# Guidelines for activities to be conducted under the “**Ek Bharat Shreshtha Bharat**” programme in schools

## 1. Introduction:

India is a unique nation, whose fabric has been woven by diverse linguistic, cultural and religious threads, held together into a composite national identity by a rich history of cultural evolution, coupled with a rousing freedom struggle that was built around the tenets of non-violence and justice. The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as a tall flame of nationhood that needs to be nourished and cherished into the future.

Time and technology have narrowed down distances in terms of connectivity and communication. In an era that facilitates mobility and outreach, it is important to establish cultural exchanges between people of different regions, as a means to further human bonding and a common approach to nation-building. Mutual understanding and trust are the foundations of India's strength and all citizens should feel culturally integrated into all corners of India.

The idea of a sustained and structured cultural connect between denizens of different regions was mooted by Prime Minister Shri Narendra Modi during the Rashtriya Ekta Divas held on 31st October 2015, to commemorate the birth anniversary of Sardar Vallabhbhai Patel. Hon'ble Prime Minister propounded that cultural diversity is a joy that ought to be celebrated through mutual interaction & reciprocity between people of different States and UTs so that a common spirit of understanding resonates throughout the country. Every State and UT in the country would be paired with another State/UT for a year, during which they would carry out a structured engagement with one another in the spheres of language, literature, cuisine, festivals, cultural events, tourism etc. cultural adoption of the partner State/UT would be followed by all States and UTs.

All the States/UTs in India have been paired for an entire year. The paired States/UTs would sign MoUs with each other, delineating a set of activities that they would carry out through the year. An activity calendar for each pair would be prepared through mutual consultation, paving the way for a year-

long process of mutual engagement. Such interaction between different segments of the population of each pair of States /UTs at the cultural level, would generate a spirit of understanding and appreciation amongst the people and forge mutual bonding, thus securing an enriched value system of unity in the nation.
