1. Introduction

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2019-20 for SAMAGRA SHIKSHA for the State of Assam was held on 10th June, 2019. The list of participants who attended the meeting is attached at *Annexure-I*.

2. Initiatives of the State

Ms. Rina Ray, Secretary (SE&L) invited Assam to give a presentation on school education in the State. Sh. Preetom Saikia Commissioner cum Secretary (Assam), gave a presentation which included the following major points:

a) **Gunotsav:** Gunotsav is a State initiative for quality improvement in School. Hon'ble Chief Minister, Hon'ble Ministers and MLAs, Chief Secretary, Assam & Senior IAS, IPS, IFS officers and other Class-I & II officers of the State Government visited schools as External Evaluators. Evaluation was conducted on four major indicators viz. Scholastic, Co-scholastic, Availability and Use of Infrastructure and Community Participation.

b) **Social Audit:** Social Audit has been implemented in all elementary schools. Assam is the first state to initiate Social Audit in the year 2010-11. Social Audit teams are constituted in respective schools with the representatives from; i) Local community & PRI, ii) Educated youth, iii) Mother Groups and iv) NGOs/ Youth Club/ Mahila Samittee. The Co-ordinator of the team is given orientation at block level on the specified guideline and formats of Social Audit.

c) **Digitisation:** Digitization of all the details of Elementary School Teachers & Staff of 53097 Schools is being done with detailed information on leave, increment, superannuation etc. in specially designed software. The Programme is designed for all sorts of operational activities related to Human Resource Management of Elementary Schools.

d) **Saptadhara:** Saptadhara is introduced in Secondary & HS schools of Assam to inculcate positive attitude, self confidence and righteousness among the youth to prepare them for global competition and to encourage them to promote their talents towards the challenges of today's world.

Objective: i) To transform schools into a 'Learning Organization'; ii) To nurture the talent of the students for holistic development of the students; iii) To provide opportunity to the students to learn from our great traditions of knowledge by way of taking up activities of 'SAPTADHARA' with a focus on various areas of education, art and knowledge for the manifold progress of the youth; iv) To develop thinking as well as analytical ability, skills suitable for an employment and to integrate values of our culture with education.

Implementation: Saptadhara is implemented in 375 Higher Secondary schools and 15 Adarsha Vidyalayas.

e) Mother Group-Mothers support to school function

Every School Management Committee (SMC) must form a Mother Group in all the Elementary Schools on the first day of the Academic year. The mothers of all the children studying in the school or any female member of the locality above eighteen years of age can be member of the Mothers Group.

The Mother Groups perform several important functions like monitoring the attendance of the children and teachers, monitoring the cooking and serving process of the Mid Day Meal (MDM), ensuring hygiene in the cooking and serving of MDM, monitoring the children's performance in the various assessments, checking the classrooms and the infrastructure, ensuring cleanliness in the school premises, organising Saturday Clubs activities, helping the school authority in organising special occasions, setting up kitchen/ herbal garden in the school premises, collecting information on out of school children in the locality, etc. Some Mother Groups have shown extraordinary performance over the years. Best Performing Mothers Groups of the districts were felicitated in Independence Day /Republic Day celebrations.

f) Amalgamation of schools : The state of Assam has taken the concept of school consolidation or in other terms school amalgamation in a positive way to strengthening school education system. The process of amalgamation of schools of elementary category started in the year 2017-18 and as a outcome of the process, a total of 5,081 schools were merged /amalgamated so far.

A soft copy of the State's presentation is available at 'www.samagra.mhrd.gov.in'.

3. Review of Commitments and Expected Outcomes & Action Taken during 2018-19:

The progress made in implementing the commitments and expected outcomes given by the State in 2018-19 was reviewed and the status in respect of pending items is as under:

Sl. No	Commitment and Expected Outcomes	Action Taken	Comments of PAB 2019-20
1	The State will complete GIS mapping of all schools (100%) and integrate their database with NIC website http://schoolgis.nic.in	Till now, 70,571 schools are integrated out of total 71,042 as per the NIC school GIS website. The remaining 471 schools will be integrated after execution of complete amalgamation process.	State was requested to complete GIS Mapping of all schools.

