Minutes of the meeting of the Project Approval Board held on 10th May 2019 to consider the Annual Work Plan & Budget (AWP&B) 2019-20 of Samagra Shiksha for the State of Gujarat.

1. Introduction

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2019-20 for Samagra Shiksha for the State of Gujarat was held on 10th May 2019. The list of participants who attended the meeting is attached at **Annexure-I**.

2. Initiatives of the State

Ms. Rina Ray, Secretary (SE&L) invited Gujarat to give a presentation on school education in the State. Dr. Vinod Rao, Secretary (Education), gave a presentation which included the following major initiatives:

a) Mission Vidya

Mission Vidya program is a technology-based monitoring to improve foundational skills (Reading, Writing and Mathematics) of the students found slow learner (Priy Balak) in Gunotsava quality assessment framework. It is being implemented for students of Class VI-VIII on mission mode. In this programme dedicated three hours extra coaching have been provided to the slow learners for 50 days. The programme is being monitored through web-based application and mobile application.

b) Strict Implementation of Period System & Model Time-Table

The state has introduced period system for reducing the number of subjects being taught per day and initiated model time table to provide need based differential time allocation to different subjects in Grades III to V. The model time-table is also designed to reduce the physical burden of school bags. For example, wherever it is possible to club two periods of 35 minutes each into single period of 70 minutes for any subject, schools are encouraged to do it resulting into less number of subjects per day.

c) Subject wise Teacher System in Lower Primary

The state has initiated subject wise teacher system in the schools having four or more teachers. It provides teachers with an opportunity to master any one or two subjects as s/he teaches as common subject across Grades III-V. It has a scope to make teachers more accountable in terms of student's achievement and quality of teaching in particular subject. With this system in place, teachers can teach students more effectively as s/he is aware of vertical and horizontal expansion of subject content and learning outcomes.

d) Uniform Summative Assessment

To find out Learning Outcomes of the students of Class III-VIII, the state has initiated to conduct the Uniform Summative Assessment with centrally designed question paper by GCERT in the month of October, 2018. An online platform is developed and provided by the department to collect and analyze data during Mid-Term Exams. External supervisors were deployed to oversee the standardized test administration. At the end of the assessment child wise data availability for future course of actions has been prepared by Analysis of Assessment Results Grade wise & Subject-wise and prepared Child-wise Learning Outcomes' Report Card.

e) Daily Online Attendance of Teachers & Students through Command & Control Centre

To understand the absenteeism pattern of teachers and students, Roll Call based individual attendance on Portal Launched on 19th Nov, '18 for Elementary level. In this process, teacher attendance is taken and frozen by 11:30 am. Integration of SMS based mechanism to the Portal has also been programmed. Attendance also randomly verified by daily calling from Command & Control Centre established at State level.

f) Health Camps & Disability Certificate at Block Level

To Provide Disability Certificate to the CWSN Children through Health Camps at Block level, the state has started this initiative, by which total 25,963 children provided Disability Certificate and many newly added Disability conditions like Learning Disability, Mental Illness, CP, Multiple Disability and Autism covered in Health Camps by authorized Team of Psychiatrist, Clinical Psychologist and Paediatrician from District Hospitals. In this process block level health camps in 183 blocks organized out of 259 blocks from January to April, 2019.

g) Samay Daan

The state has initiated targeted voluntarism for remediation of all residual children in Grade II students (after end line assessment) for Literacy and Numeracy for a month from 6th May to 5th June. Expected Volunteers was from Teacher, Middle Management, Community and Civil Society Organizations. Through this activity approximately 1,00,000 students benefited.

h) Proposed Initiatives of the State

It was also informed to the PAB by the state that they have prepared roadmap for the next academic year, in which they have proposed following Initiatives to implement:

- **Shala Praveshotsav 2.0** ,in which state and district level government officials travel to remote villages participate in the programme and encourage parents to enroll their children in schools and further Regular follow up for irregular and highly irregular children will be done.
- **Gunotsav 2.0 –School Accreditation**, in which accreditation of schools will be done by a trained group of evaluators.
- **Launch of Control and Command Centre**,by which state will launch Command and Control Centre for continuous monitoring, data collection and data analytics which will be used for decision and policy making.
- **GPS based Monitoring Application for CRC-BRC**, in this programme, tablets will be distributed to all BRC/ CRCs and key District Officials with pre-installed GPS, which will be used for monitoring of the programmes running by the department.
- **Phased Execution of School Consolidation Plan** has been prepared along with planed shifting of children and redeployment of teachers.
- **School Readiness Programme at the beginning of Grade one** is designed to boost a child's pre-literacy, pre-numeracy, and socio-emotional skills.
- **Reading Campaign for Languages** in which, Early Grade Reading Assessment (EGRA) based methodology will be used to develop the benchmark for Gujarati Language reading speed.
- **Learning by Doing programme, will be initiated by the state to promote** activity-based learning for Mathematics and Science Subject Hands-on Practical Education to students of Grade VI – VIII.
- **Gyankunj Phase II (Operation Digital Board)** which is a school digitalization

programme to enhance classroom interactivity and teaching-learning process with the help of technology tools.

- **School Partnership Programme with Private / Aided Schools**, by which invitation will be given to private and aided schools to partner with Government for mentoring of Government schools in their region.
- **Inclusive Schools in every taluka**, by which schools will be selected and converted into 'integrated schools' equipped with Resource Room and Special Educators.
- **Establishing Science of Learning Institute** which will generate solutions and techniques that will be disseminated to teachers through other institutions like the DIETs.
- **Introducing Revised Merit Based Best Teachers' Awards System** to facilitate best teachers from taluka, district and state level.

