### 3. ACTION TAKEN ON COMMITMENTS GIVEN BY THE STATE FOR 2017-18

The progress made in implementing the commitments given by the State in 2017-18 was reviewed. The status in respect of some of the major commitments are as follows:-

S No	Commitments	Action Taken
i	State would document their best practices and initiatives and subsequently upload it on the SSA ShaGun portal. This would enable the State to showcase its successes and would provide a platform for all States to learn from each other.	State has documented 21 Good practices & success stories, 4 testimonials, 17 videos, 125 images under various interventions and they are reflected on the Repository of ShaGun Portal. It was further advised that these may be continuously updated.
ii	For the year 2017-18, State identified 47139 Out of School Children (OoSC) and it committed that at least 39873 children out of these will be enrolled in schools during 2017-18.	<ul style="list-style-type: none"> <li>• 7684 OoSC (6 to 8 Yrs) have been enrolled in school in age appropriate class in August 2017.</li> <li>• 7862 OoSC have been directly enrolled in age appropriate class during enrolment drive 2017.</li> <li>• 20688 OoSC have been covered in STP (12 month).</li> <li>• A total of 36,234 OoSC have been enrolled in schools.</li> </ul>
iv	Average Dropout rate will be reduced from 1.54% (in 2016-17) to 1.00% (in 2017-18) in respect of Primary schools and from 6.06% (in 2016-17) to 5.00% (in 2017-18) in Upper Primary schools.	Average Dropout rate has been reduced to 1.42% (in 2017-18) at primary level and 5.33% (in 2017-18) at elementary level.
v	State should create a Child wise database (using Aadhaar wherever available or any other unique Id for every child) by June, 2017. This	State has a Child Tracking System - Aadhaar Enabled DISE implemented since 2012. The Child Tracking System has child wise database with unique Id and also seeded with

	database would make the enrolment indicators robust and reliable.	Aadhaar wherever available. This initiative has made the enrolment indicators robust and reliable. As per SD MIS Data, 78.8% children are covered under Aadhaar. State was advised to cover 100% students under Aadhaar.
vi	State will maintain a database on details of its teachers, including their Aadhaar numbers.	State has already build the database on details of teachers under Teacher Portal, including their Aadhaar numbers. State was advised to ensure security of database of teachers including Aadhar details.
vii	The State will complete GIS mapping of all schools (100%) and integrate their database with the NIC website <a href="http://schoolgis.nic.in/">http://schoolgis.nic.in/</a> .	GIS Mapping of 51,141 schools (97.55%) has been completed. The mapping data is being added every year for new schools. It is already integrated with the NIC website <a href="http://schoolgis.nic.in/">http://schoolgis.nic.in/</a> by sharing database along with Latitude-Longitude information of each school.
viii	State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources.	This is under progress
ix	State will map all the stand alone Government and Government aided primary schools, develop and finalize specific action plans for improving learning outcomes in these schools and share it with the Department.	All schools including standalone schools have been evaluated during Gunotsav-VII. Based on Gunotsav results, subject wise, learning outcome wise remedial teaching was carried out during Aug-2017. The state has decided to adopt NCERT syllabus which will be implemented from Jun-2018 in phased manner. This will help in improving learning outcomes of children in standalone schools also. PRAGNA material is being revised as per NCERT syllabus.
x	The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. At the upper primary level, special emphasis should be laid on maintaining the subject PTR.	A teacher transfer policy is under consideration which will take care of rational deployment.
xi	State will recruit headmaster in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (Including through limited department exam) of 50% of all headmasters may be considered.	Since 2012-13 state has recruited 6,997 head teachers in government primary and upper primary schools. The provision for promotion of teacher to head teacher is existing in the recruitment rules. Efforts would be made so that that all children reach the desired grade-appropriate competency level.	Based on Gunotsav results, state has conducted reinforcement and remedial teaching program during August-2017 Child wise, learning outcome wise remedial work is done by specific standard-subject teachers throughout the academic year. This remedial teaching program is started and implemented as per the circular from Director Primary Education office.  The State has decided to adopt NCERT Textbook from next academic year. Learning outcome posters & Brochures have been prepared & are being distributed up to school level.
xiii	State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and provisioning of drinking water facilities in school.	Education department has already converged its schemes with "Gujarat Water Supply and Sewerage Board" for provisioning of drinking water facilities in schools. Panchayat & Rural Development department has also been requested for convergence of strengthening Infrastructure with MNREGA.
xiv	State should undertake the "Partnership Between Schools" Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.	As of now, 3860 schools are linked with nearby self-financed schools for help in bringing all students to one common platform and to share experiences and learn from each other.
xv	State will display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable. This would help in honouring the teachers who are the fulcrum of the education system.	State already given instruction vide letter No.PSK/K-NITI/2016/9031-84 dated 30/11/2016. Provision for displaying the photos of teacher on the school notice board already exists. In Gujarat, 100% schools have been covered.

