S No	Commitments	Action Taken
i	State would document their best practices and initiatives and subsequently upload it on the SSA SHAGUN website. This would enable the State to showcase its successes and would provide a platform for all States to learn from each other.	Documentation of best practices is being carried out at different level. Some of the best practices has been uploaded on Shagun portal.
ii	State would update the progress in implementation of the approved activities under the AWP&B on the SSA SHAGUN portal, A hard copy of the Summary State Tables I and II on the SHAGUN portal, duly signed by the State Project Director, would be submitted at the time of the request for release of funds under SSA. Signed copy of summary State table 1 and 2 has been submitted.
iv	For the year 2017-18, State has identified 2095 Out of School Children (OoSC) and it has committed that at least 90% children out of these will be enrolled in schools during 2017-18. x	<p>The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. However, at primary level 4.20% and at upper primary level 1.75% schools still have adverse PTR.</p>
xi	<p>State will make a provision of headmaster in primary and upper primary schools as per the RTE norms to uplift the management of such schools.
