1) Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2021-22 for SAMAGRA SHIKSHA for the State of Chhattisgarh was held on 01.07.2021 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**.

Section: I - State specific initiatives, Review of Performance & Issues

2) Initiatives of the State:

Ms. Anita Karwal, Secretary (SE&L) invited Chhattisgarh to give a presentation on School Education in the State. Dr. Alok Shukla, Principal Secretary, School Education (Chhattisgarh) gave a presentation which included the following major points:

a) Action taken for tackling the learning loss through Digital Learning Platforms:

- i) **Padhai Tunhar Duwar:** During the Covid pandemic, continuous education of school children was a big challenge. Online classes were thus started under the banner of 'Padhai Tunhar Duwar'. At present nearly 20 lakh students and 2 lakh teachers are associated with the android app for online education. Till date, nearly 39.57 lakh online classes have been held. Teachers have uploaded around 18,184 video lessons and 914 audio lessons for the students.
- ii) **Padhai Tunhar Para:** Nearly 44% of the area in Chhattisgarh is covered with forest without internet connectivity because of which children had trouble attending the online classes. To solve this problem, small classes at mohalla and para level were started and bluetooth was used to share the study material with students. These mohalla classes were named 'Padhai Tunhar Para'. Under this initiative, around 23,643 teachers are helping about 7,48,266 students to continue their education in 35,982 centres. The parents are also happy with this arrangement and are extending their support.
- iii) **Loudspeaker School:** More than two thousand teachers in the state have taught more than 69,000 children through loudspeaker classes. These loudspeaker classes were held in villages to teach a large number of students simultaneously while practicing the norm of social distancing.
- iv) **Bultu Ke Bol:** People who did not have an internet facility were provided quality study material through Bluetooth. In 4677 weekly markets as many as 1608 teachers transferred more than 60,000 audio lectures to 27,000 parents through bluetooth, as they did not have Smartphone's or internet connectivity.
- v) **Swami Atmanand English Medium School:** 171 Swami Atmanand English medium schools functionalized in record time for children belonging to urban poor and orphans under Mahatri Dulari Scheme. All round development of students ensured through quality teaching.
- vi) **Merger of Teachers:** 16,278 teachers of panchayat and urban bodies, who have completed two years of service in the state, have been merged under School Education Department on November 1, 2020.

- vii) **Teacher strategies during Covid:** Two blogs of teachers were posted under Hamare Nayak campaign every day. More than 800 blogs of teachers were uploaded on the portal. Employment was given to the eligible family member of those teachers' who lost their lives due to covid.
 - viii) **Distribution of Dry Ration to Children During Corona Crisis:** As the schools were closed during lockdown, more than 28 lakh students of 45,000 schools in the state were provided dry ration at their doorstep. This decision of Chhattisgarh Government to deliver dry ration of midday meal to the houses of students was appreciated across the country.
 - ix) **Distribution of Uniform and Textbook:** Free uniforms have been distributed to the children studying in primary and middle schools of the state. Around 49 lakh children of government school and madaras have been provided school uniforms. Likewise, 55 lakh students of 1st to 10th standard have been provided textbooks free of cost.
- b) Steps taken to prevent drop out and identification of OoSC:**
- i) The State Government has opened 100 English Medium Schools to prevent children to take admission in private schools. 71 more schools will be opened in 2021-22.
 - ii) Arrangement of studies for children by starting innovative program "PadahiTuharDwar" (Education at your doorstep) through online and then expanding the offline mode.
 - iii) Timely distribution of free-text books and school uniform to all the children at their door steps so to make interest among them towards education.
 - iv) Ensured participation of children in their studies by mobilizing community members and School Management Committee (SMC) members.
 - v) Regular monitoring by teachers, Cluster Academic Coordinators (CAC's), BRCC's and other academic officials to ensure participation of children in online and offline classes.
 - vi) A total of 14296 children of 6-14 years age group were identified in June to August 2020 who returned to their native place with their families during the lockdown. The inbound migration was almost in all the Districts of the State. According to District report 14087 children were enrolled in nearby schools after their quarantine period is over.
 - vii) The state has developed an online module/App for survey and tracking of Out of School Children with help of UNICEF. This will be implemented in the year 2021-22.
- c) Specific interventions to improve PGI ranking:**
- i) The state has rationalised Cluster Resource Centres and no. of clusters increased from 2703 to 5540. This will help the CACs to regular monitoring and visiting of schools in more efficient manner.
 - ii) In previous year 1,03,370 Teachers have been trained under NISHTHA.
 - iii) The state has established ICT Lab in 395 Schools whereas electrical fitting, installation of UPS is completed in more than 300 Secondary and higher Secondary schools.
 - iv) Online tracking system for timely distribution of Uniform and Textbook.
 - v) Online module for Survey and tracking of Out of School Children
- d) A soft copy of the State's presentation is available at '<https://samagra.education.gov.in>'**

3) Review of Commitments and Expected Outcomes & Action Taken during 2020-21

The progress made in implementing the commitments and expected outcomes given by the State in 2020-21 was reviewed and the status in respect of pending items is as under:-

