- V. **Community and Local bodies:** Community and local bodies were mobilized to offer their services as volunteers and support in engaging students in learning. Parents and community also play a wide role in the situation. They worked as a bridge to fill the gap between school and home, becoming an active participation in the child's learning. Members of SDMC and Panchayat Raj Institutions nominated to look after education or members of other village education committees will contact school for assessing the needs of the school and providing every support such as Students' involvement in learning activities, usage and creating the learning resources, etc. Parents and community will be helping in enrolling to the school and providing psycho - social support to the students.
- VI. **Samveda** was designed to make learning more effective for children. The video lessons developed from Classes 5 to 10 and delivered by expert classroom teachers was telecasted in English and Kannada mediums on the DD's Chandana channel and were according to the annual action plan prescribed by the department.
- VII. **Radio lessons** for classes 1 to 4 by practising teachers was relayed for an hour every day with a scientifically designed timetable keeping in mind the attention span of young learners.
- VIII. **Engaging migrant children in effective learning:** The teachers were instructed to keep a track of children who have migrated to other places. If any child had migrated to the locality of any other mentor teacher, such children were admitted to the suitable class without insisting on any records, so that continuity in their education was ensured. Text books, practice books, learning materials and mid-day meal grains were distributed to such children in their current place.
- IX. **Learning for the CWSN:** To prevent learning loss among children with special needs, a list of CWSN in the locality was made with their needs. The teachers coordinated with BIERTs to visit their homes and provide necessary learning materials and review the progress.
- X. **Oduva Belaku:** Library program was launched to encourage learning habit amongst children, RDPR and Education department initiated a program to register all children in the gram panchayat library. The membership drive was headed by gram panchayat education task force. All children who received membership were provided with a book, and the membership amount was filled from the library cess. Books in many gram panchayats were sourced from public drives.
- XI. **Alternative Academic Calendar:** AAC was developed for primary, secondary and higher secondary students. The activities in the AAC are linked to learning outcomes for each class. The calendar developed included not only generic guidelines and subject specific activities, but also detailed material on the use of different technological and social media tools as well as strategies for reducing stress and anxiety.

State Initiatives

- 1. Implementation of English Nali Kali:** In 2017, Nali Kali English was piloted in 100 units of 4 districts. In 2019, it expanded to 2000 schools (276 Karnataka Public Schools, 724 schools with Kannada sections and Bilingual Sections and 612 best Nali Kali (NK) units in the State). From academic year 2020-21, Grade 1 English Nali Kali was implemented in all 55,530 Kannada medium and 5,100 Urdu medium schools.
- 2. Karnataka Public Schools (KPS):**The Government intends to start 1,000 Karnataka Public Schools in a phased manner. There are at present 276 KPSs which are integrated schools from pre-primary to senior secondary where total enrolment increased considerably. Total increase from Pre-primary to PUC-II was around 2,92,350. The schools will be developed as "Centres of Excellence" with resources sufficient to cater not only to the students of that school, but also to cater to neighboring Government schools. The financial and pedagogical support that is given to these schools will reach larger community of children. Infrastructure development grant to 50 KPSs was provided for new classrooms, labs, computer room, library, art and craft room, toilets for boys/girls/CWSN and drinking water. Karnataka intends to showcase KPSs as Centers of Excellence in the coming years. This requires the state to improve the infrastructure, school environment and quality of education. Since these schools are consolidation of pre-primary, Primary, Secondary and Higher Secondary schools the state will work around the concept of developing school complexes with KPSs as Nucleus Schools.
- 3. Pre-School:** 276 pre-primary sections started in 276 Karnataka Public Schools 'Balasnehi' classrooms - to provide conducive environment to facilitate learning. Total 8,936 children got admission in these pre-schools. Admissions were limited to 30 per section. Curriculum developed in collaboration with UNICEF, Education experts, NGO partners, DSERT & State Resource Persons.
- 4. Bi-lingual Sections:** The Government of Karnataka has taken a progressive step to herald social engineering in the true sense of the term by announcing to start a Bilingual Medium section of class-1 which will automatically grow class-wise in consecutive years, in the existing Government Kannada Medium Schools across the state. A child's future is not a matter of debate. Every child in our country has a right to education, especially to meaningful education in the medium of his choice, that brings promise of a better and happier future. It is a move that will elevate the life and livelihood prospects of a large section of poor children.
- 5. Student Achievement Tracking System (SAT):** The Students Achievement Tracking System ("ShikshanaKirana") - a project to track every child enrolling in school, by unique identity and name, for their regularity, identify dropouts, transfers and their academic performance. The system enabled the State to track drop outs, eliminate duplications in grant in aid schools, academic progress of each student, promotion to next standard, issue transfer certificates, tracking children with special needs, incentive distribution, monitoring school health programme etc.