3. Review of Commitments and Expected Outcomes & Action Taken during 2018-19

The progress made in implementing the commitments and expected outcomes given by the State in 2018-19 was reviewed and the status in respect of pending items is as under:

Commitments and action taken for the year 2018-19

S. No	Commitment and expected outcome	Action taken	Comments of PAB 2019-20
1	State will undertake positive consolidation of its schools, within the provisions of the RTE Act, with a view to strengthen primary education and for optimum utilization of resources	Planned School consolidation by segregating schools in 3 categories: <ul style="list-style-type: none"> • Category X - Student Population > 300 • Category Y - Student Population 101- 300 • Category Z - Student Population < 100 Phased plan is prepared and will be implemented from June, 2019	The phased plan of positive consolidation of schools needs to be completed before March 2020.
2	The State will rationalize teacher deployment in primary and upper primary schools, so that there is no single teacher school and all schools have PTR as per norms under the RTE Act, 2009. At the upper primary level, special emphasis should be laid on maintaining the subject PTR.	State has planned to execute school consolidation from new academic session including teacher rationalization	The phased plan of rationalization of teacher deployment needs to be completed before March 2020.
3	State will recruit Headmaster in primary and upper primary schools as per the RTE norms. Given the significant role of a headmaster in school management, direct recruitment (Including through	As on 31/08/2018, the state has total 7951 Head teacher posts sanctioned, in which 50% posts are to be filled by direct recruitment and 50 % are to be filled by departmental promotion (both have cleared	The recruitment of head masters in Primary and Upper Primary schools as per RTE norms needs to be completed before August 2019

	limited department exam) of 50% of all headmasters may be considered.	HTAT exam). Currently out of the total sanctioned 7951 posts, 7467 posts have been filled. Out of this, 4380 posts have been filled through direct recruitment and 3087 posts are filled through promotion. So only 484 vacancies remain to be filled.	
4.	State would assess its grading under the Performance Grading Index (PGI) developed by the Department and carry out the required governance reforms to improve its grading.	In view of State grading as per PGI Indicators, activities and interventions like science lab, CWSN toilets, Vocational Schools are proposed in AWP&B 2019-20 to strengthen states ranking and indicators. State has also initiated awareness campaign as a part of quick monitoring and responding to issues related quality of education and transition rate to improve PGI grading	State assured that further efforts are also being made at the state level and committed to improve the state grading at national level.
5	The detailed guidelines on operation Digital Board needs to be followed to utilize the funds approved under the ICT initiatives.	The process to utilize the funds approved under the ICT initiatives is at under progress. The tender has been floated for the same.	The ICT initiatives need to be implemented in the current year.
6	State will explore the mechanisms for convergence with other departments especially with the Department of Panchayati Raj for maintenance of school infrastructure, school sanitation and provisioning of drinking water facilities in school.	Convergence with the other department is being made continuously, like Education Department has already converged its scheme with "Gujarat Water Supply and Sewerage Board" for providing drinking water in schools.	The state was suggested to ensure convergence with other departments
7	State should undertake the "Partnership Between Schools" Programme which aims to link schools located in rural areas with private, aided or government schools in urban or semi urban areas. This would help in bringing all students to one common platform and to share experiences and learn from each other.	Convened meeting with private and aided schools to prepare roadmap for partnership from next academic session. State has planned the activities under "Partnership Between Schools" and included it in AWP&B 2019-20.	The State was suggested to implement this initiative in the current year.

S. No	Commitment and expected outcome	Action taken	Comments of PAB 2019-20
8	State will provide photo-Id card to all teachers, which they would be required to wear while in school.	State has planned to provide RFID & QR code-based photo-Id card to all teachers and proposal is incorporated under AWP&B 2019-20.	The state was requested to ensure 100% coverage of the photos ID cards of teachers.
9	State will complete all the pending civil works in 2017-18	Overall civil works implementation is 67.02% for civil work approved up to 2017-18. Out of approved 467 new/upgraded secondary schools, (approved before March 2017), Construction of 313 schools is completed, constructions of 40 schools is in progress and 114 schools are not started. Out of 114 schools, 82 schools have been submitted for approval in Education department on 27/11/2017 & For 32 Schools land acquisition is in progress. Remaining 70 schools are approved in the year 2018-19. Construction work will start after approval from the Education Department, State Government.	The state to complete the pending civil works specially at secondary level before March 2020.
10	State will ensure inspection and evaluation of all primary and upper primary school.	Inspection of school is being done by TPEOs ("Taluka Primary Education Officer") and KENI ("KelvaniNiriKshak") under the guidance of DPEOs. State is in process of launching School Accreditation and Teacher Accreditation from next academic session.	The State was suggested to furnish report of school accreditation and teacher accreditation programme.
11	The State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e., school.	State has completed up to 94% of implementation of PFMS overall and up to the last destination (SMC level). Implementation of remaining 6% schools is under progress.	The state was asked/ instructed to complete the implementation of PFMS before October 2019.

4. Review of Performance during 2018-19

State has secured a score of **808** in Performance Grading Index (PGI) and was placed in Grade III (actually Category VI as no States are in the levels of 850 and above which form the first three levels). The Domain-wise Gaps are shown below:

Domain - wise Gap in Grades						
Name of the State	CATEGORY 1				CATEGORY 2	TOTAL
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
Gujarat	28	9	51	23	81	192

State was requested to examine its score in each domain and take measures to improve its overall PGI.

- a) Learning Outcomes & Quality (C-1, D-1):** As per National Achievement Survey (NAS) score, there is need to lay more focus on Learning Outcomes of classes 5 and 8.

State was requested to analyse NAS results and provide interventions to improve learning outcomes of the students.

- b) Access Outcomes (C-1, D-2):** The State has achieved maximum grade in Transition at Primary level but elementary to secondary level 100% transition has not been achieved.

State was requested to take steps to ensure 100% transition rate at elementary to secondary level as well as put an effort to mainstream out of school children.

- c) Infrastructure & Facilities (C-1, D-3):** State needs to focus on provision of Computer Aided Learning (CAL) facilities in Upper Primary Schools and Lab facilities in Secondary Schools. State also needs to focus on providing Graded Supplementary Material in primary schools and free text books to students within a month of the start of the academic session.

State was advised to set-up CAL facilities and Science Lab facilities in upper-primary and secondary schools respectively and ensure timely delivery of text books before the start of academic session.

- d) Equity Outcomes (C-1, D-2):** State needs to focus on provision of Ramps for Children with Special Needs (CWSN), Functional CWSN friendly toilets in schools and provision of Aids and appliances for CWSN.

State was requested to focus on accessibility for CWSN in all schools.

- e) Governance Process (C-2, D-1) Indicators requiring more focus are:** Teachers ID seeded in any electronic database, Digital capture of students' attendance, Availability of teachers, Positions filled in SCERT/DIETs, Occupancy of district and state level officers, Visits by CRCs/BRCs, Teachers Evaluated.

State was requested to examine all these indicators and take necessary actions for improving them.

5. Appraisal issues

a) Educational Indicators

- The drop-out rate at secondary level is more than 10% in 16 districts at secondary level.
- The GPI is (0.88) at primary and (0.72) at secondary, which indicates the girls are dropping out at secondary level.
- In six districts the girls transition rate is less than 70% at Secondary level. (Banas Kantha, The Dang, Kachchh, Surendranagar, Patan, Devbhoomi Dwarka).
- There are 8% schools at primary level and 11% schools at upper primary level with higher PTR than RTE norm.
- There are 26% Upper Primary schools where the subject teachers are not available as per RTE.

b) Civil works: At elementary level, construction in 467 additional class rooms, 3 Boys Toilets, 6 Girls toilets, and 4 CWSN toilets has not been started. At secondary level, construction in 184 secondary schools, 11 additional class rooms, 181 ramps, and 2 residential quarters has not been started. State was asked to take up these pending civil works on priority.

