P

This assertion letter is provided in connection with your audit of the financial statements of the Sarva Shiksha Abhiyan (SSA) (State Project office) for the financial year 2016-17. We acknowledge our responsibility for the fair presentation of the financial statements in accordance with the accrual basis of accounting followed by the Government of India and we confirm, to the best of our knowledge and belief, the following representations made to you during your audit:

- 1. The Project Financial Statements are free from material misstatements, including omissions.
- 2. Project funds have been used for the purposes for which they were provided.
- 3. Projects expenditures are eligible for the financing under the Loan/Credit agreement.
- 4. There have been no irregularities involving management or employees which have a significant role in internal control or that could have a material effect on the project financial statements.
- 5. We have made available to you all books of accounts and supporting documentation relating to the project.
- 6. The Project has complied with the conditions of all relevant legal agreements, including the Financing Agreement, the Project Agreement, the Project Appraisal Document, the Minutes of Negotiations and the Borrowers' Project Implementation Plan.

MANAGEMENT REPORT

SARVA SHIKSHA ABHIYAN AUTHORITY, PUNJAB

We have audited the consolidated financial statements of Sarva Shiksha Abhiyan, Punjab for the year ended 31st March 2017. Based on audit conducted by us and according to information and explanations furnished to us during the course of audit and considering the various observations in this regard, we hereby discuss core areas as follows:-

A. Preparation of Accounting records & its Supervision:-

The Books have been maintained at Three Levels:

- -State Project, Office
- -District Project Office
- -BPEO and School Level

Out of above three levels the maximum grants are utilized at BPEO & School Levels and Maintenance of Records are not proper at that level. Many discrepancies have been noticed in the Functioning at various Levels & respective Internal Control Systems which are as follows:

- 1. The Accrual Basis of Accounting is not being followed properly; however the practice of cash accounting is of little extent in whole accounting process.
- 2. Proper training of Tally Software is not imparted to the Accounting staff & eventhey are not having adequate knowledge for maintaining accounts manually.
- 3. There are no Review procedures found in place for regular review of accounts, maintained at Sub-SPO level.
- 4. The Salary of the Teachers is disbursed by District Offices based on the Attendance Records maintained by Block Offices.
- 5. In most of the schools audited, Cash book was not properly maintained. Various types of irregularities were observed while verification of cash books of different schools such as:
 - ✓ The bank balance depicted in cash book was not in conformity with the balance
 as per pass book.
 - ✓ No reconciliation statement of cash book and pass book was prepared by the concerned schools.
- 6. Balance as per bank statement as on 31-03-2017 is reconciled with books of accounts after passing entries for cheques issued and not presented/deposited but not realized.

- 7. Accounting at school levels is done by school teachers having inadequate knowledge for the same. A general practice of referring bank statements for preparation of books of accounts is prevailing which is improper.
- 8. Entries are posted in some schools on Cheque clearing date and not according to cheque issued or bill generation date which is a faulty practice. Instructions in this regard have been issued by SPO Office.
- 9. Various Registers such as Stock Register, Fixed Asset Register etc. are not maintained & updated regularly at school levels.
- 10. Third Party ledger accounts are not properly maintained.

B. Internal Control Systems:

- 1. The Internal Control System is prevalent in the Department. However, it needs to be further strengthened.
- 2. There is no mechanism at any level to ascertain the utilization of funds. As per the instructions of the Head Office, cash withdrawals as well as holding of cash and issuance of Cheques to persons other than Head Teacher or Secretary is not allowed. But during our visit to differentschools, it has been observed that cash withdrawals or holding of cash or cheques issued to persons other than head teacher or secretary was being done on a regular basis. It is observed that most of the schools were withdrawing cash in excess of Rs. 10000/- further cash payment for expenses in excess of Rs. 20000/- is made to a single party. This will enhance the chances of misutilization of government fund and falsifying record keeping. Regarding this instructions have issued by the State Project Office which needs proper monitoring.
- 3. Advance is Paid to any official by cheque, such cheque is encashed by official then Payments for expenditures are made in Cash.

C. Monitoring of Utilization of Advances:-

- 1. Advance Registers for disbursements of grants are not being maintained below SPO lével. However, details are available in Tally software.
- Advances granted to BPEO's and Schools are not recorded in their respective books of account. Therefore, there is no verification process whereby; the SPO's or DPO's can know the actual balances lying with various BPEO's and Schools.
- 3. There are outstanding advances at each level, which needs to be settled. However, Periodic review of advances is being done at SPO level
- 4. At the end of the year, huge funds were lying unutilized at various levels without the knowledge of Component Head Incharge. As a result thereof, the Balance Sheet of the Authority shows bleak picture of huge unutilized funds which are detrimental to the release of Grants for the next year.
- 5. Preparation of Utilization Certificates has improved. However, Department is advised to ensure the compliance in future also.