6. **Online process for admission and fee reimbursement under RTE in Private unaided Schools:** RTE admission software is linked with SATS database and the children admitted under Section 12 will have an exclusive flag to be identified as Children admitted under RTE provisions. The movement of children is effectively monitored as SATS monitors status of all children. The data from SATS is pulled to RTE Reimbursement software in which schools are given exclusive logins to submit their proposals. The claimant schools will have to upload their annual audit report and submit their claim on the portal. This will get submitted to BEOs who will verify the proposal of all schools and submit the same to Deputy Directors of the concerned district. Reimbursement is made in two instalments to Private Unaided Institutions. First instalment in the first half of the academic year and the second instalment in the second half of the academic year is released provided the child shows up 60% of attendance in the academic year. Online sanction orders are generated at DDPI level and submitted to treasury for online transfer of funds to the registered account of the school management.

Addressing the OoSC issue :

- **An Inter Departmental Coordination Committee** chaired by the Chief Secretary, Government of Karnataka is constituted, to plan, advise and monitor the tracking and mainstreaming the OoSC in the state.
- **A week long survey** from 6th to 13th January, 2020 in the areas where presences of migrant children were expected as per the orders of Hon'ble High Court. conducting of door to door survey to be for all children from birth to 14 years by the 'Local Authorities' (Rural Development and Urban Development Departments).
- **App based House-to-House Survey** for the accuracy in information on OOSC was conducted as the State intends to identify total number of children in the age group of 6 to 19 years in the State and then the number of Out of school children (including never enrolled and drop-outs) and Children with Special needs in the age group of 6 to 19 years. Identification and consequent interventions will supposedly reduce the potential dropout rate of students and protect the rights of children as per RTE norms.
- **Preparing a Road Map and time-line** to address the challenges in student absenteeism and dropping out of schools in the year 2020-21. Special enrolment drive will be implemented and the Attendance Authority will monitor the attendance of students. Complete data will be captured by SATS and the Local Authorities will monitor and support to mainstream the OOSC.
- **A policy** on 'Implementation of the Right to Education for Migrant Children and Children of Migrant Labourers 2019' was issued by the State which states the importance and process of identification of OoSC, implementation, with the roles and responsibilities defined.
- **Circulars were issued** for identification of OoSC through survey, conducting of night survey for identification and mainstreaming of urban deprived / migrant OoSC. Preference was given for OoSC in hostels that are managed by Department of Social Welfare and Department of Backward Classes and Minorities. Ease of joining school process and maintenance of Village Education Record / Ward Education Record to track children mainstreamed through OoSC was ensured.

3) Review of Commitments and Expected Outcomes & Action Taken during 2020-21

The progress made in implementing the commitments and expected outcomes given by the State in 2020-21 was reviewed and the status in respect of pending items is as under:-

Sl. No.	Commitments	Action Taken	Comments of the PAB 2021-22
1.	<p>a) Civil Works:</p> <p>The year-wise details of pending nonrecurring interventions under different components are as detailed in the table below. State was asked to take up these pending works on priority.</p>	<p>Some of the works approved during 2009-10 & 2010-11 could not start in time. Hence these works were taken back from scope of work and again got approved by GoK during 2018 March. Due to non release of central share 441 works under Construction of additional rooms under strengthening and New School buildings for Upgradation sanctioned during 2009-10 & 2010-11 and 2013-14 to 2020-21 could not taken up .Till Now inspite of many requests funds were not yet released. Now the state govt. is taking up 83 works on priority basis with available state govt funds costing around 124.34 crores.</p>	<p>State should take up all pending civil works on priority and update the data on PMS periodically.</p>
2.	<p>■ High Dropout rate at Secondary and Senior Secondary level:</p> <p>Dropout rate is higher at Secondary level i.e. 23.4 %. State would need to take adequate measures to reduce the dropout rate and improve the retention rate.</p>	<p>2. As per UDISE / SATS data of 2019-20, the Annual Average Dropout rate at present is 7.23. The various measures taken by the State to reduce the dropout rate at Secondary level are as follows:</p> <p>(a) As part of consolidation of schools and reducing dropouts, GoK has started 276 Karnataka Public Schools from classes pre-primary to Class XII since 2019-20.</p> <p>(b) Due to COVID 19 situation during 2020-21, measures has been taken to identify and capture information through an app based house-to-house survey from an age group of 0-18years. This initiative is taken up in collaboration with Local bodies (RDPR, UDD and BBMP). The survey process is under progress and the identified children will be mainstreamed as per interventions planned by the districts.</p>	<p>State should emphasize on reducing the high drop-out rate at the Secondary and Senior Secondary level with special plan of action.</p>
3.	<p>■ There are 28,548 Surplus Teachers at Elementary Level. State would need to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.</p>	<p>The average PTR for Elementary is 19.36 and High school is 17.02. Hence, the alternative for the State was to redeploy 12000 teachers so far, considering the geographical position of schools in the districts.</p>	<p>There are 11,445 Surplus Teachers at Elementary Level. State should ensure availability of required number of teachers including subject teachers in all schools.</p>