The State informed that approval in Education department on 27/11/2017 had been submitted for 82 schools & for 32 Schools that land acquisition is in progress. The remaining 70 schools were approved in the year 2018-19 in which construction work will start after approval from the education department of the State.

c) Head Masters/ Principals' Vacant posts :- There are 921(51.85%) Head Masters/ Principals' posts vacant in the State, out of total sanctioned 1776posts under Secondary/Higher Secondary level, in which, 110posts are vacant, at higher secondary level out of total 327 Head Masters/ Principals. These vacant posts may be filled on priority.

d) Vacant posts in DIETS:-283 posts (43.53%) are vacant against total 650 sanctioned academic posts for 27 DIETs, which may be filled on priority.

e) ICT and digital initiatives:-Out of approved 6899 schools (till 2018-19),ICT not started in 1787 schools (25.9%), in which 186 schools (3.5%) are at elementary level and 1601 Schools (100%) are at secondary level, which may be started on priority.

f) Implementation of Section 12 (1) (C):- With regard to implementation of section 12 (1) (c) of RTE act, the State has not provided information regarding vacant seats in private aided, unaided and specified category of schools as sought by MHRD vide D.O. Letter No. 12-12/2018- IS-5 dated 13th November 2018 and reminder D.O. No. 12-12/2018-IS-5 Dated 25.02.2019. State needs to submit the requisite details.

g) Out of school children:-Against the approved target of special training of 30268 out of school children, target of total 24104 out of schools' children (79.63%) are achieved in the year 2018-19. State would need to ensure special training of targeted 50364 out of school children, approved for the current year 2019-20.

h) Surplus Teachers in Government Elementary Schools:-There are 608 surplus teachers in primary and 4478 in upper primary schools. State would need to rationalize these teachers, to ensure availability of required number of teachers in all schools.

i) KGBV: - 447 seats are lying vacant in KGBVs (Type I & III) and 1778 seats are lying vacant in KGBVs (Type IV). The state was requested to fill-up all vacant seats in KGBVs, so that the capacity can be fully utilized.

j) **GIS Mapping:** -Out of total 18208 Schools in the State, Geographical Coordinates of 2150(4.03%) schools are awaited. State was asked to submit coordinates of remaining schools by 30th June, 2019.

6. **New Approaches 2019-20**

During the year 2019-20, certain new approaches have been introduced for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcome oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme. A presentation on the New Approaches was given and after discussions, these details have been incorporated in the activity wise details mentioned in Para 10. These are given below:

i) **PISA (Programme for International Student Assessment)**

PISA is conducted by '**Organization for Economic Co-operation and Development**' every three years. It is a **competency-based assessment** which unlike content-based assessment, measures the extent to which students have acquired key competencies. The assessment tests the children in Reading, Mathematics and Science. Learning from participation in PISA will help to introduce competency-based examination reforms in the school system and move away from rote learning. Schools run by **Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS) and Chandigarh all of which are affiliated to CBSE will participate in PISA, 2020-21.** Although no specific activity or funding has been given for PISA to the states, MHRD will involve all States and UTs in orientation and capacity building programme for PISA.

ii) **Shagunotsav**

This is a Census based audit to be carried out in September, 2019 of all 11.85 lakh government and government aided schools in all States and UTs including nearly 7 lakh standalone primary schools. Data on various school-based parameters is presently collected through the tools of Unified District Information System for Education (UDISE), SHAGUN, Project Monitoring System (PMS) and Performance Grading Index (PGI) to assess the quality and infrastructure at school level. However, the same is not corroborated through field visits. Feedback received from Central Prabhari Officers of aspirational districts has shown that many schools are not visited at all or the frequency of visit is very less. Therefore, a need was felt to take up the exercise of school-based census to cover each and every school to ascertain the adequacy of infrastructure facilities, teachers, students, school management and community participation.

The parameters for the school census are to be based on the indicators monitored through UDISE+, PGI and Shagun. **Assessment of Learning Outcome will not be part of this evaluation as it will be conducted through the next round of NAS/School Based Assessments.** The feedback will help in facilitating the system to be responsive to school specific needs and initiate appropriate policy interventions. **The guidelines for the programme have been issued on 25th April, 2019.**

iii) Integrated Teacher Training Programme (Elementary level)

In-service teacher and teacher educators training have been an integral part of erstwhile Schemes of SSA, RMSA and CSSTE. As per the framework of Samagra Shiksha, various kind of trainings such as training for Principals/HMs (Refresher and Residential), Teachers (Refresher and Induction), Teacher Educators (Residential, Training of Master Trainers and Programme and Activities), Training of Educational Administrators (Residential) and Training for School Management and Development Committee (SMDC) Members are provided in different components. This kind of segmentation has adversely affected the efficacy of training. Therefore, an integrated approach by subsuming abovementioned trainings into a standardised comprehensive training package has been envisaged in order to ensure effectiveness of school eco-system and improvement in learning outcomes. This is first time when the Department through its academic bodies such as National Council of Educational Research and Training (NCERT) and National Institute of Educational Planning and Administration (NIEPA) is taking a lead role and will conduct face to face training for around 32000 Key Resource Persons (KRPs) across all the States and UTs.

Earlier in-service teacher trainings were conducted by the concerned States and UTs through SCERTs or any other agency as selected by them. Even after providing teachers training for last so many years, the efficacy of the training and its impact on improvement of learning outcome remain a big question. Cascade method with multiple layers has resulted in high percentage of communication loss when it reached grass root level. Requests have been received from many States and UTs to provide support in this regard. Recently, NCERT conducted a pilot in Tripura and trained 31000 teachers directly through Key Resource Persons (KRPs) trained by NCERT. After successful implementation of integrated teacher training in Tripura, it has been decided to scale up this model at national level and implement in all States and UTs. NCERT and NIEPA have been identified to lead this training in a mission mode in defined time period.

