2. Initiatives of the State:

Ms. Anita Karwal, Secretary (SE&L) welcomed the participants and invited Tamil Nadu to give a presentation on School Education in the State. Sh. Dhiraj Kumar, Principal Secretary, School Education (Tamil Nadu) gave a presentation which included the following major points:

- a. **EMIS for Student and Staff:** To track the attendance of teacher and student all over the State, EMIS is the singular repository of information on students, staff and schools in Tamil Nadu. It is also aligned with the fields of UDISE+ and therefore acts as a single point of data entry for schools. Deployment, transfer, promotion of teachers and appointment of new teachers has been done by the state through the app for over 12000 teachers.
- b. **Tamil Nadu Teacher Platform (TNTP):** For improving the quality of teachers, the State has introduced a Centralised repository, accessible to teachers across the State. The Content of this repository is aligned to State syllabus. Unique IDs have been given to teachers, which allow individualized tracking of path to professional excellence. For leveraging the versatility of TNTP platform, State also created an online assessment platform.
- c. **Educational Channel(KALVI THOLAIIKAATCHI):** To support the children prepare effectively for board exams and to promote home based education during the

COVID-19 Pandemic, State Government has launched an educational channel namely **KALVI THOLAIIKAATCHI**. The education contents are telecast for 5 hours daily through this channel. Difficult concepts and practical experiments for classes 1 to 12 are also covered as per syllabus through the channel. All subjects are covered through the programmes. Interviews of students, teachers, Head masters and educationalist are also aired.

- d. **Zonal School Concept:** For providing better and targeted academic support, State has come up with Zonal school concept. A Zonal Head master with block resource teacher educators supports all primary, upper primary, secondary and senior secondary schools in the zone /cluster.

A soft copy of the State's presentation is available at www.samagra.mhrd.gov.in.

3. **Review of Commitments and Expected Outcomes & Action Taken during 2019-20**

The progress made in implementing the commitments and expected outcomes given by the State in 2019-20 was reviewed and the status in respect of pending items is as under:-

Sl. No.	Commitment and Expected Outcomes	Action Taken	Comment of PAB 2020-21
1.	State was requested to ensure 100% optimization of resources through consolidation of its schools, within the provisions of the RTE Act by 2019-20.	The state is taking steps to consolidate the primary schools by merging together those primary schools having very low enrolment where ever possible	State may take expeditious action in this regard for optimal utilization of the resources in accordance with provisions of the RTE Act, 2009.
2.	State was requested to ensure the recruitment of headmasters in primary and upper primary schools as per the RTE norms by July 2019, and to consider direct	The recruitment of high/higher secondary school headmasters is done through a merit-based system among the teachers, i.e. teachers who have cleared the	Completed

	recruitment for 50% of all headmasters.	appropriate departmental examination conducted by the State Government alone are eligible.	
3.	State was requested to display the photos of the teachers in the school on the notice board. Besides this, teachers need to be issued Photo ID-Cards in 2019-20	Smart ID-Cards have been given to all the teachers. Teachers' attendance is marked through Adhaar based biometric method. In view of these technological interventions displaying teachers' photos in the school notice board is considered not essential in the State.	Completed
4.	State has been requested to take up the pending civil works on priority and complete the same within 03 months	All civil works sanctioned up to 2017-18 have been completed. Due to short-fall in receipt of funds, the civil works sanctioned during 2018-19 have been taken up during 2019-20 and all the civil works are in progress and will be completed by December, 2020	State should take up all pending civil works on priority and complete by December, 2020 and update the data on PMS periodically.

4. Review of performance during 2018-19

State has secured a score of 791 in Performance Grading Index (PGI) and was placed in Grade II. The Domain-wise Gaps in 2018-19 as compared to 2017-18 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2017-18	132	79	121	218	224	774
GAP	48	1	29	12	136	226
2018-19	132	72	116	201	270	791
GAP	48	8	34	29	90	209

6. New Approaches 2020-21

During the year 2020-21, some new approaches are proposed for enhancing the effectiveness and outreach of the scheme and making it more outcomes oriented and relevant to the present times. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme.

6.1 In-service Teacher Training:

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads’ and Teachers’ Holistic Advancement on 21st August, 2019. The aim of this integrated teacher training programme was to build the capacities of around 42 lakh teachers and Heads of Schools, faculty members of SCERTs and DIETs and Block Resource Coordinators and Cluster Resource Coordinators. A total of 23,137 KRPs and SRPs and 16,99,931 School Heads and Teachers have been trained under NISHTHA in 2019-20. In this regard, given the positive feedback received from the States and UTs regarding the effectiveness of the NISHTHA training programme at the elementary level particularly in terms of the effective transaction of comprehensive and well defined modules covering various aspects of teaching learning processes, it has been decided to launch NISHTHA- Phase II at the secondary level in order to have a coordinated and learning outcome based training programme. Teachers, Head Masters/Principals of Government and Government aided schools at secondary level will be covered in NISHTHA Phase-II.