Sl. No.	Commitments	Action Taken	Comments of the PAB 2021-22
4.	<p>■ Subject PTR at the secondary level is 65 for language, 183 for Mathematics, 181 for Science and 211 for Social Studies. State would need to ensure required number of subject teachers at the secondary level</p>	<p>The State has a policy of promoting primary school teachers who are qualified for a high school teacher post as High School teachers. Such teachers have been identified and so far, 914 teachers have already been given promotion and the process is on.</p>	<p>Subject PTR is still high for Maths and Science. State should ensure rational deployment of teachers so that each secondary school has all core subject teachers.</p>
5.	<p>■ Teacher and Head Teacher vacancy at Secondary level and at Upgraded Secondary Schools: There are 3,573 vacant posts of teachers and 1435 vacant posts of head teachers in Govt. Secondary schools, which may be filled on priority.</p>	<p>The State has a policy of filling up teacher and head teacher vacancy at the Secondary and at upgraded Secondary schools by direct recruitment and promotions. So far, 844 vacant posts of head teachers in Govt. Secondary schools has been filled up.</p>	<p>State should ensure these vacancies are filled up on priority.</p>
6.	<p>■ Special training for OoSC: There are more than 200 identified out of school children who remained uncovered in 2019-20. State should develop a mechanism to track out of school children once children are mainstreamed in age appropriate classes.</p>	<p>2 months residential training has been in progress in Dakshina Kannada and Chamarajanagara districts during the year 2020-21. Apart from this, efforts have been taken to capture the data of all out of school children from the age group of 0-18 years through an app based application.</p>	<p>State should ensure to track and enroll all OoSC in school.</p>

- Infrastructure & Facilities (C-1, D-3):** State has shown maximum improvement under this and was encouraged to further take measures to reach the top grade.
- Equity Outcomes (C-1, D-4):** State has shown substantial improvement under this with increase in the gross enrolment ratio of CwSN and % of entitled CwSN receiving aids and appliances.
- Governance Processes (C-2, D-1):** State needs to focus on % of primary and upper primary schools meeting head-teacher norms as per RTE, & % of Teachers whose Unique ID is seeded in any electronic database of the State Government.

- **Net Enrolment Ratio (NER):** Low NER in Secondary (72%) & Higher Secondary level(39%) is an area of concern. State would need to focus on improving the NER at Secondary and HS Level.
- **High Dropout Rate:** Dropout rate at the secondary level is more than 20% in six districts while the overall dropout rate is 16.8. In addition, Secondary dropout rate is also high in aspirational districts i.e. Raichur (22.1), Yadagiri (21.6). State needs to take adequate measures to reduce the dropout rate and improve the retention rate.
- **Decline in Transition Rate:** In Aspirational district Yadagiri Secondary to HS transition rate is only 65%. State needs to take steps to improve the transition rate at all levels.
- **Surplus Teachers at Elementary level:** There are 11,445 Surplus Teachers at Elementary Level, while the number of single teacher schools has increased at the primary level. The number of schools with adverse PTR is also quite high at 27 % and 21% at the primary and upper primary level. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.

- **Teacher vacancy at Elementary level:** There are 24,091 vacant posts of teachers in Govt. Elementary schools, which would need to be filled on priority.
- **Subject Teacher and Head Teacher vacancy at Secondary level:** There are 5,219 vacant posts of subject teachers and 2,170 vacant posts of head teachers in Govt. Secondary schools, which may be filled on priority.
- **Implementation of Section 12:** State has effected a change in the criterion for private unaided schools required to admit children under Section 12 (1) (C). Only 219 Private schools will now admit children instead of 11,432 Private Schools currently admitting. State must identify private schools which have received land, grant or any other support from Govt. at any point of time. Such schools are under the obligation of providing education to children without entitlement of reimbursement.
- **Out of School CWSN:** In the age group 3-18 years, an estimated 64,612 CWSN are out of school/not identified as against the total estimated enrolment of 1.53 lakh (@ 2.5% approx. of total enrolment) i.e., only 89,000 CWSN are enrolled in Govt. and Govt. Aided Schools.
- **Vacancy of Academic positions in TEIs:**
 - (i) **Vacancy of academic positions in 24 functional DIETs** is 23% with 573 faculties in position as against a total sanctioned post of 750 (25 Academic posts per DIET). These vacant post needs to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.
 - (ii) **Vacancy of academic positions in SCERT** is 62.2 % with only 17 faculties in position as against a total sanctioned post of 45. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicators # 2.1.12.
- **Vacancy in KGBVs:** 3195 seats are lying vacant (1055 in Type I and 2140 in Type IV) in 144 operational KGBVs. State should ensure filling up of these vacancies in KGBVs. State to also take steps to arrest the large drop out from KGBVs in Classes XI and XII.

