**Minutes of the meeting of the Project Approval Board held on 7<sup>th</sup> May 2019 to consider the Annual Work Plan & Budget (AWP&B) 2019-20 of Samagra Shiksha for the State of Tripura.**

**1. Introduction**

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2019-20 for SAMAGRA SHIKSHA for the State of Tripura was held on 7<sup>th</sup> May 2019. The list of participants who attended the meeting is attached at *Annexure-I*.

**2. Initiatives of the State**

Ms. Rina Ray, Secretary (SE&L) invited the state to give a presentation on school education in the State. Smt. Saumya Gupta, Education Secretary (Tripura), gave a presentation which included the following major points:

- a) The State Government has adopted the NCERT curriculum and also changed their annual calendar for schools from January–December to April - March. The NCERT curriculum has been adopted for class I to XII and copyright obtained for NCERT books. Also, all Elementary teachers (approx. 31,000) have been trained on transactional methodology of NCERT through key Resource Persons, which has been very successful, in covering all teachers in a standardised training programme in a time bound manner.
- b) The State has changed all the Recruitment Rules of teachers, in order to match with the requirements of the National Council for Teacher Education (NCTE).
- c) The State Government is distributing the free textbooks on the very day of declaration of result of annual exams and disbursing uniform grants before the commencement of academic session.
- d) The State Government has initiated a campaign called 'Swachh School Swachh Gram' from 1st September and culminated on 2nd October, 2019, the 150th birth anniversary of Mahatma Gandhi, to create awareness on cleanliness in schools. In this programme, each Higher Secondary school adopted 1 neighbouring habitation / hamlet to spread the message of cleanliness. All teachers, students and SMC Members were involved.
- e) The State Government had taken an initiative called 'UDDIPAN' to focus on the development of Foundation Skills such as Reading, Writing, Comprehension and Numeracy among early grade students. Uddipan classrooms are well decorated with child-friendly educational aids. Since 2016-17, Uddipan has been implemented in 1,792 schools of 11 educationally backward blocks, ST & SC dominated areas,

covered 37,088 Early Grade Children and trained 2,998 Elementary Teachers in subjects like Bengali, English and Maths.

- f) The Department of School Education, Agartala has recorded and telecast around 450 e-contents through Doordarshan, Agartala. The same are uploaded in the YouTube Channel: "Tripura Siksha Bandhu." Educational Programme on various subjects are also recorded and broadcasted through All India Radio, Agartala and radios have been provided to all Government & Government aided schools for listening to the Educational Programmes.

A soft copy of the State's presentation is available at '[www.samagra.mhrd.gov.in](http://www.samagra.mhrd.gov.in)'.

### **3. Review of Commitments and Expected Outcomes & Action Taken during 2018-19**

The progress made in implementing the commitments and expected outcomes given by the State in 2018-19 was reviewed and the status in respect of pending items is as under:

<b>Sl. No.</b>	<b>Commitment and Expected Outcomes</b>	<b>Action Taken</b>	<b>Comments of PAB 2019-20</b>
1	State will complete all the pending civil works in 2018-19.	PAB sanctioned 488 units of fresh civil works, amounting to Rs. 1792.144 lakh during 2018-19. Out of these, 266 works are completed and the remaining 222 units are in progress. All these are expected to be completed soon. For construction of Science Lab in 6 schools approved during 2018-19, an amount of Rs. 250.00 lakh has been placed to the Engineering Cell of DSE as part payment. All the works are in finishing stage.	State was requested to take up the pending civil work on priority and complete the same within this financial year.
2	State shall take appropriate steps to arrest the decreasing trend in enrolment in Govt. and aided schools.	Apparently, enrolment trend is decreasing for the last couple of years. To address this issue, various initiatives have been taken. Opening of new English Medium schools and converting State Board schools to CBSE are some of the important ones.	State was requested to measure the impact of all the initiatives taken and share a report with MHRD.