- Integrated Teacher Training Programme (Elementary level) would address concerns such as learner-centred pedagogy, learning outcomes, creating safe and secure environment in schools, role of community in improving school education, school based assessment, etc., which are required to reach the grass root level (i.e., to the teacher). For this, an integrated teacher training programme will be conducted in the months of June – November 2019 to directly train all 41 lakh teachers, school heads, BRCs and CRCs at the elementary level.
- This training will prepare teachers for School Based Assessment to be conducted in December, 2019 in all the schools.
- NCERT will formulate 8 National Resource Groups (NRGs) having 15 Resource Persons each, including experts from NIEPA. NRG from NCERT and NIEPA will include experts in different subject areas and generic issues.
- NRGs will conduct face to face training for the Key Resource Persons (KRPs) identified at the State and UT level, which shall include faculty members of DIETs, SCERTs, IASEs, CTEs, Senior Secondary Schools, BRCs, etc.
- Key Resource Persons will form a group called State Resource Group (SRGs), which will have 6 Resource Persons (5 KRPs + 1 School head trained under School leadership Programme of NIEPA). These SRGs will directly conduct training for teachers, Head Teachers/Head Masters, BRCCs and CRCCs at block level. One SRG will train about 125-150 participants at a time.

- A Learning Management System (LMS) Portal and a Mobile App will be developed by NCERT for registration of Resource Persons and Teachers, dissemination of resources, training gap analysis, monitoring, mentoring and measuring the progress online. Guidelines for the training of KRPs, SRPs and Teachers will be prepared along with the modules and shared with the States and UTs.

This training envisages to achieve both tangible and intangible benefits in terms of 100% coverage of elementary stage teachers, Head Masters/Head Teachers, Principals, faculty of SCERT and DIETs, Block Resource Centre Coordinator (BRCC), Cluster Resource Centre Coordinator (CRCC), who are trained through an integrated teacher training package. This will be helpful in making classrooms learner-friendly and improving children's competencies including critical thinking, problem solving, creativity, as well as social-personal qualities such as cooperation, team work etc.

iv) School Based Assessment (SBA)

Preparations for NAS 2020 (Pre NAS 2020) interventions have been initiated to reach out to all the districts of different States and UTs. In this context, a School Based Assessment (SBA) is proposed to be conducted throughout the country to assess the Learning Outcomes of all the children at the Elementary level. The purpose of the SBA is to empower the teachers to improve the learning levels of the students.

A framework to improve the quality of learning through SBA in the schools is being prepared which would focus on bringing in its ambit school leaders, teachers and the whole network of officials at blocks, DIETs, SCERT and the Directorates of Education in different States and UTs. The key features of the School Based Assessment are:

- It is proposed to be a decentralised test where the preparation of the test papers will be done at District level for which training will be given by NCERT and administration of the test will be at the school level.
- Non standardized assessment would be used to link to individual learning styles of each child. Emphasis will be on portfolio, self and peer assessment used in conjunction with teacher assessment. Assessment of personal social qualities along with cognitive competencies will be encouraged. A strong and relevant feedback mechanism will be inbuilt allowing the teacher to give immediate and constructive feedback to students.
- SBA would have an online reporting system of both school and teacher level performance which can be monitored at the District, State and National level.
- Guidelines, handbook, videos, e-books and e-learning materials will be developed for conduct of SBA and shared with the States and UTs.
- SBA would involve in its framework 'a whole school approach' which involves the participation of the community in the learning process. Students' progress would be discussed with the parents and shared with the SMCs and suggestions would be sought.
- In implementing the SBA, emphasis will be on on-site mentoring by the Cluster Resource Centre Coordinator (CRCC). The CRCCs would nurture and support the teachers on a regular basis. Teachers would be encouraged to participate in quality circles within the clusters.
- Sample checking by an external agency will be done to validate the data from the schools.

v) Strengthening of CRCs - Mobility support to CRCs

The Cluster Resource Centres are the most critical units for training and on-site support to

schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school performance. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Cluster Resource Coordinator should visit the schools and provide onsite academic support under his/her jurisdiction at least once in 2 months and send reports on a common platform to be shared by MHRD.

vi) School Management Committee (SMC) Training

Training of SMC members is required to be conducted by the Cluster Resource Coordinator (CRC). Four Quarterly meetings of SMC would be held in a year on dates to be notified by the state government for all the schools. Support for holding the meetings and uploading quarterly reports on a Mobile App on the meeting held as well as on the status/activities of the school will be provided.

vii) Display of LOGO of Samagra Shiksha

A Logo is the symbol of the vision and spirit of the Scheme. A logo also helps in fostering the spirit and building a bond between the school, the student and the community at large. Earlier, SSA logo was painted on school walls which was very well received by the community and helped in identifying the schools.

Thus, it becomes important for all schools to display the logo prominently on the premises. All schools will be required to display the logo of 'Samagra Shiksha' along with facilities under the scheme such as free text books, free uniforms etc. at prominent place through wall paintings or display board. The design of the logo will be shared by MHRD.

viii) Shagun Repository

This has been designed to change the narrative on school education by showcasing the multitude of innovative & successful models being implemented by all States and UTs in diverse circumstances. It enables the successful initiatives to be replicated & taken to scale. It encourages all States and UTs to positively compete with each other to carry out and upload best practices. This repository of good practices focuses on positive stories and developments that are driving performance improvements in school education. These innovative practices are documented in the form of case studies, videos, testimonials and images for which support is being provided under Samagra Shiksha.

ix) Constitution of Youth Club and Eco Club

Youth clubs in schools are an instrument to develop life skills, build self-esteem, develop self-confidence and resilience and counter negative emotions of stress, shame and fear.

Eco clubs in schools will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum.

In view of the above, all schools will constitute Youth and Eco clubs for students where they can participate in activities such as debates, music, arts, sports, reading, physical activities after school hours and during vacation. These would help in utilising the idle school infrastructure particularly playing fields, sports equipment and libraries which will help the students to develop hobbies, skills and interests they might not otherwise be able to explore.

x) Identity card to teachers

In order to ensure quality of education, it is essential that duly appointed teachers are present in schools. Hence, the States and UTs are required to issue identity cards to all their regular and contractual teachers of elementary and secondary/higher secondary schools having the details such as photograph & name of the teacher along with name of the School with U-DISE Code, Full Address of the school with Block, Village, District, and Designation etc. PGI indicator 2.1.6 will be amended to replace teachers' photos with ID cards for teachers.

xi) Rangotsav

For the promotion of experiential learning and joyful learning, various activities are organized for both students and teachers. Some of the major activities under taken are Kala Utsav; Role Play Competition; Band Competition; Music Teacher Competition and Folk dance competition. While competitions will be organized at the secondary level, focus may be on joyful learning at elementary level.

xii) School Safety & Security

The issue of school safety has become more complex moving beyond corporal punishment to bullying, physical violence, sexual, psychological and emotional violence, even leading to death in extreme cases. In the recent past, there have been reports of violence and tragic incidents in schools including murder, assault and rape. This is a key cause of worry, demanding a school safety and security framework and plan of action.