Sl. No	Commitments	Action Taken	Comments of the PAB 2021-22
1.	State was requested to ensure 100% enrolment of Out of School Children	In the year 2020-21 survey of OoSC was not conducted due to Covid-19. Though children who have returned to native places during Covid-19 pandemic have enrolled in schools.	State should adopt an appropriate planning strategy for conduction of surveys to identify children who are Out of School and have returned due to reverse migration and other reasons.
2.	State was requested to reduce high dropout rate at Secondary Level	The state is applying continuous effort to reduce the dropout rate at secondary level. The dropout rate has reduced from 18.21% (UDISEplus 2018-19) to 17.36% (UDISEplus 2019-20).	The situation continues to remain dire in terms of school education due to the ongoing pandemic therefore the state should keep dropout rate in check constantly and further the strategies adopted
3.	State was requested to take up the pending civil work on priority and complete the same within this financial year	The state is committed to complete the pending civil works on priority. State has organised meeting with district officers to review regarding pending works. The progress work is slow due to Covid-19. The state assures to complete the pending works in the year 2021-22.	Completion of ongoing Infrastructure development should be a priority for the state and it should be made sure that none of the pending civil works cross the deadline. The state is yet to complete girls' and boys' toilet, drinking water facilities, ramp and other such civil works. The state should follow a systemic approach towards their completion.

4) Review of performance during 2020-21:

State has secured a score of 700 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2019-20 as compared to 2018-19 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2018-19	134	69	110	200	219	732
GAP	46	11	40	30	141	268
2019-20	134	69	110	218	169	700
GAP	46	11	40	12	191	300

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** State has displayed stagnancy in terms of improvement in this sector and thus it needs to work on providing interventions to improve the learning outcomes of the students.
- b) **Access Outcomes (C-1, D-2):** State needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and State should adopt an appropriate planning strategy for conduction of surveys to identify children who are Out of School and have returned due to reverse migration and other reasons.
- c) **Infrastructure & Facilities (C-1, D-3):** State has been no improvement pertaining to this parameter. Therefore certain strategies should be adopted to encourage further measures to reach the top grade.
- d) **Equity Outcomes (C-1, D-4):** There has been improvement in this sector and the state should work on furthering the agenda to consistently improve its score.
- e) **Governance Processes (C-2, D-1):** There has been apparent decrease in the points under this heading thus the State needs to focus on % of teachers provided with sanctioned number of days of training in the given financial year; % of govt. head-teachers/principals who have completed School Leadership (SL) training in the given financial year; Funds (including value of goods and services in kind) arranged through PPP, CSR as a percentage of State budget; % of Schools at Elementary level Covered Under Twinning/ Partnership.

5) **Appraisal issues/ Commitments for 2021-22**

- **Pending Works in Non-recurring/Spill Over:** The year-wise details of pending non-recurring interventions under different components are as detailed in the table below. *State was asked to take up these pending works on priority and ensure that all works pending prior to 2020-21 are completed in this financial year.*

Source: PRABANDH as on 31 March 2021

- **Gross Enrolment Ratio (GER):** GER has declined at Primary, Upper Primary and Elementary level from year 2018-19 to 2019-20.

Year	Primary	Upper Primary	Elementary	Secondary	Higher Secondary
2019-20	97.12	92.59	95.45	86.86	54.30
2018-19	97.60	94.01	96.26	86.56	52.08

Source: UDISE data

State would need to focus on improving the GER at these levels by bringing back children to the age appropriate classes.

- **Net Enrolment Ratio (NER):** NER has declined at primary, Upper Primary, Elementary and Secondary level from year 2018-19 to 2019-20.

Year	Primary	Upper Primary	Elementary	Secondary	Higher Secondary
2019-20	88.83	72.33	86.95	55.93	33.46
2018-19	88.88	80.05	90.46	62.97	34.41

Source: UDISE data

State would need to focus on improving the NER at these levels by bringing back children to the age appropriate classes.

- **High Dropout Rate:** High drop-out of Girls at secondary level requires special attention as it has increased from 14% in 2018-19 to 17.2% in 2019-20. Secondary level boy's drop -out rate is higher than girls' in 23 districts. Four districts given below:

BIJAPUR		DHAMTARI		BALOD		DURG	
Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls
20.0	12.5	23.3	16.0	18.8	12.8	17.6	11.7

Source: UDISE data

Further, in 8 Aspirational Districts (Bemetara, Korba, Surguja, Kawardha, Dantewada, Balodabazar, Dhamtari and Baster) overall drop-out rate is more than 20% at secondary level. State needs to take adequate measures to reduce the dropout rate and improve the retention rate.