3	Preparation of worksheets based on learning outcomes will be designed and further distributed.	Worksheets based on learning outcome are being prepared by SCERT in line with the guidelines of NCERT.	SCERT should plan and work out different strategies for improving the learning outcomes of the students in the State.
4	100% students will be brought under Aadhaar coverage	95% children in the State are having Aadhaar. State will cover the remaining children. Aadhaar Enrolment and Updation Centre will be opened in BRCs after receiving the Financial Aid as sanctioned by MHRD.	State was requested to ensure 100% coverage of students.

#### 4. Review of Performance during 2018-19

State has secured a score of 643 in Performance Grading Index (PGI) and was placed in Grade V (actually Category VIII as no States are in the levels of 850 and above which form the first three levels). The Domain-wise Gaps are shown below:

Category 1				Category 2	Total
Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
54	13	80	24	187	357

State was requested to examine its score in each domain and take measures to improve its overall PGI.

**a) Learning Outcomes & Quality (C-1, D-1):** As per National Achievement Survey (NAS) score, there is a need to lay more focus on class 3, 5 and 8. Also, State should ensure display of learning outcomes in all schools.

**State was requested to analyse NAS results and provide interventions to improve learning outcomes of the students.**

**b) Access Outcomes (C-1, D-2):** The State need to focus on Adjusted Net Enrolment Ratio (ANER) at Secondary level, Retention rate at Elementary and Secondary level and mainstreaming of Out of School Children.

**State was requested to take steps to ensure 100% transition rate.**

**c) Infrastructure & Facilities (C-1, D-3):** The State need to focus on provision of Computer Aided Learning (CAL) facilities at Upper Primary schools, Integrated Science Lab in Secondary Schools, availability of Library, Functional Drinking Water facility, Providing free text books to students within a month of the start of the academic session, graded supplementary material in Primary schools and Vocational Education in Class IX & XII.

State was advised to set-up CAL facilities and Science Lab facilities in upper-primary and secondary schools respectively.

- d) **Equity Outcomes (C-1, D-4):** State needs to focus on Gross Enrolment ratio of Children with Special Needs (CWSN), infrastructural facilities like ramps and functional toilets for CWSN boys and girls in schools.

State was requested to focus on accessibility for CWSN in all schools.

- e) **Governance Process (C-2, D-1) Indicators requiring more focus are:** Teachers' attendance (2.1.4), All indicators on availability of teachers and principals (2.1.9, 2.1.10 and 2.1.11), Occupancy rates of officers (2.1.13, 2.1.14), Visits to elementary schools (2.1.15), Teachers' evaluation (2.1.17), School leadership training (2.1.18) and Online transfer of teachers (2.1.22).

State was requested to examine all these indicators and take necessary actions for improving them.

## 5. Appraisal issue

- a) Drop-out at secondary level is quite high i.e. twenty-seven percent (27%). State need to work out strategies for improving the dropout rate at secondary level.
- b) There are 3401 untrained teachers in Government Secondary schools, who do not meet the requisite professional qualifications. State may prepare an action plan to conduct the requisite training.
- c) There are 3817 surplus teachers in primary and 8548 in upper primary schools. State would need to rationalize these teachers, to ensure availability of required number of teachers in all schools.
- d) In thirty-one percent (31%) of the sanctioned secondary schools, i.e. 179 schools where the ICT has not been made functional yet, state is requested to make ICT functional from the present academic year.
- e) At Secondary level, works for 41 New Schools, 89 Science labs, 146 Art and culture room and 203 Additional Classrooms (ACR) has not been completed. State may take up these pending works on priority and ensure their completion.
- f) Out of 09 KGBVs (Type IV), 01 building is in progress and 04 are yet to start. State may take up action to these pending works.
- g) GIS Mapping: Out of Total 4862 schools in the state, geographical coordinates of 337 (6.93%) schools are awaited. State is asked to submit coordinates of remaining schools by June, 2019.
- h) In DIETs, 100 academic posts (@25 per DIET x 04 DIETs) need to be sanctioned. The State Government has 64 sanctioned posts, out of which 45 are filled and 19 posts

are vacant. The State may prioritize to fill up the vacancies of Teacher Educators in all the Teacher Education Institutions.

