single teacher school at primary level is 1960 (6%) and upper primary level is 532 (4%). There are more than 33,453 surplus teachers. The State needs to rationalize existing teachers.
- Some of the districts have shown low NER at upper primary level i.e. Sukma (50), Bijapur (52), Dantewada (55), Narayanpur (63) which is much lower than the state level (82).
- The enrolment has declined by 7% at primary level and 2% at upper primary level in government and aided schools from last year.

ii. Access & Special Training for Out of School Children

- State has conducted GIS mapping of schools. As per NIC report GIS data has been shared for 52,326 schools out of which data of 51,982 schools was found correct (97%) and data of 344 schools was incorrect. Moreover, geo coordinates of 1,453 schools are not shared with NIC. State has submitted its new data on 29.02.2016 which is under process.
- All primary and upper primary schools of tribal welfare department have been brought under the control of school education department from 1st of April 2015. Management of residential facility of Ashrams and hostels are under tribal welfare department and academic part is with school education department.
- There are 355 Primary and 68 Upper Primary Schools without building in the State. They are reportedly running in temporary huts.
- Census 2011 has reported 63 thousand child labours in the state. State needs to plan for identification and coverage of child labour, street children and children of Nomadic Families, etc.
- Study by Labour Commissioner-UP on various dimensions of Child labour has been shared with the state.

- Large numbers of residential facilities are sanctioned to the state under SSA. State is suggested to assess / evaluate the impact of these facilities on universal access and enrolment. Similarly, information about safety security measures being in place in these residential facilities may also be provided.
- Census 2011 has reported 6.05 lakh out of school children, IMRB (2014) estimated 1.67 lakh and state is reporting 36 thousand out of school children. The number appears to be underestimated. Educational Indicators such Drop out (2.72 at primary) and NER (96.36 primary and 82.38 upper primary) etc, also indicate a higher number of out of school children.

iii. Quality

- State has developed Bridge material for tribal children for classes 1-5 in six different tribal languages namely Halbi, Gondi, Shadri, Sargujia, Kadokh.
- State has rationalised the schools due to which there has been decrease of **2364 schools** in the number of schools.
- Rationalization has shown in the decline in the enrolment of children to the tune of 1.049 lakh children. This has amounted to decrease in funding of Rs. 457.60 lakh in uniform and 168.02 lakh in Textbooks.
- State has not been able to complete SLAS for 2013-14, 2014-15.

iv. KGBV

• After examining the proposal it has been observed that out of 93 KGBV buildings only 17 buildings are 10 year old buildings which are eligible for major repairs. The KGBVs are Government residential schools. PAB may like to take a view in this regard since there is no fund provision for repairing of KGBV buildings as per norms contained in SSA framework.

4. EXPECTED OUTCOMES

In the PAB meeting the following specific outcomes have been agreed to:

- i. It is expected that over the next three years all out-of-school children will be in school. For the year 2016-17, State has identified 36511 **Out of School Children (OoSC)** and it has committed that at least 1610 children out of these will be enrolled in schools during 2016-17.
- ii. **Dropout rate** will be reduced from 0.1 (in 2015-16) to 0.00 (in 2016-17) in respect of Primary schools and from 1.0 (in 2015-16) to 0.8 (in 2016-17) in Upper Primary schools.
- iii. Child wise database (using Aadhar wherever available or any other unique Id for every child) within 2016-17 may be prepared to monitor their premises and to track out of school children.
- iv. State will implement **Shaala Siddhi** (**Basic**) guidelines for implementation of the programme will be provided by NUEPA.