- **Transition Rate:** For ST children transition rate is 81% at Elementary to Secondary level. State needs to take steps to improve the transition rate at all levels.
- **Retention Rate:** Retention rate is 81% at elementary and 58% at secondary level.
- **Surplus Teachers at Elementary level:** There are 17,210 Surplus Teachers at Elementary Level, while there are a large number of single teacher schools and schools having adverse PTR. Only 15% Upper primary schools are having 03 subject teachers as per RTE norms. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Subject PTR at Secondary level:** Subject PTR at the secondary level is 801 for Social Studies. State would need to ensure required number of Social Studies teachers at the secondary level. Only 7% secondary schools have teachers for all core subjects.
- **Teacher and Head Teacher vacancy at Elementary & Secondary level:** There are 4622 vacant posts of teachers & 26571 vacant posts of head teachers at elementary level and 2565 vacant posts of subject teachers & 1502 vacant posts of head teachers at govt. Secondary schools, which may be filled on priority.
- **Mainstreaming of out of School Children:** Rate of Mainstreamed children is very low (24%). 14,296 migrant children are identified, out of which 5,076 have been enrolled in schools and 9220 children are proposed for Special Training.
- **Implementation of Section 12:**
 - (i) State must strengthen its reimbursement procedure.

- (ii) State also needs to streamline its reimbursement process as claim for reimbursement for the year 2014-15, 2015-16, 2016-17 and 2018-19 is being proposed by the State till this year.
 - (iii) State is yet to identify private schools which are under obligation of providing education to children of disadvantaged groups and weaker sections on account of having received land or other assistance from the Government.
 - (iv) State must ensure that schools which are under obligation for providing free education to DG & WS on account of receiving land or any other assistance from Govt. are not reimbursed.
- **Out of School CWSN:** In the age group 3-18 years, an estimated 68,199 CWSN are out of school/not identified as against the total estimated enrolment of 1,00,640 (@ 2.5% approx. of total enrolment) i.e., only 32,441 CWSN are enrolled in Govt. and Govt. Aided Schools.
 - **Decline in CWSN Enrolment:** CWSN Enrolment has declined from year 2018-19 to 2019-20 in 08 districts [Raigarh (-38.5%), Korba (-58.7%), Bilaspur (-33.1%), Rajnandgaon (-42.7%), Durg (-39.0%), Surguja (-44.4%), Gariaband (-49.5%) and Dhamtari (-44.8%).
 - **Vacancy of Academic positions in TEIs:**
 - (i) **Vacancy of academic positions in SCERT** is 31.11% with 31 faculties in position as against a total recommended posts of 45 as per the scheme. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12
 - (ii) **Vacancy of academic positions in 19 Functional DIETs** is 50.32% with only 236 faculties in position as against a total recommended strength of 475 (25 Academic posts per DIET). These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12

Section: II – New Approaches and COVID Action Plan

6) New Approaches 2021-22:

The SamagraShiksha Scheme has been aligned with the recommendations of the National Education Policy: 2020 (NEP: 2020). During the year 2021-22, the focus will be on enhancing the qualitative outcomes as envisaged in NEP 2020 and increase the effectiveness of the implementation of the Scheme. For this purpose, **Key Performance Indicators (KPIs) has been developed for each intervention so that qualitative assessment of each intervention can be made.** The scheme being an integrated scheme for school education also aims to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs and different academic abilities, thereby making them active participants in the learning process.

The following are the focus areas of the schemes identified for the year 2021-22:

6.1 **Foundational Literacy and Numeracy:**

As a part of announcements under 'Atamnirbhar Bharat' and recommendations of NEP 2020, it has been decided to launch a National Mission under SamagraShiksha to ensure that by 2025 every child

achieves the desired learning competencies in reading, writing and numeracy at the end of grade III. States and UTs may identify this as one of the major focus areas, for which they have been provided funds for the following activities:

- Provision of Teaching Learning Materials (TLMs)/Supplementary graded materials to all children upto grade V such as, worksheets, workbooks and various locally contextualised Toys, Puzzles, puppets, games, board games, Story books, local rhymes, local folk songs/lore, art and craft, online access, etc. This also includes the 3-month play-based-school readiness/ preparation module - for all students who enter Grade 1. NCERT will be launching the school preparation module (SPM) which can be adopted/adapted by the states and UTs as per their local requirements and needs.
- Funds have also been provided for Teacher Resource Material/Activity Handbook for teachers to align their innovative pedagogies with learning outcomes and grade level competencies.
- Specific Teacher Training Modules under NISHTHA focusing on FL&N will be designed by NCERT. SCERTs will be the nodal agency in the State to conduct NISHTHA as well as all other supplementary in-service teachers' training.
- Independent, periodic and holistic assessment of students
- Funds have also been provided for Setting-up of State and District PMU including subject experts/IT personnel/data analysts etc. to ensure effective implementation and monitoring of FL&N goals.

State is advised to prepare an Implementation Framework consisting of roadmaps and annual action plans for implementing of activities covering all the focus areas of FL&N Mission by following the guidelines of MoE.

6.2 NISHTHA: National Initiative for School Heads' and Teachers' Holistic Advancement (In-service Teacher Training)

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – **National Initiative for School Heads' and Teachers' Holistic Advancement** on 21st August, 2019. In the wake of the COVID-19 pandemic, the NISHTHA programme has been contextualised to the needs of teaching and learning during the pandemic and made 100% online. **NISHTHA Online for elementary teachers** was launched on 6th October, 2020 and it has been created by customizing Modules for Online delivery in the format compatible with DIKSHA Platform of NCERT. Nearly, 23 lakh teachers have completed NISHTHA online training by March, 2021 besides the 17 lakh provided training in face to face mode in 2019-20.