- i) In SCERT, 45 academic posts need to be sanctioned. State Government has sanctioned 15 posts, out of which 14 are filled. The State may prioritize to fill up the vacancies of Teacher Educators in all the Teacher Education Institutions.

## 6. New Approaches 2019-20

During the year 2019-20, certain new approaches have been introduced for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcome oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme. A presentation on the New Approaches was given and after discussions, these details have been incorporated in the activity wise details mentioned in Para 10. These are given below:

### i) **PISA (Programme for International Student Assessment)**

PISA is conducted by '**Organization for Economic Co-operation and Development**' every three years. It is a **competency based assessment** which unlike content-based assessment, measures the extent to which students have acquired key competencies. The assessment tests the children in Reading, Mathematics and Science. Learning from participation in PISA will help to introduce competency based examination reforms in the school system and move away from rote learning. Schools run by *Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS) and Chandigarh all of which are affiliated to CBSE will participate in PISA, 2020-21*. Although no specific activity or funding has been given for PISA to the States, MHRD will involve all States and UTs in orientation and capacity building programme for PISA.

### ii) **Shagunotsav**

This is a Census based audit to be carried out in September, 2019 of all 11.85 lakh government and government aided schools in all States and UTs including nearly 7 lakh standalone primary schools. Data on various school based parameters is presently collected through the tools of Unified District Information System for Education (UDISE), SHAGUN, Project Monitoring System (PMS) and Performance Grading Index (PGI) to assess the quality and infrastructure at school level. However, the same is not corroborated through field visits. Feedback received from Central Prabhari Officers of aspirational districts has shown that many schools are not visited at all or the frequency of visit is very less. Therefore, a need was felt to take up the exercise of school based census to cover each and every school to ascertain the adequacy of infrastructure facilities, teachers, students, school management and community participation.

The parameters for the school census are to be based on the indicators monitored through UDISE+, PGI and Shagun. **Assessment of Learning Outcome will not be part of this evaluation as it will be conducted through the next round of NAS/School**

**Based Assessments.** The feedback will help in facilitating the system to be responsive to school specific needs and initiate appropriate policy interventions. **The guidelines for the programme have been issued on 25<sup>th</sup> April, 2019.**

### **iii) Integrated Teacher Training Programme (Elementary level)**

In-service teacher and teacher educators training have been an integral part of erstwhile Schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Centrally Sponsored Scheme on Teacher Education (CSSTE). As per the framework of Samagra Shiksha, various kind of trainings such as training for Principals/HMs (Refresher and Residential), Teachers (Refresher and Induction), Teacher Educators (Residential, Training of Master Trainers and Programme and Activities), Training of Educational Administrators (Residential) and Training for School Management and Development Committee (SMDC) Members are provided in different components. This kind of segmentation has adversely affected the efficacy of training. Therefore, an integrated approach by subsuming abovementioned trainings into a standardised comprehensive training package has been envisaged in order to ensure effectiveness of school eco-system and improvement in learning outcomes. This is first time when the Department through its academic bodies such as National Council of Educational Research and Training (NCERT) and National Institute of Educational Planning and Administration (NIEPA) is taking a lead role and will conduct face to face training for around 32000 Key Resource Persons (KRPs) across all the States and UTs.