Sl. No	Commitment and Expected Outcomes	Action Taken	Comments of PAB 2019-20
2	The State will map all the stand alone government and government aided primary schools, develop and finalise specific action plans for improving learning outcomes in these schools.	The State has already initiated various steps for improving learning outcomes in all the elementary level schools including standalone government and government aided primary schools. The steps include training of teachers on learning outcomes, display of class wise learning outcomes at school level, conduct of Gunotsav to measure performance of the children based on learning outcome, analysis of Gunotsav and NAS result on the basis of learning outcome, development of Open Educational Resources for teachers on learning outcomes as per findings of NAS and Gunotsav, additional academic support mechanism as a part of remedial initiative to attain desired learning outcomes at school level.	State was requested to take remedial initiative to attain desired learning outcomes at school level.
3	The State will recruit Head Masters in Primary and Upper Primary Schools as per the norms. Given the significant role of a Head Master in schools management, direct recruitment (including through limited Department exam) of 50% of all Head Masters may be considered.	In Upper Primary schools, the senior most Assistant Teacher is promoted as Head Master on the basis of sub-division level seniority. In case of Lower Primary schools, the senior most Assistant Teacher of the concerned school is given the charge of Head Teacher i/c. A proposal was moved for sanction of post of Head Teacher in Lower Primary Schools.	State was requested to complete the process of Sanction and recruitment of Head Teacher in Lower Primary Schools, as per norms.
4	The State would assess its grading under the Performance Grading Index (PGI) developed by the Department and carry the required governance reforms to improve its grading.	Under Gunotsav, performance of teachers was indirectly evaluated through performance of students and performance of school. All Primary schools have been provided supplementary graded materials (NBT books/books of CIIL, REP materials). School Leadership training could not be conducted in 2018-19.	State requested to take the required reforms to improve its grading.

Sl. No	Commitment and Expected Outcomes	Action Taken	Comments of PAB 2019-20
5	The State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and providing of drinking water facilities in schools.	<ol style="list-style-type: none"> 1. Airport Authority of India sanctioned construction of 42 Toilet Blocks in 40 secondary schools. 2. A proposal under Swachh Bharat Mission (Gramin) sponsored by Public Health Engineering department, Assam is at an advance stage of sanction for providing Toilet for Boys in 672 blocks, Toilet for Girls in 252 blocks and 328 Drinking Water facilities in schools at an estimated cost Rs. 2683.50 lakh. 3. Panchayat and Rural Development Deptt., Govt. of Assam approached to sanction fund for development of infrastructure in schools through Gram Sabha. 4. Under MSDP programme, a large number of school developmental civil works undertaken through district authority in concerned MSDP Blocks. 	State requested to arrange more fund under CSR and ensure there is no overlap with funds sanctioned under Samagra Shiksha.
6	State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e. school.	State Implementing society conducted two round of training cum workshop on PFMS with officials of Accounts & MIS of all SSA districts. 46,769 agencies (out of total 48976) registered under PFMS till date. Steps are being taken to start the process of payment/transfer of fund etc. through PFMS.	State requested to implement Public Finance Monitoring System (PFMS) in all school
7	The State would fill up the vacancies of teachers and Head Masters at all levels.	The State has already initiated the process of filling up the regular vacancy of 6431 posts. The process of verification of documents has also been completed. The process of filling up the vacancies is delayed due to intervention of the Hon'ble Gauhati High Court in WP(C) No. 2280/2018.	State requested to fill up all the vacant posts.

4. Review of Performance during 2018-19

State has secured a score of 707 in Performance Grading Index (PGI) and was placed in Grade III (actually Category VI as no States are in the levels of 850 and above which form the first three levels). The Domain-wise Gaps are shown below:

Category 1				Category 2	Total
Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
28	16	78	22	149	293

State was requested to examine its score in each domain and take measures to improve its overall PGI.

- The State has proposed replacement of one school (Ujantarapur high school in Cachar district approved in 2017-18) for ICT under secondary education due to dilapidated condition, which was agreed.

Old school	New school
Ujantarapur high schools, Cachar	Popular high school (UDISE-18210611803), Cachar.

7. New Approaches 2019-20:

During the year 2019-20, certain new approaches have been introduced for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcome oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme. A presentation on the New Approaches was given and after discussions, these details have been incorporated in the **activity wise details mentioned in Para 11**. These are given below:

i) **PISA (Programme for International Student Assessment)**

PISA is conducted by 'Organization for Economic Co-operation and Development' every three years. It is a **competency based assessment** which unlike content-based assessment, measures the extent to which students have acquired key competencies. The assessment tests the children in Reading, Mathematics and Science. Learning from participation in PISA will help to introduce competency based examination reforms in the school system and move away from rote learning. Schools run by *Kendriya Vidyalaya Sangathan (KVS)*, *Navodaya Vidyalaya Samiti (NVS)* and *Chandigarh all of which are affiliated to CBSE will participate in PISA, 2020-21*. Although no specific activity or funding has been given for PISA to the States, MHRD will involve all States and UTs in orientation and capacity building programme for PISA.