The National Education Policy (NEP, 2020) recommends 50 hours of Continuous Professional Development programme or in-service training for every teacher and school leader.

Consequently, in 2021-22, NISHTHA training modules will be launched for teachers of pre-primary to primary grade for a specialised training on Foundational Literacy and Numeracy. Further, NISHTHA training will also be extended to secondary/senior secondary

level teachers with a focus on improvement in quality of teachers and learning outcomes of students, which will also be conducted in online mode.

6.3 State Curriculum Framework (SCF):

As per the strategy finalized by the D/o SE&L and NCERT, it has been decided that the National Curriculum Framework (NCF) should be framed by incorporating and integrating the local and indigenous flavour from across the country through wider consultations. Consequently, the State Curriculum Frameworks may be developed first and these may then feed into the preparation of the NCFs. The entire process of developing the NCFs and SCFs will be paperless and conducted using the Tech platform to be developed by NIC, MoE in close collaboration with NCERT.

For the purpose of developing the SCFs, following steps are required to be taken by the States and UTs:

- 1) Ensuring that State/UT nominates SCERT (wherever it is available) as the nodal agency for developing the SCFs in collaboration with the concerned State/UT agencies, such as, School Examination Boards, SIEMATs, DIETs etc., or other nominated agency under DSE may lead this task.
- 2) Nominate two nodal officers from the SCERT to coordinate with the nodal officers of the NCERT for taking forward the development of the SCFs.
- 3) Setting up of 25 State Focus Groups, as per template provided by NCERT, for developing State position papers in the identified areas.
- 4) Setting up of three separate Steering Committees, one jointly for State Curriculum Framework for School Education and State Curriculum Framework for ECCE, second for SCF for Teacher Education and third for SCF for Adult Education (as per template provided by NCERT).
- 5) Consultations at district level for taking inputs on the survey questionnaires developed at the National level.

SCERTs and DIETs are expected to play a pivotal role in conducting intensive consultation process and prepare SCF thereafter. In this regard, SCERTs and DIETs may utilise the funds provided under Programme and Activity/Research/Annual grants for developing SCF.

6.4 Promotion of Menstrual Hygiene Management (MHM)

In order to emphasize the importance of Menstrual Hygiene Management, the following major focus areas have been identified:

1) Awareness:

- Develop and incorporate Module on Menstrual Health in Curriculum
- Make available Awareness materials and FAQs in Schools

2) Standards, Technology and Outcome Monitoring:

- Appropriate ratio of girls' toilets and incinerators
- Standard low-cost mechanical incinerators for residential and non-residential schools

- Quality low cost sanitary pads vending machines and incinerators

Towards this end, NCERT will be developing a Module on Health and Well Being as part of the position papers for formulating the new National Curriculum Framework on School Education (NCFSE). Under this, States and UTs are also required to formulate modules on Menstrual Health and Hygiene based on State-specific socio-cultural perceptions for inclusion in their curriculum or adopt the module developed by NCERT. **For this purpose, under special projects for equity, Rs. 10 Lakh as a onetime grant is given to all states and UTs for developing a module on Menstrual health and hygiene and its appropriate inclusion in curriculum.**

6.5 Strengthening of BRCs/CRCs

The **Block Resource Centres and Cluster Resource Centres** are the most critical units for training and on-site support to schools and teachers. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Block and Cluster Resource Coordinator will visit the schools and provide onsite academic support and send reports on a periodic basis. It is expected that the periodic visits by BRCs/CRCs will be monitored at state level through technological intervention, preferably through a mobile app. MoE will develop a comprehensive framework on the role of BRCs/CRCs.

6.6 Key Performance Indicators (KPIs) - For every component of SamagraShiksha, measurable Key Performance Indicators have been developed for effective monitoring of scheme implementation. The KPIs have been developed in such a manner that qualitative impact of the scheme against each intervention can be measured. These KPIs will be monitored on a regular basis.

6.7 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation

The COVID-19 pandemic has impacted over 240 million children of our country who are enrolled in schools. Moreover, extended school closures may cause loss of learning. To mitigate the impact of the pandemic, schools will not only have to remodel and re-imagine the way teaching and learning have happened so far, but will also need to introduce a suitable method of delivering quality education through a healthy mix of schooling at home and schooling at school.

With the present COVID wave, that is more virulent and faster spreading, an urgent need was felt to plan for the challenges ahead and prepare to make progress for the sake of students, parents, community and all stakeholders involved in this pursuit. Hence, taking a holistic view, the Department has prepared a comprehensive COVID Response document consolidating all the previous guidelines and intervention to mitigate the impact of the pandemic. This guideline was issued on 4th May, 2021 and it delineates detailed action plan and timelines for all Stakeholders involved on Access, Retention, Continuous Learning, Capacity Building and Stakeholder engagement.