Earlier in-service teacher trainings were conducted by the concerned States and UTs through State Councils of Educational Research and Training (SCERTs) or any other agency as selected by them. Even after providing teachers training for last so many years, the efficacy of the training and its impact on improvement of learning outcome remain a big question. Cascade method with multiple layers has resulted in high percentage of communication loss when it reached grass root level. Requests have been received from many States and UTs to provide support in this regard. Recently, NCERT conducted a pilot in Tripura and trained 31000 teachers directly through Key Resource Persons (KRPs) trained by NCERT. After successful implementation of integrated teacher training in Tripura, it has been decided to scale up this model at national level and implement in all States and UTs. NCERT and NIEPA have been identified to lead this training in a mission mode in defined time period.

- Integrated Teacher Training programme would address concerns such as learner-centred pedagogy, learning outcomes, creating safe and secure environment in schools, role of community in improving school education, school based assessment, etc., which are required to reach the grass root level (i.e., to the teacher). For this, an integrated teacher training programme will be conducted in the months of June – November 2019 to directly train all 41 lakh teachers, school heads, BRCs and CRCs at the elementary level.
- This training will prepare teachers for School Based Assessment to be conducted in December, 2019 in all the schools.

- NCERT will formulate 8 National Resource Groups (NRGs) having 15 Resource Persons each, including experts from NIEPA. NRG from NCERT and NIEPA will include experts in different subject areas and generic issues.
- NRGs will conduct face to face training for the Key Resource Persons (KRPs) identified at the State and UT level, which shall include faculty members of DIETs, SCERTs, IASEs, CTEs, Senior Secondary Schools, BRCs, etc.
- Key Resource Persons will form a group called State Resource Group (SRGs), which will have 6 Resource Persons (5 KRPs + 1 School head trained under School leadership Programme of NIEPA). These SRGs will directly conduct training for teachers, Head Teachers/Head Masters, BRCCs and CRCCs at block level. One SRG will train about 125-150 participants at a time.
- A Learning Management System (LMS) Portal and a Mobile App will be developed by NCERT for registration of Resource Persons and Teachers, dissemination of resources, training gap analysis, monitoring, mentoring and measuring the progress online. Guidelines for the training of KRPs, SRPs and Teachers will be prepared along with the modules and shared with the States and UTs.

This training envisages to achieve both tangible and intangible benefits in terms of 100% coverage of elementary stage teachers, Head Masters/Head Teachers, Principals, faculty of SCERT and DIETs, Block Resource Centre Coordinator (BRCC), Cluster Resource Centre Coordinator (CRCC), who are trained through an integrated teacher training package. This will be helpful in making classrooms learner-friendly and improving children's competencies including critical thinking, problem solving, creativity, as well as social-personal qualities such as cooperation, team work etc.

#### iv) School Based Assessment (SBA)

Preparations for NAS 2020 (Pre NAS 2020) interventions have been initiated to reach out to all the districts of different States and UTs. In this context, a School Based Assessment (SBA) is proposed to be conducted throughout the country to assess the Learning Outcomes of all the children at the Elementary level. The purpose of the SBA is to empower the teachers to improve the learning levels of the students.

A framework to improve the quality of learning through SBA in the schools is being prepared which would focus on bringing in its ambit school leaders, teachers and the whole network of officials at blocks, DIETs, SCERT and the Directorates of Education in different States ad UTs. The key features of the School Based Assessment are:

- It is proposed to be a decentralised test where the preparation of the test papers will be done at District level for which training will be given by NCERT and administration of the test will be at the school level.
- Non standardized assessment would be used to link to individual learning styles of each child. Emphasis will be on portfolio, self and peer assessment used in conjunction with teacher assessment. Assessment of personal social qualities along with cognitive competencies will be encouraged. A strong and relevant feedback mechanism will be inbuilt allowing the teacher to give immediate and constructive

feedback to students.