ii) **Shagunotsav**

This is a Census based audit to be carried out in September, 2019 of all 11.85 lakh government and government aided schools in all States and UTs including nearly 7 lakh standalone primary schools. Data on various school based parameters is presently collected through the tools of Unified District Information System for Education (UDISE), SHAGUN, Project Monitoring System (PMS) and Performance Grading Index (PGI) to assess the quality and infrastructure at school level. However, the same is not corroborated through field visits. Feedback received from Central Prabhari Officers of aspirational districts has shown that many schools are not visited at all or the frequency of visit is very less. Therefore, a need was felt to take up the exercise of school based census to cover each and every school to ascertain the adequacy of infrastructure facilities, teachers, students, school management and community participation.

The parameters for the school census are to be based on the indicators monitored through UDISE+, PGI and Shagun. **Assessment of Learning Outcome will not be part of this evaluation as it will be conducted through the next round of NAS/School Based**

Assessments. The feedback will help in facilitating the system to be responsive to school specific needs and initiate appropriate policy interventions. **The guidelines for the programme have been issued on 25th April, 2019.**

iii) Integrated Teacher Training Programme (Elementary level)

In-service teacher and teacher educators training have been an integral part of erstwhile Schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Centrally Sponsored Scheme on Teacher Education (CSSTE). As per the framework of Samagra Shiksha, various kind of trainings such as training for Principals/HMs (Refresher and Residential), Teachers (Refresher and Induction), Teacher Educators (Residential, Training of Master Trainers and Programme and Activities), Training of Educational Administrators (Residential) and Training for School Management and Development Committee (SMDC) Members are provided in different components. This kind of segmentation has adversely affected the efficacy of training. Therefore, an integrated approach by subsuming above mentioned trainings into a standardised comprehensive training package has been envisaged in order to ensure effectiveness of school eco-system and improvement in learning outcomes. This is first time when the Department through its academic bodies such as National Council of Educational Research and Training (NCERT) and National Institute of Educational Planning and Administration (NIEPA) is taking a lead role and will conduct face to face training for around 32000 Key Resource Persons (KRPs) across all the States and UTs.

Earlier in-service teacher trainings were conducted by the concerned States and UTs through State Councils of Educational Research and Training (SCERTs) or any other agency as selected by them. Even after providing teachers training for last so many years, the efficacy of the training and its impact on improvement of learning outcome remain a big question. Cascade method with multiple layers has resulted in high percentage of communication loss when it reached grass root level. Requests have been received from many States and UTs to provide support in this regard. Recently, NCERT conducted a pilot in Tripura and trained 31000 teachers directly through Key Resource Persons (KRPs) trained by NCERT. After successful implementation of integrated teacher training in Tripura, it has been decided to scale up this model at national level and implement in all States and UTs. NCERT and NIEPA have been identified to lead this training in a mission mode in defined time period.

- This would address concerns such as learner-centred pedagogy, learning outcomes, creating safe and secure environment in schools, role of community in improving school education, school based assessment, etc., which are required to reach the grass root level (i.e., to the teacher). For this, an integrated teacher training programme will be conducted in the months of June – November 2019 to directly train all 41 lakh teachers, school heads, BRCs and CRCs at the elementary level.
- This training will prepare teachers for School Based Assessment to be conducted in December, 2019 in all the schools.

- a) **Learning Outcomes & Quality (C-1, D-1):**As per National Achievement Survey (NAS) score, there is need to lay more focus on Learning Outcomes of classes 5 and 8.

State was requested to analyse NAS results and provide interventions to improve learning outcomes of the students.

- b) **Access Outcomes (C-1, D-2):** The State has achieved 80% grade in Transition. State was requested to take steps to ensure 100% transition rate.
- c) **Infrastructure & Facilities (C-1, D-3):** State needs to focus on provision of Computer Aided Learning (CAL) facilities in Upper Primary Schools, Lab facilities in Secondary Schools, Library/Book banks in schools, Vocational Education at Secondary & Hr. Secondary school, functional drinking water facilities and providing free text books to students within a month of the start of the academic session.

State was advised to set-up CAL facilities and Science Lab facilities in upper-primary and secondary schools respectively, Library/Book banks in schools and Vocational Education at Secondary & Hr. Secondary schools The State was also advised to ensure functional drinking water facilities and timely delivery of text books before the start of academic session.