	the RTE Act, 2009, this likely to be cleared by early April. The State will ensure that all teachers are trained within the extended period.	
xix	The Central RTE Rules are being amended to include reference to class-wise, subject-wise Learning Outcomes for all Elementary Classes. Accordingly, once the related guidelines are received by the State, the State would include the Learning Outcomes in its own RTE Rules.	As per state RTE Rules 2012, Rule No. 23(2), Gujarat state has developed Subject wise and class wise learning outcomes for standard 1 to 8. On the basis of learning outcomes. Gujarat state has developed textbooks and teacher editions which are already implemented. The special booklet for learning outcomes has been prepared and provided to all teachers.

#### 4. Appraisal issues- 2018-19

##### Educational indicators

- The total decline in enrolment between the grades I to VIII is nearly 155644 as compared to previous year enrolment whereas the OoSC reported by the State is only 36,942.
- The drop-out rate at secondary level is more than 10% in 16 districts. In six districts of Banas Kantha, The Dang, Kachchh, Surendranagar, Patan, Devbhoomi Dwarka, the transition rate of girls is less than 70% at Secondary level. The GPI is 0.72 at secondary, which indicates that large number of girls are dropping out at secondary level. Further, State has mostly stand-alone secondary schools, which may be a factor for high drop out at secondary level especially for girls.
- There are about 8.28% primary and 11.08% upper primary schools having adverse PTR. There are 26% Upper Primary schools where the subject teachers are not available as per RTE. The State was advised to focus on completing the redeployment of teachers at Elementary level.
- It was noted that there has been an increase in schools with less than 15 enrolment and less than 30 enrolment. It was suggested to review such schools and rationalize/consolidate schools without violating the access norms as per the RTE Act.

## **Access**

- An Online Mechanism needs to be developed to independently verify out of school children and their tracking after being mainstreamed in regular schools. Such a mechanism will facilitate transparency, arrest drop out and avoid duplicity.
- Under RMSA, construction of 302 schools out of 467 schools sanctioned has been completed. Construction work of 44 schools is under progress and work has not started in 121 schools.

## **Gender**

- Out of 85 Girls Hostel buildings sanctioned under Girls' Hostel component of RMSA scheme, state has been able to complete construction of 53 buildings, 20 are in progress and construction of 12 buildings are yet to start. The State informed that out of these, 9 are in tribal areas and land has been identified for 4 hostels.
- The KGBVs in the State have low capacity utilization.

## **Quality**

- There are 10,614 (3.88%) teacher posts vacant in the State out of 2,73,508 at Elementary/Secondary/Senior Secondary level.
- 382 academic posts are filled against total 674 sanctioned academic posts for SCERT and 26 DIETs.
- State was advised to relook at the requirement of teacher/headmaster posts and rationalize deployment of teachers as all teachers are ultimately the responsibility of the State. There is no dual cadre of teachers – only financial support for additional teacher salary would be provided under the Samagra Shiksha as per norms of the scheme.
- State was advised to disseminate the District NAS Report Cards, 2017 at the district/block level and analyse the results. Some lower performing districts are Narmada, Bharuch, Vadodara, ChhotaUdepur, Jamnagar, Surendranagar, Anand, Amreli and Sabarkantha. State needs to prepare a plan of action to improve the learning levels in the low performing districts.

## **Teacher Education Institutions**

- State has completed the restructuring of SCERT as per Model I of the MHRD guideline on Strengthening of SCERT (2018). In addition, as per the guideline, GCERT has been notified as the nodal agency for in-service training and capacity building programmes have been designed as per the training needs identified. Finalization of recruitment rules is also currently under process for recruitment of high quality teacher educators in academic posts.
- As far as DIET restructuring is concerned, state has decided to adopt Model II as per the MHRD guideline on strengthening of DIETs, i.e.continue with both pre-service

and in-service training. However, one DIET (Tapi) will be conducting only in-service teacher training.