The scheme of Samagra Shiksha endeavours to provide every child access to education in an environment that is safe, protective and conducive to growth & development. The teachers need to function as first step counsellor within the school. Also, every school is required to display a board on safety with helpline and emergency numbers and contact persons.

xiii) Performance Grading Index

The Performance Grading Index (PGI) has been designed to cater to the transformational change in the field of school education, where the focus has now shifted to the quality of education. The index comprising of 70 indicators would propel States and UTs towards undertaking multipronged interventions that will bring about the much desired educational outcomes.

xiv) UDISE+

This is an improved and updated version of UDISE. The entire system will be online and gradually move towards collecting real time data. Some of the expected outcomes of UDISE+ are: Evidence based planning and decision making; data analytics to identify factors

affecting school performance: time series data to study the trend over years and monitor improvement and growth: track key performance indicators and rationalization of schools and teachers based on evidence.

xv) Reporting by the Head Masters/Principals

In order to monitor the expenditure under Samagra Shiksha and ensure that all the services and facilities reach the schools, a detailed system of obtaining reports every two months from every Head Master & Principal in a government school will be put in place. The reporting will be done through a Mobile App, which will be compiled at a central server where the software will generate discrepancy reports, which will then be followed up for correction/necessary action.

xvi) Reporting by the BRCs

The potential of BRCs as academic resource centers is yet to be realized and their role and functions are to be academically channelized. BRCs/URCs need to function as resource centres to study the problems and to design strategies to address the academic issues in schools.

The Block Resource persons will be adequately trained and utilized more effectively. Under the Integrated Teacher Training Programme all the target groups, namely, teachers, principals, block and cluster resource persons, etc., will be brought on the same platform and oriented on similar content focusing on their specific roles and responsibility. There will be regular visits by the BRPs to schools for continuous monitoring, follow-ups and to ensure that learnings from training are translated in classroom transactions. The reporting will be done through the Mobile App which will be compiled at a central server where the software will generate discrepancy reports which will then be followed up for necessary action.

7. Total Estimated Budget (2019-20)

The estimates for the AWP&B for 2019-20 under Elementary, Teacher Education and Secondary are as under: -

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Total
Elementary	12978.52	17736.85	258215.04	288930.41
Secondary	23631.43	2328	14858.72	40818.15
Teacher Education	3364.19	0	4194.84	7559.03
Total	39974.14	20064.85	277269.08	337308.07

Includes Programme Management (MMER)

8. Actual Releases by GOI during 2019-20

Against the above estimates, **Central Government shall provide to the State Government, Rs.973.01crore as its share (Rs. 880.47 crore for elementary, Rs. 58.94 crore for secondary & senior secondary and Rs. 33.58 crore for Teacher Education). The State would contribute Rs. 648.67crore as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.**

States and UTs will also be able to utilise their unspent balances as on 31st March, 2019 for the activities approved in 2019-20 including spill over.

The additional requirement of funds as proposed by the States in the meeting has been examined and based on the norms & the criteria of the Samagra Shiksha Scheme, the funds for the eligible activities has been considered and provided in the estimates.

There are likely to be savings. Therefore, supplementary PAB meeting on the request of the States may be considered separately sometime in the month of October-November, 2019.

The state is advised to prioritise the following activities besides RTE entitlements which would help the States in improving the grades under PGI, and particularly learning outcomes (as brought out from the post NAS-2017 analysis).

Sl. No.	Priority activities
1	Composite School Grant
2	Integrated Teacher Training (EE) including Printing of Integrated Teacher Training package
3	CRC mentoring of Schools and Teachers
4	School Based Assessment (EE)
5	School Audit (Shagunotsav) (EE & SE)
6	Display Board on Safety Guidelines (EE & SE)
7	Library Grant
8	Sports & Physical Education
9	Constitution of Youth Club and Eco Club (for all classes)
10	Logo and Display Board –Samagra Shiksha (for all schools)

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2019-20.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2019-20 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

9. Release of Funds:

The release of funds under the scheme will be further guided by the following conditions:

- a) State should release/transfer the central share to State Implementing Society within 15 days of its receipt in the State Treasury.
- b) The State share should be released to the State Implementing Society within one month of the release of the central share.
- c) All releases by the Centre would be subject to fulfilment of provisions of GFR by the State. The procurement guidelines as prescribed in the FM&P Manual should be adhered to and all procurement activities by the States and UTs should be routed through GEM portal.
- d) All guidelines issued by MHRD regarding utilisation of funds under the scheme will be followed.
- e) The release of central share of funds to all the States and UTs is subject to fulfilling the submission of documents, reports, financial statements as prescribed in the Samagra Shiksha FMP Manual.
- f) The ad-hoc amount of instalment has been released to the eligible States during April-May, 2019.

As regards the balance of funds to be released towards 1stinstalment and 2ndinstalment, the conditions to be fulfilled are as under:

The 1stInstalment would be released only after proposal for release of first instalment is received from State Government along with:

- Approval of Annual Plans by PAB;
- Transfer of GOI share of previous year to SIS from State Treasury;
- Release of commensurate State share for previous year; and release of full GOI share of ad-hoc release of Central Government to SIS along with matching State share by State Government.
- Submission of provisional UC for previous year. The utilization certificate should be duly countersigned by the Administrative Secretary/ Finance Secretary
- Confirmation of state towards provisions of matching State share in the State Budget for the current financial year.
- Provisional Expenditure Statement of the current year
- Statement of Outstanding Advances Accrued, adjusted and pending till date.
- Physical Progress of Civil Works up to March 2019

The 2nd instalment would be released only after:

- Request letter is received from State/UT for release of 2nd instalment.
- Latest expenditure statement (Capital Head and General Head separately) of the State Implementation Society for 2019-20 for EE, SE and TE components. Expenditure statement should indicate the release of GoI share from previous installment to SIS from Treasury.
- Final Utilization Certification (Capital and General Head separately and on separate pages) for the year 2018-19 for EE, SE and TE components, along with consolidated Audited UCs separately for General Head and Capital Head, must contain General component, SC component and ST component-wise financial details. The audited UCs should be counter signed by Administrative Secretary of the Department/Finance Secretary.
- Statement showing cumulative status of state share since inception of SSA, RMSA and TE.
- Audit report of Samagra Shiksha for the year 2018-19
- Statement showing details on outstanding advances accrued, adjusted and pending till date for EE, SE and TE components.
- Action taken report on the Pending Audit observations for SSA and RMSA.
- Documents relating to creation of combined State Implementing Society (SIS) for implementation of Samagra Shiksha.
- Receipt of Central Share of balance of 1st instalment by SIS.
- Receipt of Central Share along with matching State share of 1st instalment by SIS.
- Physical progress report of Civil Works.
- Latest Annual Report.
- All procurement activities are to be carried out invariably through the GEM portal only.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MHRD which have been deliberated in detail in the PAB meetings. The objective of this is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes and monitoring mechanism for each activity which will help States and UTs in assessing their performance.