- d) **Equity Outcomes (C-1, D-4):** State needs to focus on transition rate of SC/ST/Minorities students from Upper Primary to Secondary level, provision of Ramps for Children with Special Needs (CWSN), Functional CWSN friendly toilets in schools and provision of Aids and appliances for CWSN.

State was requested to focus on transition rate of SC/ST/Minorities students from Upper Primary to Secondary level and accessibility for CWSN in all schools.

- e) **Governance Process (C-2, D-1) Indicators requiring more focus are:** Teachers' Unique ID(2.1.2). School at Elementary level covered under Twinning/ Partnership (2.1.5). Availability of teachers (2.1.8) and head teachers/ principals (2.1.9, 2.1.10 and 2.1.11). Percentage of academic positions filled in SCERT/DIET (2.1.12). Occupancy rates of officers (2.1.13, 2.1.14). Visits to elementary schools (2.1.15). Teachers evaluation and leadership training of head teachers/principals (2.1.17, 2.1.18). Percentage of schools that have completed self evaluation and made school improvement plans (2.1.19). Number of head teachers/ principals recruited through merit based selection system (2.1.23). Budget share spent on education (2.1.24) and Funds arranged through PPP, CSR as a percentage of State budget on school education (2.1.25)

State was requested to examine all these indicators and take necessary actions for improving them.

5. Appraisal issues:

- a) There are 29000 surplus teachers in primary and upper primary schools. State would need to rationalize these teachers, to ensure availability of required number of teachers in all schools.
- b) There are 22% upper primary schools where the three subject teachers are not available as per RTE .
- c) There are 22852 vacant posts in elementary level which may be filled on priority.
- d) There are 60% Secondary schools where four subject teachers are not available.
- e) There are 31754 untrained teachers in Government Secondary schools, who do not meet the requisite professional qualifications. State may prepare an action plan to conduct the requisite training.
- f) There are 5603 vacant post in secondary level which may be filled on priority.
- g) Construction in 914 Additional Class Rooms, 48 boys toilets, 99 girls toilets , 6 Head master rooms have not been started at elementary level. Construction of 2 Science lab., 1 Library, 1 Art/Craft room, 1 Computer room and 9 girls hostels have also not started at secondary level. State was asked to take up these pending civil works on priority.
- h) Admissions under Section 12 1 (C) of the RTE Act have started in 2018-19. State is yet to start Reimbursement to Private Schools. State was advised to have a transparent system of admission and reimbursement to the schools.
- i) KGBV: 1353 (19.75%) seats are lying vacant in KGBVs (Type II) and 1074 (60%) seats are lying vacant in KGBVs (Type IV). The state was requested to fill-up all vacant seats in KGBVs, so that the capacity can be fully utilized.
- j) GIS Mapping: Out of total 71460 Schools in the State, Geographical Coordinates of 418 (0.58%) schools are awaited. State was asked to submit coordinates of remaining schools by 30th June, 2019.
- k) Teacher Education: There are 21 vacant posts in SCERT and 193 vacant posts in DIETs which may be filled on priority.

6. Discussed and decided:

- The State has surrendered one integrated science lab and one computer room with total outlay of Rs.21.89 lakh (approved in 2015-16) due to land issues, which was agreed.
- The State surrendered civil works of 9 girls hostels (KGBV-Type-IV) (8 GHs approved in 2011-12 & 1 GH approved in 2014-15) with total outlay of Rs.1398.15 lakh, which was agreed. List of surrendered science labs/computer room and GH is at **Annexure-II**.

- NCERT will formulate 8 National Resource Groups (NRGs) having 15 Resource Persons each, including experts from NIEPA. NRG from NCERT and NIEPA will include experts in different subject areas and generic issues.
- NRGs will conduct face to face training for the Key Resource Persons (KRPs) identified at the State and UT level, which shall include faculty members of DIETs, SCERTs, IASEs, CTEs, Senior Secondary Schools, BRCs, etc.
- Key Resource Persons will form a group called State Resource Group (SRGs), which will have 6 Resource Persons (5 KRPs + 1 School head trained under School leadership Programme of NIEPA). These SRGs will directly conduct training for teachers, Head Teachers/Head Masters, BRCCs and CRCCs at block level. One SRG will train about 125-150 participants at a time.
- A Learning Management System (LMS) Portal and a Mobile App will be developed by NCERT for registration of Resource Persons and Teachers, dissemination of resources, training gap analysis, monitoring, mentoring and measuring the progress online. Guidelines for the training of KRPs, SRPs and Teachers will be prepared along with the modules and shared with the States and UTs.