C. Existing Procurement Procedure & Scope of Improvement:-

- 1. The staff at SPOs, DPOs, BPEOs and Schoolsneed periodic training in the procurement procedure.
- 2. In case of procurement of goods by the SPOs, BPEOs, Schools, the implementing agencies are not aware of the term & conditions of the procurement. They are required to be advised accordingly.

E. Books of Accounts and Method of Accounting:-

- 1. The SPO's, DPO's, BPEO's are following Accrual system of accounting to a large extent.
- 2. As per Para 52 of 'Manual on Financial Management and Procurement' specifiedBooks of accounts are to be maintained, but the same are not being maintained by any level.

Physical verification and Accounting of Fixed assets:-

- 1. Further the Fixed Assets Register is still not being maintained at below District level properly.
- 2. There is no record of written off Fixed Assets or disposed off Fixed Assets for the Current Financial Year or Previous Financial at any level.

Adherence to Statutory Provisions:-

- 1. Whereby, it had been observed that TDS is being deducted properly. However, the Department is advised to ensure full compliance in future also.
- 2. While making the payments related to section 194 (C) of Income Tax Act, 1961 TDS is deducted at the rate of 2%. While deducting the TDS status of receiver is not considered whether receiver is Individual or other than Individual.

SUGGESTIONS:-

Preparation of Accounting Records & its Supervision:-

- There should be a system for proper control with regard to the maintenance of accounts at School level. For this there should be proper delegation to a particular person for maintenance of accounts having adequate expertise and qualification in the maintenance of accounts under generally accepted system of accounting.
- 2. Sufficient measures should be taken to create awareness regarding the roles and responsibilities in implementation of any project.
- 3. All the accounting staff should be provided with training by the experienced and qualified team on a regular basis.
- 4. There should be proper accounting, maintenance and, safe guarding of assets.
- 5. Assets register should be maintained on a timely basis.
- 6. Experienced Accounting staff should be recruited at SMC Level.
- 7. While Auditing, Instances were found where bills and quotations were not signed by either SMC's member or Head Teacher/Principal and quotations and Voucher were not signed.

properly maintained. We observed that all the members other than Head Master in committee formed by most of the schools were uneducated. As discussed with teachers they said that there is no provision of minimum qualifications to be eligible for SMC's member. The Authority should make relevant provisions in respect of the same.

Binternal Control Mechanisms:-

- 1. Attendance system at BPO Level & School Level should be centralized via biometric devices so that there is no unauthorized salary disbursement.
- 2. Expert's Review should be taken for proper utilization of Civil Grants at School level.
- 3. Preparation of Annual Financial Statements, process of consolidation, documentation and verification of all supporting financial records should be carried on concurrent basis.
- 4. The personnel involved in the preparation and maintenance of Financial Statements, should be well equipped with the adequate work expertise with regard to their work profile.
- 5. The staff should be provided with proper training for the usage of computerized accounting packages, as well as, a review of the basic concepts and fundamentals so involved.
- 6. There is no power backup for Computers at SSA Head Office of Punjab which could result in loss of huge data lying in the Computers at SSA Finance Wing.
- 7. There should be proper delegation of powers to ensure its implementation at school levels.
- 8. Digital Signatures, Stamps or any other Official/ technical equipment should be updated & be observed regularly.

CDesigning the Internal Control System and Internal Audit System:-

- 1. Internal Control System should be such that it should be implemented by the BPEOs and Schools in such a way that it provides reasonable assurance regarding achievement of the objectives of the programme in an efficient manner.
- 2. Proper Internal Controls should be maintained in terms of reliability of financial & operational reporting and compliance of the same as per the norms of SSA.
- 3. End use of the project funds is required to be monitored.
- 4. Adequate control is to be exercised in accepting and analyzing the Utilization Certificates which are issued by project implementing officers for utilization of project funds.
- 5. The designing of the internal control system should be done by the team which has detailed knowledge & experience regarding the project in terms of operational, financial and administrative sectors. A separate team is required in this regard as the

internal control relates to the supervision and monitoring of the project which is a continuous work and needs improvement with the change in the circumstances.

