6. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 174579.85 lakh as its share (Rs. 138568.07 lakh for Elementary, Rs. 34842.83 lakh for Secondary & Senior secondary and Rs. 1168.95 lakh for Teacher Education). The State would contribute Rs. 116386.57 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. State will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	120643.72	17533.07	831.53	139008.32
Non-recurring	17924.35	17309.76	337.42	35571.53
Total	138568.07	34842.83	1168.95	174579.85

The Balance of the outlay (i.e. Rs. 89809.52 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 41372.59 lakh (Rs. 18343.81 lakh for Elementary, Rs. 22505.04 lakh for Secondary and Rs. 523.74 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education,

the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of SamagraShiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

7. Spill Over

An outlay of **Rs.89809.52 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

8. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.