In this regard, the following are the major areas that require interventions:

- 1) Identifying OoSC, Mainstreaming, Enrolment, retention, transition,
- 2) Academic learning & cognitive development of students
- 3) Capacity building - with specific focus on response to blended and home-based learning including student assessments and data use,
- 4) Nutritional, socio-emotional support to systems' actors and students,
- 5) Digital education and systems' development for monitoring, tracking and remediation.

Accordingly, various interventions under SamagraShiksha have been realigned to manage the crisis with specific emphasis on **access to quality education, learning processes and safety & security of children**. The funding provided for various components under SamagraShiksha may be utilised to deal with the current situation by focusing on the following areas which are as follows:

1) Access to Textbooks

- All states/UTs will ensure that relevant textbooks (Covering Class I to VIII) are printed and distributed through the school (if required, then at the doorstep) to every elementary level school going child, in the beginning of the academic session 2021-22.
- System for distribution of textbooks for students of secondary and senior secondary level may also be overseen by State/UT to ensure their timely distribution.

2) Availability of Supplementary Graded Material and Resource Kits:

- Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. **States and UTs may prepare grade wise material and ensure their delivery to the students.**
- Activity and play based kits can also be prepared specially for ECCE to class 5 students to productively engage them in learning. SCERTs may prepare such material which will be useful for home-based learning.
- **Learning Kits for different age groups will be particularly useful for children located in remote areas, who have no access to digital formats.**
- **Funds provided for Teaching Learning Materials (TLMs) under Support to pre-school, Foundational Literacy and Numeracy and Learning enhancement/Enrichment Programmes may be utilised for this purpose.**

3) School Library Books should be made accessible

- It is noticed that though most schools now have libraries, the books remain unborrowed during the pandemic.
- States/UTs must ensure that **each and every Library Book in the school reaches the homes of children** – at least one new book a month – and children get into the habit of reading. Teachers can review the knowledge acquired either online or as and when the schools reopen.

4) Alternative Academic Calendar:

- States and UTs may also continue to plan the Alternative Academic Calendar in its present form gives learning solutions for grades 1 to 12 for both - a child with device and one without device. This can be strengthened by connecting item banks/assessment and role of parents with the Alternative Academic Calendar.

5) Helping Teachers to Reach the Last Child in the last Mile

- states may establish a Control and Command Centre (CCC) for teachers and schools to keep track of enrolled students, learning at home, Drop outs, information on child labour mainstreamed, Out of School Children, textbook delivery, support required by teachers and schools, etc. and provide feedback to the district level.
- The States/UTs may also consider having a helpline or IVRS for students and parents for some time. This helpline could be of great help to students and parents w.r.t tracking textbooks, worksheets, solving queries, getting information on digital modes, etc.
- Teachers may visit students at least once in a week, with a brief plan of interaction with students and parents, particularly in far-flung and remote areas where access to digital devices is minimal.

6) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.

(i) Training of Teachers on Safety and e-learning aspects.

- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc. A **letter dated 30th April, 2021 regarding a course on COVID 19 Responsive Behaviour** has been shared with all States and UTs. This course has been designed & developed in collaboration with UNICEF and **uploaded on DIKSHA platform** with the objective of providing essential knowledge and action plan with demarcation of responsibilities, for prevention of transmission of COVID 19 in the school environment. **The course is available at the following link: https://diksha.gov.in/explore-course/course/do_31326644727903027212744**

It is requested that the States/UTs may use the above course for the training of school authorities to ensure safety of school staff, students and nearby communities from the COVID pandemic.

- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- States/UTs also need undertake their own capacity building programs in online mode for their teachers on various aspects related to teaching and learning in pandemic times.

States/UTs can utilize DIKSHA platform for this purpose if they do not have their own Learning Management System (LMS) platforms.

- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

(ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines '**PRAGYATA**' prepared by MOE may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. ***Guidelines should also include how study @home can be undertaken and daily or weekly timetables may be issued.***
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

7) Community Mobilization and SMC training

Funding under community mobilisation and SMC training can be utilised to ensure safety and security measures for children. SMC members may be made fully aware about the present COVID situation to create awareness among the Students and parents.

8) Focused approach under Samagra Shiksha

(a) Support to Schools, Teachers and Students: Various components of Samagra Shiksha can be built into special and focused interventions in view of the present pandemic situation which are given below:

- a. **Learning enhancement/enriching programme** to provide supplementary material to children.
- b. **Library Grant** to be utilized for ensuring availability of reading material to students.
- c. **Special Training for OoSC and CWSN.**
- d. Support for **out of school children (OoSC) of age group 16 to 19 years** belonging to SEDG through NIOS/State open schools.
- e. **SMC training** to be utilized for ensuring community participation, parental support and awareness creation about inclusion.
- f. **Teaching learning Material** at ECCE and primary grade may be utilized for FLN kit which can be prepared by the NCERT/SCERT.
- g. **MMMER funds can also be utilized for setting-up a help desk at Panchayat level and creating awareness among masses**, through use of mass media. It can also be used for conducting online learning and content dissemination over electronic media.
- h. **Child tracking funds** may be utilized for preparing **student registry in NDEAR** compliant mode.
- i. **Special Grants to schools for sanitization and hygiene** even for limited opening/attendance of teachers etc.
- j. **Teachers grants for awareness on safety and security in online mode** and for enabling them to use online means of education.
- k. **Grants for online content development and dissemination.**
- l. **In-service training grants** for teachers for accessing **NISHTHA training modules** over DIKSHA platform.
- m. **Composite school grants** to be used by the schools flexibly to **ensure continuity of learning and atleast 10% of it to be used for Water, sanitation and hygiene in schools.**

(b) Ensuring Equity and Inclusion

- a. **Identification/ mapping children with special needs** should become an integral part of the micro-planning and household surveys. A concerted drive to detect children with special needs at an early age should be undertaken at different levels.
- b. **Assessment of each identified CWSN** should be carried out. A team should be constituted at the block/cluster level to carry out this assessment. The assessment team will ascertain the extent and type of the disability, the developmental level of the child, the nature of support services required, assistive devices required by the child and the most appropriate form of special training to be given to the child.
- c. Under Samagra Shiksha, **stipend is given to CWSN girl child.** This will need to be tracked regularly and ensured.

- d. **No child, including CWSN, should be left behind** in terms of textbooks, enrolment, learning resources and learning guidance.
- e. In Aspirational Districts and remote areas where digital modes or even teachers are not able to reach very often, local level volunteers, including parents, maybe identified and trained if necessary, to guide the children.
- f. States can consider pre-loading existing devices available in schools with educational material and sending them to remote areas, where trained volunteers can lead the process of guidance.

9). **States and UTs may also give special attention to the following points:**

- (i) Prepare own plan of action/roadmap by following NEP Implementation Plan for School Education, called '**Students' and Teachers' Holistic Advancement through Quality Education (SARTHAQ)**' released by the Department of SE&L in April 2021.
- (ii) **Regular updation of NEPGoogle tracker** so that the department will be appraised on a monthly basis about the initiatives taken by States/UTs.
<https://docs.google.com/spreadsheets/d/10ZXip4QUZK9nHMhbPRSJWPTkq4ag0rviG1VA05-vHLg/edit#gid=629451567>
- (iii) Initiate the process for setting up **State School Standards Authority(SSSA)** as an independent, State-wide body to ensure transparency and online public disclosure of all schools in the state based on prescribed benchmarks.
- (iv) **Convergence architecture with other Ministries** may be explored by States and UTs:
 - a) *Convergence with Ministry of Women and Child Development for ECCE through the Anganwadi centres under the Umbrella of Integrated Child Development Scheme (ICDS) and for identification and mainstreaming of adolescent girls through special training centres or Open schools.*
 - b) *National Rural Drinking Water Programme under the Ministry of Drinking Water and Sanitation for providing drinking water facilities in schools.*
 - c) *National Child Labour Project (NCLP) of the Ministry of Labour to promote successful mainstreaming into regular schools of all children who have been withdrawn from child labour and rehabilitated and avoiding overlap between children covered under Special training in SamagraShiksha and those covered under NCLP centres.*
 - d) *Residential facilities for SC and ST children by the Ministry of Social Justice & Empowerment and Ministry of Tribal Affairs.*
 - e) *Scheme of Assistance to Disabled Persons for Purchase/Fitting of Aids/Appliances (ADIP Scheme) and Scheme for Implementation of Persons with Disabilities Act, 1995 (SIPDA by Ministry of Social Justice and Empowerment.*
 - f) *School Health Programme (SHP) under Ayushman Bharat, which is a joint initiative of the Ministry of Health & Family Welfare (MoHFW) and the Ministry of Education (MoE). The SHP programme will be implemented in government and government*

aided schools in 191 districts (including 117 aspirational districts) of the country in the first phase of the implementation.

- g) Convergence with Department of Rural Development for provision of playgrounds, boundary walls in schools through MNREGS and provision of school uniforms through SHGs.
- h) Convergence with Department of Panchayati Raj for use of Finance Commission funds for maintenance of school premises as required locally.
- (v) Online monitoring and regular data updation on **PRABANDH** including physical and financial progress component wise and school wise.
- (vi) Regular updation of **child wise data relating to stipend for girls and other students oriented component-wise details under Inclusive Education** to be uploaded on PRABANDH.
- (vii) A format for **identification of OOSC and their mapping with special training and mainstreaming of OOSC** has been launched on PRABANDH. States are requested to upload child-wise data and update the format on a regular basis as per the instructions given by MOE.
- (i) **Action plan for covid response and OoSC survey may be shared with MoE by end of June.**

Section: III - Financial Estimation

7) Total Estimated Budget (2021-22)

The estimates for the AWP&B for 2021-22 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)				
Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total (2+3+4)
1	2	3	4	5
Elementary	12964.182	10905.87	89121.92	112991.972
Secondary	37043.37	3820.83	25848.35	66712.55
Teacher Education	504.3030	475.49	2152.38	3132.17
Total	50511.855	15202.19	117122.65	182836.695