Section: II- New Approaches and COVID Action Plan

6) New Approaches 2021-22:

The Samagra Shiksha Scheme has been aligned with the recommendations of the National Education Policy: 2020 (NEP: 2020). During the year 2021-22, the focus will be on enhancing the qualitative outcomes as envisaged in NEP 2020 and increase the effectiveness of the implementation of the Scheme. For this purpose, **Key Performance Indicators (KPIs) has been developed for each intervention so that qualitative assessment of each intervention can be made.** The scheme being an integrated scheme for school education also aims to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs and different academic abilities, thereby making them active participants in the learning process.

The following are the focus areas of the schemes identified for the year 2021-22:

Foundational Literacy and Numeracy:

As a part of announcements under 'Atamnirbhar Bharat' and recommendations of NEP 2020, it has been decided to launch a National Mission under Samagra Shiksha to ensure that by 2025 every child achieves the desired learning competencies in reading, writing and numeracy at the end of grade III. States and UTs may identify this as one of the major focus areas, for which they have been provided funds for the following activities:

- Provision of Teaching Learning Materials (TLMs)/Supplementary graded materials to all children upto grade V such as, worksheets, workbooks and various locally contextualised Toys, Puzzles, puppets, games, board games, Story books, local rhymes, local folk songs/lore, art and craft, online access, etc. This also includes the 3-month play-based-school readiness/preparation module - for all students who enter Grade 1. NCERT will be launching the school preparation module (SPM) which can be adopted/adapted by the states and UTs as per their local requirements and needs.
- Funds have also been provided for Teacher Resource Material/Activity Handbook for teachers to align their innovative pedagogies with learning outcomes and grade level competencies.
- Specific Teacher Training Modules under NISHTHA focusing on FL&N will be designed by NCERT. SCERTs will be the nodal agency in the State to conduct NISHTHA as well as all other supplementary in-service teachers' training.
- Independent, periodic and holistic assessment of students.
- Funds have also been provided for Setting-up of State and District PMU including subject experts/IT personnel/data analysts etc. to ensure effective implementation and monitoring of FL&N goals.

State is advised to prepare an Implementation Framework consisting of roadmaps and annual action plans for implementing of activities covering all the focus areas of FL&N Mission by following the guidelines of MoE.

NISHTHA: National Initiative for School Heads' and Teachers' Holistic Advancement (In-service Teacher Training)

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA - **National Initiative for School Heads' and Teachers' Holistic Advancement** on 21st August, 2019. In the wake of the COVID-19 pandemic, the NISHTHA programme has been contextualised to the needs of teaching and learning during the pandemic and made 100% online. **NISHTHA Online for elementary teachers** was launched on 6th October, 2020 and it has been created by customizing Modules for Online delivery in the format compatible with DIKSHA Platform of NCERT. Nearly, 23 lakh teachers have completed NISHTHA online training by March, 2021 besides the 17 lakh provided training in face to face mode in 2019-20.

The National Education Policy (NEP, 2020) recommends 50 hours of Continuous Professional Development programme or in-service training for every teacher and school leader.

Consequently, in 2021-22, NISHTHA training modules will be launched for teachers of pre-primary to primary grade for a specialised training on Foundational Literacy and Numeracy. Further, NISHTHA training will also be extended to secondary/senior secondary level teachers with a focus on improvement in quality of teachers and learning outcomes of students, which will also be conducted in online mode.

State Curriculum Framework (SCF):

As per the strategy finalized by the D/o SE&L and NCERT, it has been decided that the National Curriculum Framework (NCF) should be framed by incorporating and integrating the local and indigenous flavour from across the country through wider consultations. Consequently, the State Curriculum Frameworks may be developed first and these may then feed into the preparation of the NCFs. The entire process of developing the NCFs and SCFs will be paperless and conducted using the Tech platform to be developed by NIC, MoE in close collaboration with NCERT.