- SBA would have an online reporting system of both school and teacher level performance which can be monitored at the District, State and National level.
- Guidelines, handbook, videos, e-books and e-learning materials will be developed for conduct of SBA and shared with the States and UTs.
- SBA would involve in its framework 'a whole school approach' which involves the participation of the community in the learning process. Students' progress would be discussed with the parents and shared with the SMCs and suggestions would be sought.
- In implementing the SBA, emphasis will be on on-site mentoring by the Cluster Resource Centre Coordinator (CRCC). The CRCCs would nurture and support the teachers on a regular basis. Teachers would be encouraged to participate in quality circles within the clusters.
- Sample checking by an external agency will be done to validate the data from the schools.

**v) Strengthening of CRCs - Mobility support to CRCs**

The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school performance. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Cluster Resource Coordinator should visit the schools and provide onsite academic support under his/her jurisdiction at least once in 2 months and send reports on a common platform to be shared by MHRD.

**vi) School Management Committee (SMC) Training**

Training of SMC members is required to be conducted by the Cluster Resource Coordinator (CRC). Four Quarterly meetings of SMC would be held in a year on dates to be notified by the State government for all the schools. Support for holding the meetings and uploading quarterly reports on a Mobile App on the meeting held as well as on the status/activities of the schools will be provided.

**vii) Display of LOGO of Samagra Shiksha**

A Logo is the symbol of the vision and spirit of the Scheme. A logo also helps in fostering the spirit and building a bond between the schools, the student and the community at large. Earlier, SSA logo was painted on school walls which was very well received by the community and helped in identifying the schools.

Thus, it becomes important for all schools to display the logo prominently on the premises. All schools will be required to display the logo of 'Samagra Shiksha' along with facilities under the scheme such as free text books, free uniforms etc. at prominent

place through wall paintings or display board. The design of the logo will be shared by MHRD.

**viii) Shagun Repository**

This has been designed to change the narrative on school education by showcasing the multitude of innovative & successful models being implemented by all States and UTs in diverse circumstances. It enables the successful initiatives to be replicated & taken to scale. It encourages all States and UTs to positively compete with each other to carry out and upload best practices. This repository of good practices focuses on positive stories and developments that are driving performance improvements in school education. These innovative practices are documented in the form of case studies, videos, testimonials and images for which support is being provided under Samagra Shiksha.

**ix) Constitution of Youth Club and Eco Club**

Youth clubs in schools are an instrument to develop life skills, build self-esteem, develop self-confidence and resilience and counter negative emotions of stress, shame and fear.

Eco clubs in schools will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum. **Eco-clubs will carry out activities related to water conservation and creating awareness on water conservation, especially during the period of Jal Shakti Abhiyan campaign starting from 1<sup>st</sup> July, 2019.**

In view of the above, all schools will constitute Youth and Eco clubs for students where they can participate in activities such as debates, music, arts, sports, reading, physical activities after school hours and during vacation. These would help in utilising the ideal school infrastructure particularly playing fields, sports equipment and libraries which will help the students to develop hobbies, skills and interests they might not otherwise be able to explore.

**x) Issue of Identity card to teachers**

In order to ensure quality of education, it is essential that duly appointed teachers are present in schools. Hence, the States and UTs is required to issue identity cards to all their regular and contractual teachers of elementary and secondary/higher secondary schools having the details such as photograph & name of the teacher along with name of the School with U-DISE Code, Full Address of the school with Block, Village, District, and Designation etc. PGI indicator 2.1.6 will be amended to replace teachers' photos with ID cards for teachers.

**xi) Rangotsav**

For the promotion of experiential learning and joyful learning, various activities are organized for both students and teachers. Some of the major activities under taken are

Kala Utsav; Role Play Competition; Band Competition; Music Teacher Competition and Folk dance competition. While competitions will be organized at the secondary level, focus may be on joyful learning at elementary level.

**xii) School Safety & Security**

The issue of school safety has become more complex moving beyond corporal punishment to bullying, physical violence, sexual, psychological and emotional violence, even leading to death in extreme cases. In the recent past, there have been reports of violence and tragic incidents in schools including murder, assault and rape. This is a key cause of worry, demanding a school safety and security framework and plan of action.