The funds for library grants should be utilized in accordance with the detailed guidelines issued by MHRD. The following points also need to be kept in mind.

(i) Printing and Procurement of books:

- All the procurement of books from library grant should be done at State and UT level.

The funds meant for library grant should not be released by the States and UTs to Districts/schools.

- An age appropriate series of books is being published by NCERT especially for procurement from Library Grant under Samagra Shiksha. States and UTs may place direct orders to NCERT for procurement of these books from State Level. NCERT will make the delivery of the books at the Central Level. States may further deliver these books to schools. States and UTs may also obtain the copyright of these books from NCERT and get them translated in their regional language with the help of SCERTs and print in the States and UTs with the help of their Printing Corporations/Government Press. For this purpose, States and UTs may enter into MoU with NCERT.
- Age-appropriate books should be procured for use of children of different age-groups. Books for classes' up to Grade V may be called Bulbul series, for Grades VI to VIII as Mynah series and Grades IX to XII as Koel series.
- States and UTs may if they so desire, procure books, meant for children, beyond the NCERT list from other Government publishers including SCERTs, Central Institute of Indian Languages (CIIL) etc. States and UTs may also develop their own library books including comics and illustrated books through the SCERTs and printing and publish them for use as library books. States can have their own folk tale series of books to promote regional cultural heritage.
- All books procured for libraries must bear the year of purchase under Samagra Shiksha scheme and name of the school. No newspaper and magazines can be purchased from the library grant.

(ii) Reading:

- Schools may have provision of Reading Room/Reading Corner/Reading space and two periods in a week may be dedicated as reading periods in school time table.
- Children should have complete freedom of choosing books for themselves and reading from a range of attractively displayed books.
- The reading corner is the collective responsibility of teacher and children. Children should be given responsibility of maintaining the books in the reading corner and its usage.
- Engaging with children's literature should be an integral part of their classroom processes along with other day to day activities of reading and writing. As children develop interest and engage with literature they will be encouraged to visit the nearby library also.

(iii) Management:

- States and UTs may ensure delivery of library books to each school by using same channel as distribution of text books.
- States and UTs may make guidelines for use of libraries including number of periods, to be earmarked as library period in the govt. schools. The guidelines prepared by the States and UTs may also include provision for inspection of libraries by Implementing Officers so as to ensure that books procured are being issued on regular basis to students.
- One teacher in each school may be given the additional responsibility for safe keeping of

library books, issuing them and receiving the books back from students. The library in-charge teacher may be given relaxation from teaching for two periods in a week. Further, there should not be any penalty on the library in-charge teacher for any wear and tear of books by the students.

- School grant may be used for repairing of damaged books procured from Library grant.

- c. The Periodic Assessment Tests (Elementary):** State of Gujarat submitted this proposal to help all the children studying in Classes 3 to 8 in Government schools to read and comprehend their Class specific text. The state has asked fund for test paper and answer sheets & remedial work booklet printing / Online Dashboard / Reward / Monitoring. A total amount of Rs. 370 lakhs @ Rs 10 lakh was estimated for conducting periodic assessment of students of classes 3 to 8. State is requested to share the findings with MHRD.

Activity Master	Physical (District)	Unit Cost	Financial
Periodic Assessment at Distict level (Elementary)			
Activities at District level for conducting periodic assessment of students of classes 3 to 8.	37	10.00000	370
Total of Assessment at State level (Elementary)			370

Outcome: The Periodic Assessment Test results and its analysis will help teachers in preparing of lesson plan for classroom teaching, project work and individual and group assignments

Monitoring: The Cluster and Block level resource teams can verify the data randomly during their support visit to schools.

- d. Innovative activities (Elementary):** An amount of Rs. **8237.58** Lakh was estimated for the innovative activities (Project based) under this component, including:

1. Command and Control Centre (CCC) at State Level: Command and Control Centre (CCC) will consist of call management solution (CMS) with integration of SMS gateway and integrated real-time dashboard of all the application running in Samagra Shiksha, Gujarat. There will be in total 100 Nos. of agent in the CCC with specified responsibilities e.g. monitoring call management, Helpline management, branch wise call management etc. This platform will be used for rigorous monitoring & follow-ups of field level activities in the context of key factors viz. students' & teachers' attendance, learning level of students, assessments, pedagogic & remedial processes etc. affecting the quality of education and transition rate to improve PGI grading. An outlay of Rs. 400 lakh was estimated for Command and Control Centre at State Level for monitoring, capacity building, hand holding, video making activities, etc.

(Rs. In lakh)

Activity Master	Physical (State)	Unit Cost	Financial
Project - Innovative Activities (Elementary)			
Command and Control Centre-State Level	1	400.00000	400

2. Small Wonders - ICT Club at School Level: -To promote the ICT education starting from the elementary level. The state has submitted the proposal for ICT club at the school level for the school children interested in ICT field who can be trained further in ICT Operations & basic troubleshooting and basic operations of mobile based applications. This separate community of school children '**Small Wonders - IT Club**' gradually, would expand and schools shall become self-reliant in terms of required ICT support for maintaining ICT equipment & systems at Schools. The state has asked fund for the cost of awareness and publicity about ICT club, teacher and student training on ICT, Hardware Cost, examination cost for students and development of training materials. An amount of Rs. 475.83 lakh @ Rs. 2890 per school was estimated for ICT Club Small Wonders in 16465 schools.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Project - Innovative Activities (Elementary)			
ICT Club-Small Wonders	16465	0.02890	475.8385

Outcome: Creation of school level group for IT operation support & troubleshooting and Opportunity for students to learn the different perspectives of ICT tools and more participation of students in the usage and upkeeping on ICT equipment at schools.

Monitoring: State to share UDISE codes of the schools where the activities will be carried out within 2 months.