For the purpose of developing the SCFs, following steps are required to be taken by the States and UTs:

- 1) Ensuring that State/UT nominates SCERT (wherever it is available) as the nodal agency for developing the SCFs in collaboration with the concerned State/UT agencies, such as, School Examination Boards, SIEMATs, DIETs etc., or other nominated agency under DSE may lead this task.
- 2) Nominate two nodal officers from the SCERT to coordinate with the nodal officers of the NCERT for taking forward the development of the SCFs.
- 3) Setting up of 25 State Focus Groups, as per template provided by NCERT, for developing State position papers in the identified areas.
- 4) Setting up of three separate Steering Committees, one jointly for State Curriculum Framework for School Education and State Curriculum Framework for ECCE, second for SCF for Teacher Education and third for SCF for Adult Education (as per template provided by NCERT).
- 5) Consultations at district level for taking inputs on the survey questionnaires developed at the National level.

SCERTs and DIETs are expected to play a pivotal role in conducting intensive consultation process and prepare SCF thereafter. In this regard, SCERTs and DIETs may utilise the funds provided under Programme and Activity/Research/Annual grants for developing SCF.

Promotion of Menstrual Hygiene Management (MHM)

In order to emphasize the importance of Menstrual Hygiene Management, the following major focus areas have been identified:

1) Awareness:

- Develop and incorporate Module on Menstrual Health in Curriculum
- Make available Awareness materials and FAQs in Schools

2) Standards, Technology and Outcome Monitoring:

- Appropriate ratio of girls' toilets and incinerators
- Standard low-cost mechanical incinerators for residential and non-residential schools
- Quality low cost sanitary pads vending machines and incinerators

Towards this end, NCERT will be developing a Module on Health, Physical Education, and Yoga as part of the position papers for formulating the new National Curriculum Framework on School Education (NCFSE). Under this, States and UTs are also required to formulate modules on Menstrual Health and Hygiene based on State-specific socio-cultural perceptions for inclusion in their curriculum or adopt the module developed by NCERT. **For this purpose, under special projects for equity, Rs. 10 Lakh as a onetime grant is given to all States and UTs for developing a module on Menstrual health and hygiene and its appropriate inclusion in curriculum.**

Strengthening of BRCs/CRCs

The **Block Resource Centres and Cluster Resource Centres** are the most critical units for training and on-site support to schools and teachers. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Block and Cluster Resource Coordinator will visit the schools and provide onsite academic support and send reports on a periodic basis. It is expected that the periodic visits by BRCs/CRCs will be monitored at state level through technological intervention; preferably through a mobile app. MoE will develop a comprehensive framework on the role of BRCs/CRCs.

6.6 Key Performance Indicators (KPIs) - For every component of Samagra Shiksha, measurable Key Performance Indicators have been developed for effective monitoring of scheme implementation. The KPIs have been developed in such a manner that qualitative impact of the scheme against each intervention can be measured. These KPIs will be monitored on a regular basis.

COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation

The COVID-19 pandemic has impacted over 240 million children of our country who are enrolled in schools. Moreover, extended school closures may cause loss of learning. To mitigate the impact of the pandemic, schools will not only have to remodel and re-imagine the way teaching and learning have happened so far, but will also need to introduce a suitable method of delivering quality

education through a healthy mix of schooling at home and schooling at school.

With the present COVID wave, that is more virulent and faster spreading, an urgent need was felt to plan for the challenges ahead and prepare to make progress for the sake of students, parents, community and all stakeholders involved in this pursuit. Hence, taking a holistic view, the Department has prepared a comprehensive COVID Response document consolidating all the previous guidelines and intervention to mitigate the impact of the pandemic. This guideline was issued on 4th May, 2021 and it delineates detailed action plan and timelines for all Stakeholders involved on Access, Retention, Continuous Learning, Capacity Building and Stakeholder engagement.

In this regard, the following are the major areas that require interventions:

- 1) Identifying OoSC, Mainstreaming, Enrolment, retention, transition,
- 2) Academic learning & cognitive development of students
- 3) Capacity building - with specific focus on response to blended and home-based learning including student assessments and data use,
- 4) Nutritional, socio-emotional support to systems' actors and students,
- 5) Digital education and systems' development for monitoring, tracking and remediation.