The scheme of Samagra Shiksha endeavours to provide every child access to education in an environment that is safe, protective and conducive to growth & development. The teachers need to function as first step counsellor within the school. Also, every school is required to display a board on safety with helpline and emergency numbers and contact persons.

**xiii) Performance Grading Index**

The Performance Grading Index (PGI) has been designed to cater to the transformational change in the field of school education, where the focus has now shifted to the quality of education. The index comprising of 70 indicators would propel States and UTs towards undertaking multipronged interventions that will bring about the much desired educational outcomes.

**xiv) UDISE +**

This is an improved and updated version of UDISE. The entire system will be online and gradually move towards collecting real time data. Some of the expected outcomes of UDISE+ are: Evidence based planning and decision making; data analytics to identify factors affecting school performance; time series data to study the trend over years and monitor improvement and growth; track key performance indicators and rationalization of schools and teachers based on evidence.

**xv) Reporting by the Head Masters/Principals**

In order to monitor the expenditure under Samagra Shiksha and ensure that all the services and facilities reach the schools, a detailed system of obtaining reports every two months from every Head Master & Principal in a government school will be put in place. The reporting will be done through a Mobile App, which will be compiled at a central server where the software will generate discrepancy reports, which will then be followed up for correction/necessary action.

**xvi) Reporting by the BRCs**

The potential of BRCs as academic resource centers is yet to be realized and their role and functions are to be academically channelized. BRCs/URCs need to function as resource centres to study the problems and to design strategies to address the academic issues in schools.

The Block Resource persons will be adequately trained and utilized more effectively. Under the Integrated Teacher Training Programme all the target groups, namely, teachers, principals, block and cluster resource persons, etc., will be brought on the same platform and oriented on similar content focusing on their specific roles and responsibility. There will be regular visits by the BRPs to schools for continuous monitoring, follow-ups and to ensure that learnings from training are translated in classroom transactions. The reporting will be done through the Mobile App which will be compiled at a central server where the software will generate discrepancy reports which will then be followed up for necessary action.

#### 7. Total Estimated Budget (2019-20)

The estimates for the AWP&B for 2019-20 under Elementary, Teacher Education and Secondary are as under: -

(Rs. in lakh)					
Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total (Fresh)	Total
Elementary	122.4	4744.1	21840.68	26584.78	26707.18
Secondary	10906.79	3201.92	3826.47	7028.39	17935.18
Teacher Education	2832.94	753	638.26	1391.26	4224.2
<b>Total</b>	<b>13862.13</b>	<b>8699.02</b>	<b>26305.41</b>	<b>35004.43</b>	<b>48866.56</b>

*\*Includes Programme Management (MMER)*

#### 8. Actual Releases by GOI during 2019-20

Against the above estimates, Central Government shall provide to the State Government, Rs. 312.09 crore as its share (Rs. 240.36 crore for elementary, Rs. 48.10 crore for secondary & senior secondary and Rs. 23.63 crore for Teacher Education). The State would contribute Rs. 34.68 crore as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.

States and UTs will also be able to utilise their unspent balances as on 31<sup>st</sup> March, 2019 for the activities approved in 2019-20 including spill over.

The additional requirement of funds as proposed by the States in the meeting has been examined and based on the norms & the criteria of the Samagra Shiksha Scheme, the funds for the eligible activities has been considered and provided in the estimates.

There are likely to be savings at the end of the calendar year. Therefore, supplementary PAB meeting on the balance request of the States may be considered separately sometime in the month of October-November, 2019.

The State of Tripura is advised to prioritise the following activities besides RTE entitlements which would help the States in improving the grades under PGI, and particularly learning outcomes (as brought out from the post NAS-2017 analysis).