This training envisages to achieve both tangible and intangible benefits in terms of 100% coverage of elementary stage teachers, Head Masters/Head Teachers, Principals, faculty of SCERT and DIETs, Block Resource Centre Coordinator (BRCC), Cluster Resource Centre Coordinator (CRCC), who are trained through an integrated teacher training package. This will be helpful in making classrooms learner-friendly and improving children's competencies including critical thinking, problem solving, creativity, as well as social-personal qualities such as cooperation, team work etc.

iv) School Based Assessment (SBA)

Preparations for NAS 2020 (Pre NAS 2020) interventions have been initiated to reach out to all the districts of different States and UTs. In this context, a School Based Assessment (SBA) is proposed to be conducted throughout the country to assess the Learning Outcomes of all the children at the Elementary level. The purpose of the SBA is to empower the teachers to improve the learning levels of the students.

A framework to improve the quality of learning through SBA in the schools is being prepared which would focus on bringing in its ambit school leaders, teachers and the whole network of officials at blocks, DIETs, SCERT and the Directorates of Education in different States and UTs. The key features of the School Based Assessment are:

- It is proposed to be a decentralised test where the preparation of the test papers will be done at District level for which training will be given by NCERT and administration of the test will be at the school level.
- Non standardized assessment would be used to link to individual learning styles of each child. Emphasis will be on portfolio, self and peer assessment used in conjunction with teacher assessment. Assessment of personal social qualities along with cognitive competencies will be encouraged. A strong and relevant feedback mechanism will be inbuilt allowing the teacher to give immediate and constructive feedback to students.
- SBA would have an online reporting system of both school and teacher level performance which can be monitored at the District, State and National level.

- Guidelines, handbook, videos, e-books and e-learning materials will be developed for conduct of SBA and shared with the States and UTs.
- SBA would involve in its framework 'a whole school approach' which involves the participation of the community in the learning process. Students' progress would be discussed with the parents and shared with the SMCs and suggestions would be sought.
- In implementing the SBA, emphasis will be on on-site mentoring by the Cluster Resource Centre Coordinator (CRCC). The CRCCs would nurture and support the teachers on a regular basis. Teachers would be encouraged to participate in quality circles within the clusters.
- Sample checking by an external agency will be done to validate the data from the schools.

v) Strengthening of CRCs - Mobility support to CRCs

The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school performance. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Cluster Resource Coordinator should visit the schools and provide onsite academic support under his/her jurisdiction at least once in 2 months and send reports on a common platform to be shared by MHRD.

vi) School Management Committee (SMC) Training

Training of SMC members is required to be conducted by the Cluster Resource Coordinator (CRC). Four Quarterly meetings of SMC would be held in a year on dates to be notified by the State government for all the schools. Support for holding the meetings and uploading quarterly reports on a Mobile App on the meeting held as well as on the status/activities of the schools will be provided.

vii) Display of LOGO of Samagra Shiksha

A Logo is the symbol of the vision and spirit of the Scheme. A logo also helps in fostering the spirit and building a bond between the schools, the student and the community at large. Earlier, SSA logo was painted on school walls which was very well received by the community and helped in identifying the schools.

Thus, it becomes important for all schools to display the logo prominently on the premises. All schools will be required to display the logo of 'Samagra Shiksha' along with facilities under the scheme such as free text books, free uniforms etc. at prominent place through wall paintings or display board. The design of the logo will be shared by MHRD.

viii) Shagun Repository

This has been designed to change the narrative on school education by showcasing the multitude of innovative & successful models being implemented by all States and UTs in diverse circumstances. It enables the successful initiatives to be replicated & taken to scale. It encourages all States and UTs to positively compete with each other to carry out and upload best practices. This repository of good practices focuses on positive stories and developments that are driving performance improvements in school education. These innovative practices

are documented in the form of case studies, videos, testimonials and images for which support is being provided under Samagra Shiksha.

ix) Constitution of Youth Club and Eco Club

Youth clubs in schools are an instrument to develop life skills, build self-esteem, develop self-confidence and resilience and counter negative emotions of stress, shame and fear.

Eco clubs in schools will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum.