Accordingly, various interventions under Samagra Shiksha have been realigned to manage the crisis with specific emphasis on **access to quality education, learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation by focusing on the following areas which are as follows:

1) Access to Textbooks

- All states/UTs will ensure that relevant textbooks (Covering Class I to VIII) are printed and distributed through the school (if required, then at the doorstep) to every elementary level school going child, in the beginning of the academic session 2021-22.
- System for distribution of textbooks for students of secondary and senior secondary level may also be overseen by State/UT to ensure their timely distribution.

2) Availability of Supplementary Graded Material and Resource Kits:

- Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. **States and UTs may prepare grade wise material and ensure their delivery to the students.**
- Activity and play based kits can also be prepared specially for ECCE to class 5 students to productively engage them in learning. SCERTs may prepare such material which will be useful for home-based learning.
- **Learning Kits for different age groups will be particularly useful for children located in remote areas, who have no access to digital formats.**

- **Funds provided for Teaching Learning Materials (TLMs) under Support to pre-school, Foundational Literacy and Numeracy and Learning enhancement/Enrichment Programmes may be utilised for this purpose.**

3) School Library Books should be made accessible

- It is noticed that though most schools now have libraries, the books remain unborrowed during the pandemic.
- States/UTs must ensure that **each and every Library Book in the school reaches the homes of children** – at least one new book a month – and children get into the habit of reading. Teachers can review the knowledge acquired either online or as and when the schools reopen.

4) Alternative Academic Calendar:

- States and UTs may also continue to plan the Alternative Academic Calendar in its present form gives learning solutions for grades 1 to 12 for both - a child with device and one without device. This can be strengthened by connecting item banks/assessment and role of parents with the Alternative Academic Calendar.

5) Helping Teachers to Reach the Last Child in the last Mile

- **States may establish a Control and Command Centre (CCC) for teachers and schools** to keep track of enrolled students, learning at home, Drop outs, information on child labour mainstreamed, Out of School Children, textbook delivery, supports required by teachers and schools etc. and provide feedback to the district level.
- **The States/UTs may also consider having a helpline or IVRS for students and parents** for some time. This helpline could be of great help to students and parents w.r.t tracking textbooks, worksheets, solving queries, getting information on digital modes, etc.
- **Teachers may visit students at least once in a week, with a brief plan of interaction with students and parents, particularly in far-flung and remote areas where access to digital devices is minimal.**

6) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.

(i) Training of Teachers on Safety and e-learning aspects.

- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc. A **letter dated 30th April, 2021 regarding a course on COVID 19 Responsive Behaviour** has been shared with all States and UTs. This course has been designed & developed in collaboration with UNICEF and **uploaded on DIKSHA platform** with the objective of providing essential knowledge and action plan with demarcation of responsibilities, for prevention of transmission of COVID 19 in the school environment.
- **The course is available at the following link: https://diksha.gov.in/explore-course/course/do_31326644727903027212744**

It is requested that the States/UTs may use the above course for the training of school authorities to ensure safety of school staff, students and nearby communities from the COVID pandemic.

- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- States/UTs also need undertake their own capacity building programs in online mode for their teachers on various aspects related to teaching and learning in pandemic times. States/UTs can utilize DIKSHA platform for this purpose if they do not have their own Learning Management System (LMS) platforms.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

(ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines 'PRAGYATA' prepared by MOE may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time - table) and number of hours of usage. **Guidelines should also include how study @home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

7) Community Mobilization and SMC training

Funding under community mobilisation and SMC training can be utilised to ensure safety and security measures for children. SMC members may be made fully aware about the present COVID situation to create awareness among the Students and parents.

8) Focused approach under Samagra Shiksha

(a) **Support to Schools, Teachers and Students:** Various components of Samagra Shiksha can be built into special and focused interventions in view of the present pandemic situation which are given below:

- a) **Learning enhancement/enriching programme** to provide supplementary material to children.
- b) **Library Grant** to be utilized for ensuring availability of reading material to students.
- c) **Special Training for OoSC and CWSN** Support for out of school children (OoSC) of age group 16 to 19 years belonging to SEDG through NIOS/State open schools.
- d) **SMC training** to be utilized for ensuring community participation, parental support and awareness creation about inclusion.
- e) **Teaching learning Material** at ECCE and primary grade may be utilized for FLN kit which can be prepared by the NCERT/SCERT.
- f) **MMMER funds can also be utilized for setting-up a help desk at Panchayat level and creating awareness among masses**, through use of mass media. It can also be used for conducting online learning and content dissemination over electronic media.
- g) **Child tracking funds** may be utilized for preparing **student registry in NDEAR** compliant mode.
- h) **Special Grants to schools for sanitization and hygiene** even for limited opening/attendance of teachers etc.
- i) **Teachers grants for awareness on safety and security in online mode** and for enabling them to use online means of education.
- j) **Grants for online content development and dissemination.**
- k) **In-service training grants** for teachers for accessing **NISHTHA training modules** over DIKSHA platform.
- l) **Composite school grants** to be used by the schools flexibly to **ensure continuity of learning and atleast 10% of it to be used for Water, sanitation and hygiene in schools.**

(b) Ensuring Equity and Inclusion

- a) **Identification/ mapping children with special needs** should become an integral part of the micro-planning and household surveys. A concerted drive to detect children with special

needs at an early age should be undertaken at different levels.