However, the present situation of COVID-19 has presented new challenges for face to face training and also several opportunities to innovate, revamp and technology integration in In-service Teacher Training. Therefore, it has been decided that this year remaining training of NISHTHA at elementary level and NISHTHA Phase II training at Secondary level will be conducted online by the NCERT using high quality professionally made e-content following the four quadrant approach consisting of video, text, self-assessment and learn more.

In order to facilitate teachers to undertake online NISHTHA training, financial support upto Rs. 1000 per teacher for procuring pen-drives with pre-loaded content and modules, printing of modules and high speed data-pack will be provided to Government teachers at elementary level and Government/Government aided teachers at secondary level on reimbursement basis and subject to successful completion of the training course.

6.4 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation

In the year 2020-21, the COVID-19 pandemic has caused an unprecedented public health emergency; affecting 210 countries and territories globally. The spread of COVID -19 has imposed national lockdown leading to nationwide closure of the educational institutes as India prepares to fight against the pandemic. Precautions are necessary to protect students and educational facilities from the potential spread of COVID-19 in school environment, while at the same time ensuring minimum disruption in learning.

For this, various interventions under Samagra Shiksha need to be realigned to manage the crisis with specific emphasis on learning processes and safety & security of children. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation based on the following guidelines:

I. LEARNING PROCESSES:

- Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.
- "PRAGYATA' guidelines being prepared by the MHRD for online and digital education may be referred.
- Training of Teachers on Safety and e-learning aspects.
- Online NISHTHA training modules will be prepared for teacher training by NCERT.
- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc.
- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (Vidyadaan). The content to be further uploaded on DIKSHA after requisite curation and approvals by SCERTs.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. *Guidelines should also include how study@home can be undertaken and daily or weekly timetables may be issued.*
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN. In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. Use of mother tongue/local language may be enabled where possible. The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- A mechanism may be developed to provide textbooks and Supplementary print materials to all children at home through Block Resource Persons and Cluster Resource Persons and also shared with students through WhatsApp, SMS etc. to keep them engaged at home.
- Based on the alternative academic calendar prepared by NCERT, SCERT should make specific academic plans for their schools including the planning for transaction of curriculum, formative and summative assessments.
- There may be cases where parents / guardians are not in a position to support learning of students. Adequate remedial measures should be adopted after opening of school accordingly.

7. Total Estimated Budget (2020-21)

The estimates for the AWP&B for 2020-21 under Elementary Education, Secondary Education and Teacher Education components for Samagra Shiksha, Tamil Nadu are as under: -

(Rs. in Lakh)

Head	Non-recurring (Spill-over)#	Non-recurring (Fresh)	Recurring* (Fresh)	Total (Fresh)	Grand Total(including spill-over)
1	2	3	4	5 (3+4)	6 (2+5)
Elementary	-	12330.36	229468.08	241798.44	241798.44

Total	2525.83	34384.37	281776.68	316161.04	318686.87

*Includes Programme Management (MMER)

8. Actual Releases by GoI during 2020-21

Against the above estimates, Central Government shall provide to the State Government, Rs.164996.07 lakh as its share (Rs. 121561.35 lakh for elementary, Rs. 39229.23 lakh for secondary & senior secondary and Rs. 4205.49 lakh for Teacher Education). The State would contribute Rs. 109997.38 lakh as its State matching share to the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2020 for the activities approved in 2020-21 including spill over.

Based on the demand of funds projected by the State for 2020-21, the tentative Central shares of recurring and non-recurring grants are given below:-

Component	(Rs. in Lakh)		Total
	Non Recurring	Recurring	
Elementary Education	7398.22	114163.13	121561.35
Secondary Education	11729.85	27499.38	39229.23
Teacher Education	319.70	3885.79	4205.49
Total	19447.77	145548.30	164996.07

The Balance of the outlay (i.e. Rs. 2525.83 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2020-21). Against the above Spill over, the committed liability of Department of SE&L is Rs. -761.22 lakh (Rs. 421.63 lakh for Elementary, Rs. -1182.85 lakh for Secondary and 'NIL' under Teacher Education) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As on 30th November 2019, State has reported outstanding advances of Rs. 588.318 lakh under Elementary Education which may be got settled at the earliest.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements including ICT, VE and TE
- ii) Quality initiatives
- iii) School Grants
- iv) Gender & Equity and inclusive education.
- v) Completion of pending civil works/spillover.

There are likely to be savings in some States. Therefore, supplementary PAB meeting on the request of the State may be considered separately sometime in the month of October-

November, 2020, for allocation of additional funds based on the expenditure and requirement.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching UT share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the UT should meet this balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education have been classified separately.

The State should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. As Samagra Shiksha caters to various activities relating to RTE entitlements and other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

9. Release of Funds:

The release of funds under the scheme will be further guided by the instructions contained in MHRD D.O. letter No. 2-4/2019-IS-2 dated 15.05.2020 read with D.O. letter No. 25(13)/E.Coord/2020 dated 04.05.2020 from Dr. T.V. The States and UTs may also look for convergence for availing funds for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or other State government schemes. State is

requested to provide UDISE codes of the schools within two months where these activities will be carried out.