*Includes Programme Management (MMER)

8) Actual Releases by GOI during 2021-22

Against the above estimates, **Central Government shall provide to the State Government, Rs. 88790.33 lakh as its share (Rs. 61544.75 lakh for elementary, Rs. 25462.73 lakh for secondary & senior secondary and Rs. 1782.85 lakh for Teacher Education). The State would contribute Rs. 59193.55 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2021 for the activities approved in 2020-21 including spill over.**

Based on the demand of funds projected for 2021-22, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	53473.15	15509.01	1291.43	70273.59
Non-recurring	8071.60	9953.72	491.42	18516.74
Total	61544.75	25462.73	1782.85	88790.33

The Balance of the outlay(i.e.Rs.50511.855 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2021-22). Against the above Spill over, the committed liability of Department of SE&L is Rs.13247.506 lakh (Rs.1528.08 lakh for Elementary, Rs.11513.30 lakh for Secondary and Rs.206.012 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Foundational Literacy and Numeracy
- iii) Quality initiatives including ICT, VE and TE
- iv) School Grants including library and sports grants
- v) Gender, Equity and inclusive education
- vi) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2021, to consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for SamagraShiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2021-22 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

Fund flow to SCERTs, DIETs etc. will be as decided by the concerned State/UT by adopting any of the following options:

- i. Option 1: Directly through State Treasury to SCERTs and DIETs, etc.
- ii. Option 2: Adopt the present system.

However, there will a single UC for the component and states will be responsible to ensure proper management of accounts and auditing of the same.

9) Release of Funds:

The release of funds under the scheme will be further guided by the instructions contained in MoE D.O. letter No. 4-4/2021-IS-2 dated 24.05.2021 read with D.O. letter No. 1(13)PFMS/FCD/2020 dated 12.04.2021 from Dr. T.V. Somanathan, Secretary (Expenditure), Dept. of Expenditure, and Department of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2021, conveying the modified procedure for release of funds to States/UTs for the Centrally Sponsored Schemes [CSS] and monitoring utilization of the funds released. The aim of the revised procedure is to ensure effective cash management and improve transparency in public expenditure management. The revised procedure will be effective from the 1st July, 2021.

Accordingly, the preparatory activities need to be completed by the State/UT Governments and Implementing Agencies for smooth implementation of the revised procedure from the stipulated date. These inter-alia include:

- a) **A Single Nodal Agency [SNA]** is designated for each CSS by every State Government.
- b) Each SNA is registered in the **Public Financial Management System (PFMS)** and the bank account of each SNA is opened and mapped in PFMS.
- c) Funds available in the bank account of all the IAs below the SNA are transferred to the bank account of the SNA concerned with clear bifurcation of the Central and the State share.
- d) Zero balance bank accounts of the IAs down the ladder are opened. Only banks having a robust IT Systems and extensive branch network should be chosen for opening the Single Nodal Account of each CSS. The bank chosen should have the facility to open the required number of subsidiary zero balance accounts and a robust MIS for handling

accounting and reconciliation at each level. The bank should also provide a user friendly dashboard to officers at various levels to monitor utilization of funds by IAs.

- e) **All the IAs are registered in PFMS and their zero balance bank accounts are mapped in PFMS.**
- f) All zero balance subsidiary accounts will have allocated drawing limits to be decided by the SNA concerned from time to time and will draw on real time basis from the Single Nodal Account of the scheme as and when payments are to be made to beneficiaries, vendors etc. The available drawing limit will get reduced by the extent of utilization.
- g) Separate budget lines for Central and State shares are opened by every State Government in the State budget for every CSS having a State share and necessary provision of funds is made in the State budget for both the components.
- h) State GIFMIS is enabled to capture scheme component-wise expenditure along with PFMS scheme codes and Unique Code of the agencies incurring the expenditure.

It may further be pointed out that the Dept. of Expenditure OM No. 1(13)PFMS/FCD/2020 dated 23.03.2021, inter-alia provides as under:

- a) Funds will be released to the States strictly on the basis of balance funds of the SamagraShiksha (Central and State share) available in the State treasury and bank account of the SNA as per PFMS in consonance with rule 232(V) of the General Financial Rules, 2017.
- b) The SNAs shall ensure that the interest earned from the funds released should be mandatorily remitted to the respective Consolidated Funds on pro-rata basis in terms of Rule 230(8) of GFR, 2017. Interest earned should be clearly and separately depicted in PFMS, scheme-specific portals integrated with PFMS and in MIS provided by the banks.
- c) States will maintain separate budget lines for Central and State Share in their Detailed Demand for Grants (DDG), and make necessary provision of the State share in the State's budget. While releasing funds to SNA, State's Integrated Financial Management Information System (IFMIS) should provide these budget heads and the same should be captured in PFMS through treasury integration.
- d) In the beginning of a financial year, the Ministries/Departments will release not more than 25% of the amount earmarked for the State for the financial year. Additional central share will be released upon transfer of the stipulated State share to the Single Nodal Account and utilization of at least 75% of the funds released earlier (both Central and State share) and compliance of the conditions of previous sanction.
- e) After opening of Single Nodal Account of the scheme and before opening zero balance subsidiary account of IAs or assigning them drawing rights from SNA's account, the IAs at all levels shall return all unspent amounts lying in their accounts to the Single Nodal Account of the SNA. It will be the responsibility of the State government concerned to ensure that the entire unspent amount is returned by all the IAs to the Single Nodal Account of the SNA concerned. For this, the State Governments will work out the modalities and the timelines and will work out Central and state share in the amount so available with IAs. SNAs will keep a record of unspent balance lying in the account of IAs and the amount refunded by IAs.