3. Inclusive school with Resource Support for CWSN: - To improve access to resources for the children with special needs and provide intensive and meaningful inclusive education, state has proposed to establish 815 inclusive schools in all blocks with in-house resource rooms and special educators. In this activity, the children with special needs will be provided necessary basic therapy equipment and Dr-Speech software, along with required environment building. An outlay of Rs. 600 lakhs @ Rs. 3 lakh per school was estimated for 200 inclusive schools. The cost includes Kit for resources room, Musical instrument, Expert and Rahya allowance, Exposure visit, Painting and signages for environment building, necessary life skill and pre vocational activity material. Allowance for CWSN, Dr-speech software with computer / laptop system with web camera in schools.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Project - Innovative Activities (Elementary)			
Inclusive school with Resource Support for CWSN	200	3.00000	600

Outcomes: This would help to increase the Gross Access Ratio of CWSN (Age group 6-18) and provide equal opportunities for CWSN to access government schools. This is covered under PGI Indicator 1.4.12.

Monitoring: Field inspections through Shagunotsav and other report.

4. Learning by Doing Centre (LbD):The state has proposed to provide Learning-by-Doing (LbD) kits to promote exploratory learning of Science and Mathematics among students of schools having enrolment more than 300. The kits will work towards creating a culture of “doing and making” among students and teachers. The program will be implemented for hands on activity for Science and Math in elementary schools. Selection of the schools to provide LbD kit will be done on the basis of eligibility criteria set by the state. An outlay of Rs. 161.4 lakh @ Rs. 30000 per Centre for 269 blocks was estimated for Learning by doing centre @ 2 centre/block to undertaking various activities. The cost includes workshops, training, Maths and Science resource kit, video development etc.

(Rs. In lakh)

Activity Master	Physical (LbD centres)	Unit Cost	Financial
Project - Innovative Activities (Elementary)

5. Primary English learning kit (PELK) and early school mathematic learning kit (ESML) of NCERT:-To promote activity-based learning among student and overcome the phobia of English and Mathematics the state has proposed for learning kits. These kits will be provided in all 33504 elementary Schools. The material present in this kit will be used by the teachers as Teaching Learning Materials. Teachers can engage the students in various creative learning activities through this kit. This kit is designed by NCERT to achieve the learning outcomes set for the elementary level. English kit has flash cards, alphabet cubes, writing boards, puzzles, story and poem art cards, slate, brail charts, masks, alphabet cards etc. Mathematics learning kit includes flash cards, number board, puzzles, dice, beads, scales etc to learn numeracy in interesting way. Material used in the kit is reusable and it can be used to conduct individual as well as group activities. The state will procure these kits from the empanelled vendors authorised by NCERT. An amount of Rs. 917 lakh @ Rs. 2737 per school was estimated for Mathematics learning kit and Rs. 2320.15 lakh @ Rs. 6925 per school for English learning kit.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Project - Innovative Activities (Elementary)			
NCERT- Early school Mathematic learning kit (ESML)	33504	0.02737	917.0048
NCERT-Raindrop: primary English learning kit (PELK)	33504	0.06925	2320.1500
Total			3237.1548

Outcome: This would enable the State to formulate appropriate strategies for improving the performance of students in English and mathematics and is covered under PGI indicators 1.1.1 to 1.1.9.

Monitoring: Field inspections through Shagunotsav and other report.

6. Strengthening foundational learning: -The objective of this innovation is to strengthen the foundational learning in Grade 1 to 3. The design includes provision for instructional methods, assessment, teaching learning materials for students, capacity building of teachers, coaching and mentoring. This activity also aims to undertake solutions to state specific issue such multi-grade classrooms, home and school language difference through this programme. An amount of Rs. 695.537 lakh @ Rs. 100 per student (for 695537 students) was estimated for Foundational Learning Programme.

(Rs. In lakh)

Activity Master	Physical (Students)	Unit Cost	Financial
Project - Innovative Activities (Elementary)

Outcome: This would enable the State to formulate appropriate strategies for improving the performance of students and is covered under PGI indicators 1.1.1 to 1.1.9.

Monitoring: Field inspections through Shagunotsav and other report.

7. Use of Technology for CWSN Education & Monitoring: The state has submitted a proposal to roll out a monitoring application with geo tagging feature to streamline school visits by special educators, report attendance and keep a tab on enrolment, medical certification and education learning outcomes for children with special needs. The monitoring application will enable dynamic policy and administrative actions at the state level. The app will have feature to filter outcomes based on key parameters a) Administrative level: State, District, Block, school level b) Disability type : 21 types of disabilities c) Gender d) Social category e) Class or grade. An amount of Rs. 117.432 lakh @ Rs. 8400 was estimated for Use of Technology for CWSN Education & Monitoring. This amount includes cost of application, tablets for Resource Persons, BRT and training of stakeholders.

(Rs. In lakh)

Activity Master	Physical (RPs, BRTs and Special Teachers)	Unit Cost	Financial
Project - Innovative Activities (Elementary)			
Use of Technology for CWSN Education & Monitoring	1398	0.08400	117.432

Outcomes: This would help to increase the Gross Access Ratio of CWSN (Age group 6-18) and provide equal opportunities for CWSN to access government schools. This is covered under PGI Indicator 1.4.12.

Monitoring: Field inspections through Shagunotsav and other report.

8. Twinning/Partnership and Teacher Exchange Programme (Elementary): The state has submitted a proposal for twinning of schools in the same cluster or between schools in different cluster/blocks within same district. The total coverage under Twinning will

be 13,000 Schools. Around 100 students and teachers will be participating in twinning from 13,000 school with a total of 13,00,000 students from these Schools. An amount of Rs. 1300.00 lakh @ Rs. 100 for each school was estimated to cover exchange of ideas, sharing of best practices, etc., and other activities among students/Teachers of different schools. State is requested to provide UDISE No. of these schools within two months where these activities will be carried out.

(Rs. In lakh)

Project Innovation (Elementary)			
Twinning of schools for greater exposure programme covers exchange of ideas, and other activities among students/Teachers of different schools	1300000	0.00100	1300

Outcomes: This would help to increase governance process, which is covered under PGI Indicator 2.1.5.

Monitoring: Field inspections through Shagunotsav and other report.

9. Focussed School Academic Support Programme – Sabal Shala: The ‘Sabal Shala’ programme is an opportunity for schools to challenge themselves to achieve excellence in terms of performance of their students in different subjects and learning outcomes. As part of the programme, a time-bound goal has been set up. **One** goal is a qualitative target of making all the identified / selected students studying in School in Std. 3 to Std. 8, Read and comprehend their Grade level text and Learn basic mathematical operations including numeracy skills. The **second** goal is to improve the performance of students on Class and subject specific learning outcomes. Supplementary, interactive learning material / Report cards / Study material / Support activities / Third party assessment would be carried out under this activity. For this purpose, an outlay of Rs. 1239.276 lakh @ Rs. 30 per student was estimated for 4130920 students.