Sl. No.	Priority activities
1	Composite School Grant
2	Integrated Teacher Training (EE) including Printing of Integrated Teacher Training package
3	CRC mentoring of Schools and Teachers
4	School Based Assessment (EE)
5	School Audit (Shagunotsav) (EE & SE)
6	Display Board on Safety Guidelines (EE & SE)
7	Library Grant
8	Sports & Physical Education
9	Constitution of Youth Club and Eco Club (for all classes)
10	Logo and Display Board –Samagra Shiksha (for all schools)

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2019-20.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

**The State should invariably provide Single Budget Head during 2019-20 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCS which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.**

## 9. **Release of Funds:**

The release of funds under the scheme will be further guided by the following conditions:

- a) State should release/transfer the central share to State Implementing Society within 15 days of its receipt in the State Treasury.

The funds for both (f) and (g) should be utilized in accordance with the detailed guidelines issued by MHRD. The following points also need to be kept in mind.

**i. Printing and Procurement of books:**

- All the procurement of books from library grant should be done at State and UT level. The funds meant for library grant should not be released by the States and UTs to Districts/schools.
- An age appropriate series of books is being published by NCERT especially for procurement from Library Grant under Samagra Shiksha. States and UTs may place direct orders to NCERT for procurement of these books from State Level. NCERT will make the delivery of the books at the Central Level. States may further deliver these books to schools. States and UTs may also obtain the copyright of these books from NCERT and get them translated in their regional language with the help of SCERTs and print in the States and UTs with the help of their Printing Corporations/Government Press. For this purpose, States and UTs may enter into MoU with NCERT.
- Books should be procured for use of children of different age-groups. Books for classes' up to Grade.V may be called Bulbul series, for Grades VI to VIII as Mynah series and Grades IX to XII as Koel series.
- States and UTs may if they so desire, procure books, meant for children, beyond the NCERT list from other Government publishers including SCERTs,

Central Institute of Indian Languages (CIIL) etc. States and UTs may also develop their own library books including comics and illustrated books through the SCERTs and publish them for use as library books. States can have their own folk tale series of books to promote regional cultural heritage.

- All books procured for libraries must bear the year of purchase under Samagra Shiksha scheme and name of the school. No newspaper and magazines can be purchased from the library grant.

**ii. Reading:**

- Schools may have provision of Reading Room/Reading Corner/Reading space and two periods in a week may be dedicated as reading periods in school time table.
- Children should have complete freedom of choosing books for themselves and reading from a range of attractively displayed books.
- The reading corner is the collective responsibility of teacher and children. Children should be given responsibility of maintaining the books in the reading corner and its usage.
- Engaging with children's literature should be an integral part of their classroom processes along with other day to day activities of reading and writing. As children develop interest and engage with literature they will be encouraged to visit the nearby library also.

**iii. Management:**

- States and UTs may ensure delivery of library books to each school by using same channel as distribution of text books.
- States and UTs may make guidelines for use of libraries including number of periods, to be earmarked as library period in the govt. schools. The guidelines prepared by the States and UTs may also include provision for inspection of libraries by Implementing Officers so as to ensure that books procured are being issued on regular basis to students.
- One teacher in each school may be given the additional responsibility for safe keeping of library books, issuing them and receiving the books back from students. The library in-charge teacher may be given relaxation from teaching for two periods in a week. Further, there should not be any penalty on the library in-charge teacher for any wear and tear of books by the students.
- School grant may be used for repairing of damaged books procured from Library grant.
- District and Block Education Officers (& their inspectors), Block Resource Coordinators and Cluster Resource Coordinators should visit every school to see the availability of library books and their utilisation.

**Outcome:** Increase of girls' enrolment in Educationally Backward Blocks (EBBs), reduce gender gap and improve girls' retention rate in secondary/higher secondary schools. This is covered under PGI indicator No. 1.4.10 & 1.4.11.

**b. Self-Defence:** Gender-based violence is a serious problem threatening the growth, development, education and health of adolescent girls in the country. Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage. The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. Self-defence training is provided to limited number of schools; therefore, **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**