In view of the above, all schools will constitute Youth and Eco clubs for students where they can participate in activities such as debates, music, arts, sports, reading, physical activities after school hours and during vacation. These would help in utilising the ideal school infrastructure particularly playing fields, sports equipment and libraries which will help the students to develop hobbies, skills and interests they might not otherwise be able to explore.

x) Issue of Identity card to teachers

In order to ensure quality of education, it is essential that duly appointed teachers are present in schools. Hence, the States and UTs is required to issue identity cards to all their regular and contractual teachers of elementary and secondary/higher secondary schools having the details such as photograph & name of the teacher along with name of the School with U-DISE Code, Full Address of the school with Block, Village, District, and Designation etc. PGI indicator 2.1.6 will be amended to replace teachers' photos with ID cards for teachers.

xi) Rangotsav

For the promotion of experiential learning and joyful learning, various activities are organized for both students and teachers. Some of the major activities under taken are Kala Utsav; Role Play Competition; Band Competition; Music Teacher Competition and Folk dance competition. While competitions will be organized at the secondary level, focus may be on joyful learning at elementary level.

xii) School Safety & Security

The issue of school safety has become more complex moving beyond corporal punishment to bullying, physical violence, sexual, psychological and emotional violence, even leading to death in extreme cases. In the recent past, there have been reports of violence and tragic incidents in schools including murder, assault and rape. This is a key cause of worry, demanding a school safety and security framework and plan of action.

The scheme of Samagra Shiksha endeavours to provide every child access to education in an environment that is safe, protective and conducive to growth & development. The teachers need to function as first step counsellor within the school. Also, every school is required to display a board on safety with helpline and emergency numbers and contact persons.

xiii) Performance Grading Index

The Performance Grading Index (PGI) has been designed to cater to the transformational change in the field of school education, where the focus has now shifted to the quality of

education. The index comprising of 70 indicators would propel States and UTs towards undertaking multipronged interventions that will bring about the much desired educational outcomes.

xiv) UDISE +

This is an improved and updated version of UDISE. The entire system will be online and gradually move towards collecting real time data. Some of the expected outcomes of UDISE+ are: Evidence based planning and decision making: data analytics to identify factors affecting school performance: time series data to study the trend over years and monitor improvement and growth: track key performance indicators and rationalization of schools and teachers based on evidence.

xv) Reporting by the Head Masters/Principals

In order to monitor the expenditure under Samagra Shiksha and ensure that all the services and facilities reach the schools, a detailed system of obtaining reports every two months from every Head Master & Principal in a government school will be put in place. The reporting will be done through a Mobile App, which will be compiled at a central server where the software will generate discrepancy reports, which will then be followed up for correction/necessary action.

xvi) Reporting by the BRCs

The potential of BRCs as academic resource centres is yet to be realized and their role and functions are to be academically channelized. BRCs/URCs need to function as resource centres to study the problems and to design strategies to address the academic issues in schools.

The Block Resource persons will be adequately trained and utilized more effectively. Under the Integrated Teacher Training Programme all the target groups, namely, teachers, principals, block and cluster resource persons, etc., will be brought on the same platform and oriented on similar content focusing on their specific roles and responsibility. There will be regular visits by the BRPs to schools for continuous monitoring, follow-ups and to ensure that learnings from training are translated in classroom transactions. The reporting will be done through the Mobile App which will be compiled at a central server where the software will generate discrepancy reports which will then be followed up for necessary action.

Against the above estimates, Central Government shall provide to the State Government, Rs.1848.96 crore as its share (Rs. 1629.78 crore for elementary, Rs.178.67crore for secondary & senior secondary and Rs. 40.51 crore for Teacher Education). The State would contribute Rs.205.44 crore as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.

States and UTs will also be able to utilise their unspent balances as on 31st March, 2019 for the activities approved in 2019-20 including spill over.

The additional requirement of funds as proposed by the States in the meeting has been examined and based on the norms & the criteria of the Samagra Shiksha Scheme, the funds for the eligible activities has been considered and provided in the estimates.

Assam is advised to prioritise the following activities besides RTE entitlements which would help the States in improving the grades under PGI, and particularly learning outcomes (as brought out from the post NAS-2017 analysis).

There are likely to be savings at the end of the calendar year. Therefore, supplementary PAB meeting on the balance request of the States may be considered separately sometime in the month of October-November, 2019.

Sl. No.	Priority activities
1	Composite School Grant
2	Integrated Teacher Training (EE) including Printing of Integrated Teacher Training package
3	CRC mentoring of Schools and Teachers
4	School Based Assessment (EE)

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2019-20.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2019-20 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCS which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.