- 6. It will be in the interests of the authority, to necessitate regular co-ordination between the internal audit team and the accounting staff, so as to ensure, expeditious treatment of any discrepancies which may arise, during the general supervision of the working of the authority.
- 7. Strong Internal Control over Cash Payments is required especially at SMC's level.

AUDITORS' REPORT

SARVA SHIKSHA ABHIYAN, PUNJAB

Report on Financial Statements

We have audited the Consolidated Financial Statements of SARVA SHIKSHA ABHIYAN, PUNJAB which comprises of the Balance Sheet as at March 31, 2017, the Income & Expenditure Account and Receipts Payment Account for the year then ended.

Management's Responsibility

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance in accordance with the accounting principles generally accepted in India. Their responsibility also includes the design, implementation and maintenance of Internal Controls relevant to the preparation and presentation of the financial statements that give true and fair view and are free from material misstatements whether due to fraud or error.

Auditor's Responsibility.

Our responsibility is to express an opinion on these Financial Statements based on our audit. We have conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. These standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements whether due to fraud or error. An audit includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements. We believe that our Audit provides a reasonable basis for our opinion and the changes which have been affected in the consolidated Balance Sheet subject to changes in reconciliation of the Balance Sheets of other zones and according to the SSA.

A. Attention is invited to the following:

3

- i) There is a previous year grant of ₹93,100/- which was not booked in previous year and same has been recorded in Current Financial Year in Consolidated Balance Sheet.
- ii) There are discrepancies found in cash book & ledgers in some of the blocks. Differences were also noticed while verifying the cash book. Details are attached with respective Balance Sheets.
- iii) Bank Reconciliation Statements at school level has not been prepared in an appropriate manner.
- iv) The loans and advances related to specifiedInstitutions were standing at SPO level from a long period & were not paid at the SPO levels in the financial years.
- v) Data Entry in the Tally Software is not done in all the blocks.
- vi) According to the information and explanations given to us and on the basis of overall examination of the accounts of the Society, we are of the opinion that internal control on the maintenance of the accounts of the Society at Head Office and at District Offices/Blocks is required to be further strengthened.

Further to our comments in Para 2 above, we report that:

- a) We have obtained all the information and explanations which to the best of our Knowledge and Belief where necessary for the purpose of our Audit;
- b) The Balance Sheet and Income & Expenditure Account and Receipts& Payments Account dealt with in this report are in agreement with the Books of Account maintained.
- c) The expenditure shown in the Income and Expenditure Account with respect to the Grants utilized at SPOs and at DPOs has been certified by the concerned officers at District Offices and at State Project Office.
- d) We have consolidated the Financial Statements as per the Terms of Reference (TOR) as provided in the Manual on Financial Management and Procurement. Further, we verify that the authority has, subject to our Audit report, carried out the financial management functions as per requirements laid down in the said manual.

Regarding the compliance of previous audit objections as per 'Notes on Accounts' in Schedule 'IV' of the last year Balance Sheet, we report as under:-

For F/Y 2012-13

(i) Note No. 13 dropped.

For F/Y 2013-14

(i) Para No. 3(i), (ii), (iii), (iv) and (vi) dropped.

. For F/Y 2014-15

(i) S.No. 5 III, VI, VII (d), (f), (g), (k)and VIII dropped. Others are still persisting.

For F/Y 2015-16

Report on Significant Accounting Policies

1. Basis of Accounting

D

The term 'Basis of Accounting' refers to the timing of recognition of revenue, expenses, assets and liabilities in accounts.

The commonly prevailing basis of accounting is:

- a. Cash Basis of Accounting; and
- b. Accrual Basis of Accounting

Under the cash basis of Accounting, transactions are recorded when the related cash receipts or cash payments take place. Thus, the revenue of educational institutions, such as donations, grants, etc. is recognised when funds are actually received.

Accrual basis of Accounting is the method of recording transactions by which revenue, expenses, assets and liabilities are reflected in the accounts in the period in which they accrue in respect of Cash Movement.

At SSA Authority, Punjab, Normally Method of Accounting used by the Authority is Mercantile system however, in some cases, Cash system is also followed.

At SMC Level & Block Level, Cash basis of accounting is followed. At District Level & State level hybrid form of accounting i.e. a mix of both cash and accrual basis of accounting is followed by society.