- f) The State Government will transfer the Central share received in its account in the RBI to the concerned SNA's account within a period of **21 days** of its receipt. The Central share shall not be diverted to the Personal Deposit (PD) account or any other account by the State Government. Corresponding State share should be released as early as possible as and not later than **40 days** of release of the Central share. The funds will be maintained by the SNA in the Single Nodal Account of each CSS. State Governments/SNAs/IAs shall not transfer scheme related funds to any other bank account, except for actual payments under the Scheme.
- g) State Governments will register the SNAs and all IAs on PFMS and use the unique PFMS ID assigned to the SNA and IAs for all payments to them. Bank accounts of the SNAs, IAs, vendors and other organizations receiving funds will also be mapped in PFMS.
- h) Payments will be made from the zero balance subsidiary accounts up to the drawing limit assigned to such accounts from time to time. Transactions in each Subsidiary Account will be settled with the Single Nodal Account daily through the core banking solution (CBS) on the basis of payments made during the day.
- i) SNAs and IAs will mandatorily use the **Expenditure, Advance and Transfer (EAT) module** of PFMS or integrate their systems with the PFMS to ensure that information on PFMS is updated by each IA at least once every day.
- j) SNAs will keep all the funds received in the Single Nodal Account only and shall not divert the same to Fixed Deposits/Flexi-Account/Multi-Option Deposit Account/Corporate Liquid Term Deposit (CLTD) Account etc.
- k) The State IFMIS should be able to capture scheme component-wise expenditure along with PFMS Scheme Code and Unique Code of the Agencies incurring the expenditure. State Governments will ensure daily uploading/sharing of data by the State IFMIS/Treasury applications on PFMS. PFMS will act as a facilitator for payment, tracking and monitoring of fund flow.
- l) All releases by the Centre would be subject to fulfilment of provisions of GFR by the State. The procurement guidelines as prescribed in the FM&P Manual should be adhered to and all procurement activities by the States and UTs should be routed through GEM portal.
- m) All guidelines issued by MoE regarding utilisation of funds under the scheme will be followed.
- n) The release of central share of funds to all the States and UTs is subject to fulfilling the submission of documents, reports, financial statements as prescribed in the SamagraShiksha FMP Manual.

Accordingly, as regards the balance of funds to be released towards 1st instalment and 2nd instalment, the above said conditions and the details is to be fulfilled is at Annexure II.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MOE which have been deliberated in detail in the PAB meetings. The objective of this is to have emphasis on quality of education and real time monitoring of activities under SamagraShiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to

different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes for each activity which will help States and UTs in assessing their performance.

In order to ensure effective implementation, States and UTs will prepare yearly reports on the progress of following themes/subjects:

- Progress on Foundational Literacy and Numeracy
- Progress on Early Childhood Care and Education (ECCE)
- Report on E-Governance and Digital education
- Convergence initiatives with various line ministries
- Progress on Vocational Education.
- Progress on Teacher Education.
- State Innovations and Quality initiatives

These reports will be submitted in the **month of June every year for the previous year.**

d) 'Rani Laxmibai Atma Raksha Prashikshan' - Self-Defence Training: Gender-based violence is a serious problem threatening the growth, development, education and health of adolescent girls in the country. Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**

The utilization of these funds needs to be in accordance of the detailed guidelines issued by MHRD.
All purchase from central fund should be made through GEM to ensure effective prices and standardized equipments.

The following points need to be kept in mind during procurement:

- Inventory of each item will be maintained by the school and the concerned school Principal will be the in-charge for ensuring that all hardware and software has been marked as inventory items. The

record of ICT inventory, school wise, has to be maintained online and made available to MHRD as and when required.

- The funds may be utilised for setting up ICT labs/ smart classrooms.
- Teachers should be encouraged to make use of e-learning platforms like DIKSHA, E-Pathshala, Swayam, SwayamPrabha, NROER, NISHTHA, O-labs etc.
- Teachers to be encouraged to contribute content to DIKSHA Portal.
- States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.
- In order to ensure that computers installed in the schools are being used regularly, software which indicates when the computers are turned on or off, linked to the State server must be put in place.
- As per IT Act 2000, it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a govt. approved, free firewall.

Outcome: Number of schools having ICT coverage and functioning as a percentage of number of Secondary/Higher Secondary schools. This will improve PGI indicator No. 1.3.3.