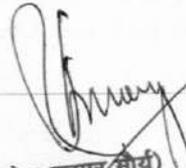

- b) **Assessment of each identified CWSN** should be carried out. A team should be constituted at the block/cluster level to carry out this assessment. The assessment team will ascertain the extent and type of the disability, the developmental level of the child, the nature of support services required, assistive devices required by the child and the most appropriate form of special training to be given to the child.
- c) Under Samagra Shiksha, **stipend is given to CWSN girl child**. This will need to be tracked regularly and ensured.
- d) **No child, including CWSN, should be left behind** in terms of textbooks, enrolment, learning resources and learning guidance.
- e) In Aspirational Districts and remote areas where digital modes or even teachers are not able to reach very often, local level volunteers, including parents, maybe identified and trained if necessary, to guide the children.
- f) States can consider pre-loading existing devices available in schools with educational material and sending them to remote areas, where trained volunteers can lead the process of guidance.

9) States and UTs may also give special attention to the following points:

- (i) Prepare own plan of action/roadmap by following NEP Implementation Plan for School Education, called '**Students' and Teachers' Holistic Advancement through Quality Education (SARTHAQ)**' released by the Department of SE&L in April 2021.
- (ii) **Regular updation of NEP Google tracker** so that the department will be appraised on a monthly basis about the initiatives taken by States/UTs.
<https://docs.google.com/spreadsheets/d/10ZXip4OUZK9nHMhbPRSIWPTkq4ag0rviG1VA05-vHLg/edit#gid=629451567>

Section: III- Financial Estimation

7) Total Estimated Budget (2021-22)

The estimates for the AWP&B for 2021-22 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Total (2+3+4)
1	2	3	4	5
Elementary	686.091	4946.2	130866.38	136498.67
Secondary	29830.69	1558.15	12536.85	43925.69
Teacher Education	114.00	0	3879.74	3993.74
Total	30630.781	6504.35	147282.97	184418.10

*Includes Programme Management (MMER)

8) Actual Releases by GOI during 2021-22

Against the above estimates, Central Government shall provide to the State Government, Rs. 70761.11 lakh as its share (Rs. 62001.68 lakh for elementary, Rs. 7114.00 lakh for secondary & senior secondary and Rs. 1645.43 lakh for Teacher Education). The State would contribute Rs. 47174.07 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2021 for the activities approved in 2020-21 including spill over.

Based on the demand of funds projected for 2021-22, the tentative share of recurring and non-recurring grants as per the state is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	60823.49	6403.00	1643.00	68869.49
Non-recurring	1178.19	711.00	2.43	1891.62
Total	62001.68	7114.00	1645.43	70761.11

The Balance of the outlay (i.e. Rs. 30630.781 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2021-22). Against the above Spill over, the committed liability of Department of SE&L is Rs. 19822.85 lakh (Rs. -1789.53 lakh for Elementary, Rs. 21609.95 lakh for Secondary and Rs. 2.43 lakh under Teacher Education after surrender), keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Foundational Literacy and Numeracy
- iii) Quality initiatives including ICT, VE and TE
- iv) School Grants including library and sports grants
- v) Gender, Equity and inclusive education
- vi) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2021, to consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

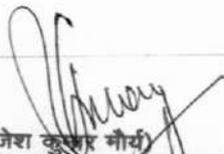

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2021-22 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

Fund flow to SCERTs, DIETs etc. will be as decided by the concerned State/UT by adopting any of the following options:

- (i) Option 1: Directly through State Treasury to SCERTs and DIETs, etc.
- (ii) Option 2: Adopt the present system.

However, there will a single UC for the component and states will be responsible to ensure proper management of accounts and auditing of the same.