(Rs. In lakh)

Activity Master	Physical (Students)	Unit Cost	Financial
Project Innovation (Elementary)

Outcome: The above intervention will help in improving the learning outcomes of children and are covered under PGI Indicators 1.1.1 to 1.1.9.

Monitoring: On the basis of School Based Assessment (SBA) and other reports.

e. Innovative Activities (Secondary and Sr. Secondary): An amount of Rs. 2814.53 lakh was estimated for the innovative activities (project based) under this component, including:

1. Career Counselling and Psychometrics testing: The state has proposed to introduce a long-term technology-based career counselling programme for students of

Grade 9 and 11. The state has proposed to develop a Web/Mobile based software/application for Psychometric test (career interest, aptitude, and personality test). A consolidated dash board will be displayed on the Website/App, which will guide students to choose career paths based on his/her analysis, report and interest. This will include online test, support through tele-counsellors, personal counselling through trained counsellors. Students will be provided IEC materials for Guidance and Support. Capacity Building Workshops/TOT will be organised for the Counsellors. An outlay of Rs. 10.5 lakh was estimated for career counselling and psychometric testing including counsellor honorarium and diagnostic testing on a pilot basis. State to share UDISE codes of the schools where the activities will be carried out within 2 months.

(Rs. In lakh)

Activity Master	Physical (On pilot Basis)	Unit Cost	Financial
Project Innovation (Secondary and Sr. Secondary)

Monitoring: Field inspections through Shagunotsav and other reports.

2. e-PAT (Periodic Assessment Test) for Grade IX: The state has proposed to implement Periodic Assessment Test (PAT) in Grade 9 of all government schools by developing online assessment platform and providing tablets for examination as pilot project. This activity proposes to track the learning outcome of Grade 9 students using technology based on which remedial methods would be modified to improve the learning Outcomes. An outlay of Rs. 1294.03125 lakh was estimated for e-Periodic Assessment Test (PAT) for Grade IX which includes Hardware Cost, Online assessment platform development and integration with question bank, Internet connectivity. State to share UDISE codes of the schools where the activities will be carried out within 2 months.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Project Innovation (Secondary and Sr. Secondary)			
e-Periodic Assessment Test (PAT) for Grade 9	1125	1.15025	1294.03125

Outcome: The interventions at (1) and (2) above will help in improving the learning outcomes of children and are covered under PGI Indicators 1.1.2 to 1.1.9, 1.3.4 and 1.3.6

Monitoring: On the basis of School Based Assessment (SBA), Field inspections through Shagunotsav and other reports.

3. STEM LAB: The state has proposed to establish **500** STEM labs in Secondary and Higher Secondary Schools for promoting STEM (Science, Technology, Engineering and mathematics) education. These STEM labs will have all the equipment for hands-on

activity related to the curriculum of Mathematics, Physics, Chemistry and Biology. This lab will consist raw materials which are required to prepare working model based on content delivered in the classroom. Concept of the STEM lab is based on the **Atal Tinkering Labs** to encourage learning by doing. This lab will also help to develop understanding of **Robotics**. To undertake this activity, an outlay of Rs. 1500 lakh was estimated for setting up various equipment and integrating all branches of science. State to share UDISE codes of the schools where the activities will be carried out within 2 months.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Project Innovation (Secondary and Sr. Secondary)			
STEM LAB	500	3.00000	1500

Outcomes: The above intervention will help in improving the Infrastructural facility in secondary schools and are covered under PGI Indicators 1.3.2.

Monitoring: Field inspections through Shagunotsav and other reports.

4. Internship for Higher Secondary Students as part of the Vocational Education Programme:

The state has proposed to introduce Internship programme for Secondary and Higher Secondary Students as a part of Vocational Education Program for students above 14 Years of age or students of 11th standard for Summer Vacation Program. Schools/ Vocational Training Providers (VTPs) will tie up with nearby industries, companies, stores, etc... for internship program as per job roles. Students will undergo for **Internship Program for 100 Hours** to nearby selected industry/company. Schools/VTPs will coordinate and look after student's attendance and benefits from internship. Report on Learning and feedback on internship programme will be submitted by students. Upon successful completion of internship programme students will receive receipt of report and certificate from company. An amount of Rs. 10.00132 lakh was estimated for the internship programme which includes internships of students and job fair.State to share UDISE codes of the schools where the activities will be carried out within 2 months.

(Rs. In lakh)

Activity Master	Physical	Unit Cost	Financial
Project Innovation (Secondary and Sr. Secondary)			
Internship for Higher Secondary Students as part of the Vocational Education Programme (Students)	644	0.01553	10.00132

Outcome: The above intervention will help in improving the Infrastructural facility in Higher secondary schools and are covered under PGI Indicator 1.3.5.

Monitoring: Field inspections through Shagunotsav and other reports.

7) Gender & Equity:

- a. Kasturba Gandhi Balika Vidhayalaya (KGBV)- Type-I:** An outlay of Rs.1455.87 lakh (Recurring Grant) as per unit costs given below is estimated for maintenance and recurring costs, under Elementary component for Type-I KGBVs.

Outcome: Increase of girls' enrolment in Educationally Backward Blocks (EBBs), reduce gender gap and improve girls' retention rate in secondary/higher secondary schools. This is covered under PGI indicator No. 1.4.10 & 1.4.11.

- e. **Self-Defence:** Gender-based violence is a serious problem threatening the growth, development, education and health of adolescent girls in the country. Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The State may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes.

- i) **Self-defence training at Elementary level:** An outlay of Rs. 1980 lakh @ Rs. 3000/- per school per month was estimated for 3 Months training in self-defence for girls in 22000 number of schools.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Self Defence Training (up to Highest Class VIII)			
Self Defence Training (Upto Class VIII)	22000	0.09	1980
Total			1980

- ii) **Self-defence training at Secondary level:** An amount of Rs. 88.74lakh @ Rs. 3000/- per school per month was estimated for Self-Defence training in 986 secondary/higher schools.

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Project- Girls Empowerment (Secondary)			
Training to all girls in Self Defence	986	0.09	88.74
Total			88.74

Outcome: This would strengthen girl's enrolment & retention and is covered under PGI indicator 1.4.10.

Monitoring: State to share UDISE codes of the schools where the activities will be carried out within 2 months.

- f. **Special project for equity:** An amount of Rs. 168.3 lakh was estimated for the innovative activities (project based) under this component, including: Life skills, adolescent Programme for girls. The details of the programmes are as under:

(Rs. In lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
