### **6.4 COVID-19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation**

*Rk Jw*  
30/07/2020

In the year 2020-21, the COVID-19 pandemic has caused an unprecedented public health emergency; affecting 210 countries and territories globally. The spread of COVID -19 has imposed national lockdown leading to nationwide closure of the educational institutes as India prepares to fight against the pandemic. Precautions are necessary to protect students and educational facilities from the potential spread of COVID-19 in school environment, while at the same time ensuring minimum disruption in learning.

For this, various interventions under Samagra Shiksha need to be realigned to manage the crisis with specific emphasis on **learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation based on the following guidelines:

### **I. LEARNING PROCESSES:**

#### **1) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.**

##### **(i) Training of Teachers on Safety and e-learning aspects.**

- Online NISHTHA training modules will be prepared for teacher training by NCERT.
- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc.
- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

##### **(ii) Promotion of e-learning platforms**

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.

*Rk*  
30/07/2022

- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. **Guidelines should also include how study@home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- A mechanism may be developed **to provide textbooks and Supplementary print materials to all children at home through Block Resource Persons and Cluster Resource Persons and also shared** with students through WhatsApp, SMS etc. to keep them engaged at home.
- Based on the alternative academic calendar prepared by NCERT, SCERT should make **specific academic plans for their schools including the planning for transaction of curriculum, formative and summative assessments.**
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

The State would contribute Rs. 55025.82 lakh as its State share matching the above Central share** as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31<sup>st</sup> March, 2019 for the activities approved in 2019-20 including spill over.

Based on the demand of funds projected by the State for 2020-21, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

| Component     | Elementary<br>Education | Secondary<br>Education | Teacher<br>Education | Total           |
|---------------|-------------------------|------------------------|----------------------|-----------------|
| Recurring     | 35300.47                | 28807.84               | 2120.76              | 66229.07        |
| Non-recurring | 7225.58                 | 8866.8                 | 217.28               | 16309.66        |

The Balance of the outlay (i.e. Rs. 32751.14 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2020-21). Against the above Spill over, the committed liability of Department of SE&L is Rs. 16309.70 lakh (Rs. 7225.58 lakh for Elementary, Rs. 8866.80 lakh for Secondary and Rs.217.28

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

**The State should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for**

- c) **Self-Defence:** Gender-based violence is a serious problem threatening the growth, development, education and health of adolescent girls in the country. Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**