2. Fixed Assets & Method of Depreciation

As per Accounting Standard - 10 & 6

- 1. Gross and Net book values of Fixed Assets at the beginning and end of an accounting period should show additions, disposals, acquisitions and other movement.
- 2. Expenditure incurred on account of fixed assets in the course of construction or acquisition; and
- 3. Revalued amounts substituted for historical costs of fixed assets, the method adopted to compute the revalued amounts should be shown, then a ture of indices used, the year of any appraisal made, and whether an external valuer was involve, in case where fixed assets are stated at revalued amounts should also be shown.
- 4. Depreciation should also be provided on Fixed Assets on year to year basis on Written Down value basis or Straight Line basis.

At SSA, Punjab, only additions are shown in the books of SSA at all levels of Society. Any Disposals, Revaluations, are not recorded in books.

Further construction of Civil Structure at SMC Level, Block Level not booked under Fixed Assets. Expenditure related to this shown under "Civil Grants" in Income & Expenditure Account of the Society.

Depreciation has not been provided on Fixed Assets since the Incorporation of the Society. This has led to huge inflated Value of Assets in Financial Statements.

3. Valuation of Inventories

As per Accounting Standard - 2

Stock should be valued at Cost or Market Price whichever is less.

At all levels of SSA, Punjab, only quantitative records of Inventories are maintained.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2017

- 1. During our visit at BPEO's, it has been noticed that there is a serious irregularity in the internal control system of block level.
- 2. The Accounts are to a large extent, prepared on Accrual basis of accounting. The significant accounting policies are as stated below:
 - i) The utilization of grants have been shown as expenditureunder Income&Expenditure account and remaining unutilized portion of the grants disbursed have been shown as 'Unutilized Advances'
 - ii) All material known Liabilities have been provided on basis of available information/estimates.
- 3. The following books of account, records have been maintained as required in the manual of financial Management and procurement:
- i) Register of advances for the funds released to District Levels.
- ii) Maintenance of Ledgers at school level was not prepared.

- iii) Entries made in Stock Registers/Fixed Assets Register are not updated regularly.
- iv) Register of advances at District/Block offices for the funds released to the Sub-District levels and SMC's.
- 4. Some amounts out of unutilized balance of recurring grants relating to previous financial years have been utilized in the current year and the same has been shown as expenditure against specific component.
- 5. The following Loans & Advances related to below mentioned parties/persons were standing at SPO level from a long period & were not realized at the SPO levels in the financial years:-

PARTICULARS	AMOUNT
ACE Technology,Mumbai	12870.00
Advance Recoverable From Employees	10054.20
AmanjotKaur (DM)	
Audit Fees (Swachh Bharat)	7500.00
Artificial Limbs Manufacturing Corp. of India

PA to Principal Secretary School Education	3000.00
PriyaSalony	3000.00
Ravinderpal Singh (Caretaker)	13300.00
Sanjeev Kumar (Caretaker)	1060.00
Sohan Singh (Driver)	10000,00
State Commission for Protection of Child Right	1017755.00
Tejinder Singh	10700.00
The Chief Engineer PUDA	2911.00
TOTAL AMOUNT	54,748,968.19

- 6. Advances given to emplyoees of SSA are not adjusted within stipulated time and no interest is recovered from the emplyoees as per SSA Manual.
- 7. As per the instruction from Head Office, cash withdrawals or holding of cash or cheques issued to persons other than head teachers or secretary is not allowed. But during our visit to various schools, it has been observed that cash withdrawals or holding of cash or cheques issued to persons other than head teacher or secretary was done on a regular basis.
- 8. Ledgers are not being Updated regularly at block level and thus, we are not able to verify each transaction at block level.
- 9. Bank Reconciliation Statements at School Levels have been prepared in an inappropriate manner.
- 10. Schedules I to IV form an integral part of the Balance Sheet, Income & Expenditure Account and Receipts & Payment Account.
- 11. Civil Grants should be disbursed in twoinstalments i.e. in proportion of 75:25. But the practice is not being followed in some districts.
- 12. As per Head office Instructions, the Limit for Electricity and Telephone Bill is fixed at Rs. 700 and Rs. 1200 respectively but payments are made exceeding the aforesaid Limits.

CHARTERED

- 13. An amount of Rs. 12,47,869.00 was wrongly taken in last year current liability of Hoshiarpur District and now it has been rectified by updating the opening capital fund balance.
- 14. Loan from PEDB was omitted to be taken in last year Balance Sheet of SPO, now adjusted.
- 15. An amount of Rs. 7661707.00 has been directly received by SPO from DDO on behalf of Do's.
- 16. An amount of Rs. 1044779.00 is reversed in 3 Districts (Rs. 348259 in Jalandhar, Rs. 348260 in Patiala and Rs. 348260 in Tarn Taran) where the full amount was shown utilised in P.Y. 2012-13.