- b) Each SNA is registered in the **Public Financial Management System (PFMS)** and the bank account of each SNA is opened and mapped in PFMS.
- c) Funds available in the bank account of all the IAs below the SNA are transferred to the bank account of the SNA concerned with clear bifurcation of the Central and the State share.
- d) Zero balance bank accounts of the IAs down the ladder are opened. Only banks having a robust IT Systems and extensive branch network should be chosen for opening the Single Nodal Account of each CSS. The bank chosen should have the facility to open the required number of subsidiary zero balance accounts and a robust MIS for handling accounting and reconciliation at each level. The bank should also provide a user friendly dashboard to officers at various levels to monitor utilization of funds by IAs.
- e) **All the IAs are registered in PFMS and their zero balance bank accounts are mapped in PFMS.**
- f) All zero balance subsidiary accounts will have allocated drawing limits to be decided by the SNA concerned from time to time and will draw on real time basis from the Single Nodal Account of the scheme as and when payments are to be made to beneficiaries, vendors etc. The available drawing limit will get reduced by the extent of utilization.
- g) Separate budget lines for Central and State shares are opened by every State Government in the State budget for every CSS having a State share and necessary provision of funds is made in the State budget for both the components.
- h) State GIFMIS is enabled to capture scheme component-wise expenditure along with PFMS scheme codes and Unique Code of the agencies incurring the expenditure.

It will be the responsibility of the State government concerned to ensure that the entire unspent amount is returned by all the IAs to the Single Nodal Account of the SNA concerned. For this, the State Governments will work out the modalities and the timelines and will work out Central and state share in the amount so available with IAs. SNAs will keep a record of unspent balance lying in the account of IAs and the amount refunded by IAs.
- f) The State Government will transfer the Central share received in its account in the RBI to the concerned SNA's account within a period of **21 days** of its receipt. The Central share shall not be diverted to the Personal Deposit (PD) account or any other account by the State Government. Corresponding State share should be released as early as possible and not later than **40 days** of release of the Central share. The funds will be maintained by the SNA in the Single Nodal Account of each CSS. State Governments/SNAs/IAs shall not transfer scheme related funds to any other bank account, except for actual payments under the Scheme.
- g) State Governments will register the SNAs and all IAs on PFMS and use the unique PFMS ID assigned to the SNA and IAs for all payments to them. Bank accounts of the SNAs, IAs, vendors and other organizations receiving funds will also be mapped in PFMS.
- h) Payments will be made from the zero balance subsidiary accounts up to the drawing limit assigned to such accounts from time to time. Transactions in each Subsidiary Account will be settled with the Single Nodal Account daily through the core banking solution (CBS) on the basis of payments made during the day.

Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**

1) **Introduction:**

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2021-22 for SAMAGRA SHIKSHA for the State of Karnataka was held on 27.04.2021 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

Section: I - State specific initiatives, Review of Performance & Issues

2) **Initiatives of the State:**

Ms. Anita Karwal, Secretary (SE&L) invited Karnataka to give a presentation on School Education in the State. Mr. G Kumar Naik, Principal Secretary, School Education (Karnataka) gave a presentation which included the following major points:

a) **Action taken for tackling the learning loss through Digital Learning Platforms:**

- I. **Makkala Vani Youtube Channel :** The inactivity in the education sector and the socio-emotional stress the children were going through during lockdown by staying behind locked doors, prompted the Education Department in the State to start an "Edu-entertainment" Makkala Vani Youtube Channel hosted by teachers with engaging videos and learning activities. The content for the episodes were sourced by teachers across the state. The best videos selected by the Review Committee, were streamed online.
- II. **Guidelines for Technology Enabled Education:** Covid-19 pandemic resulted in unprecedented use of technology resources in school education sector, and this resulted in massive increase in the use of online conferencing tools, learning management systems etc. This increase also lead to unscientific usage of these tools for daily classes. The Education Department in the State received many complaints on the unscientific usage of these tools. The matter was heard in the hon'ble High Court of Karnataka and based on the directions received; an expert committee was constituted under the chairmanship of Prof M K Shridhar to devise guidelines for the State on online education.
- III. **Vidyagama:** "Vidyagama" a continuous learning program was started with a vision that 'the dream of any child for its bright future should not be hampered due to any natural disaster, pandemic or any other obstacles'. To ensure continuous learning among the students even during closure of schools, learning outcome based simple self-learning activities were so designed that every child was within the scope of learning.
- IV. **Makkala Grama Sabhe:** The Government of Karnataka launched a campaign, "Makkala Snehi (Children Friendly) Grama Panchayati Abhiyan" at the Panchayat Level, in the rural areas of the state on November 14, 2020, Children's Day. This 10-week programme continued till January 24, 2021. During this period, various important initiatives, such as birth registrations, library-drives, vaccine-drives, nutrition-drives, mental-health awareness programmes and awareness on the importance of arts, theatre, and sports were addressed. The main purpose of this campaign was to empower children by understanding their needs and satisfying their basic needs.
