4 Review of performance during 2022-23:

State had secured a score of 865 in Performance Grading Index (PGI) and is placed in Grade II. The Domain-wise Gaps in 2020-21 as compared to 2019-20 and 2018-19 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 Learning Outcomes and Quality (180)	Domain 2 Access (80)	Domain 3 Infrastructure & Facilities (150)	Domain 4 Equity (230)	Domain 1 Governance Processes (360)	All Domains (1000)
2018-19	134	78	125	202	244	783
GAP	46	2	25	28	116	217
2019-20	134	75	131	217	305	862
GAP	46	5	19	13	55	138
2020-21	134	75	141	220	295	865
GAP	46	5	9	10	65	135

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

a) Learning Outcomes and Quality (C-1, D-1): State still needs to work on providing interventions to improve the learning outcomes of the students.

b) Access Outcomes (C-1, D-2): State has shown slight decline under this and needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps for identifying Out-of-school-children and their mainstreaming.

c) Infrastructure & Facilities (C-1, D-3): State has shown maximum improvement under this and was encouraged to further take measures to reach the top grade, with specific focus on areas where the performance is low i.e., Percentage of schools having Computer Lab/CAL at Upper Primary level.

d) Equity Outcomes (C-1, D-4): State has shown some improvement under this with increase in the gross enrolment ratio of CwSN and % of entitled CwSN receiving aids and appliances. However, percentage of schools having functional CwSN friendly toilets is an area of concern.

(Handwritten signature)

- d) **Governance Processes (C-2, D-1):** A downfall is observed in this area. State needs to focus on average daily attendance of students captured digitally (States and UTs may set digital mechanism similar to AMS of MDM), % Upper Primary schools meeting norms of subject-teacher as per RTE, Number of teachers transferred through a transparent online system as a % of total number of teachers transferred, Number of head-teachers/principals recruited through a merit based selection system as a % of total number of head-teachers/principals recruited (in the given year) and Funds arranged through PPP, CSR as a percentage of State budget on schools education.

5. Appraisal Issues/ Commitments for 2023-24

Sh. Vipin Kumar, JS (SS-II) made a presentation on the AWP&B 2023-24 of State of Haryana. The copy of PPT is placed at **Annexure - II**.

- 5.1 Net Enrolment Ratio (NER):** NER has slightly decreased at all levels except secondary from year 2021-22 to 2022-23. State needs to take adequate measures for the NER to increase.
- 5.2 Gross Enrolment Ratio (GER):** GER has decreased at all levels except for Higher Secondary level from year 2021-22 to 2022-23. State needs to take adequate measures for the GER to increase. **The Secretary (SE&L) also directed to the state for taking corrective measures to reduce the difference in GER & NER**
- 5.3 Dropout Rate:** As per UDISE+, annual average dropout rate at primary level has decreased at primary and Upper Primary level. However, the dropout rate at Secondary level is high and requires continues effort on part of Haryana to maintain low dropout rate. Districts like Panchkula & NUH are witnessing highest drop outs. State needs to continue taking adequate measures to reduce the dropout rate and improve the retention rate.
- 5.4 Transition Rate:** As per UDISE+, Transition rate reveals the percentage of children transiting from one level to another level in a given year. Transition rate has increased at Primary to Upper Primary and Upper Primary to Secondary Level. At primary to upper primary level it has crossed 100% and at secondary to higher secondary level it increased upto 92.3 % for the current year.
- 5.5 Surplus Teachers at Elementary level:** As per UDISE+ for 2021-22, percentage of schools with adverse PTR increased from 19.13% to 28.49 % at Upper Primary level. **There are around 4953 surplus teachers at Elementary Level** - requires redeployment to maintain the PTR as prescribed by RTE Act. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all

schools. However, State Govt. has stated that the rationalisation has been taken up. The position will get reflected in UDISE+ 2023-24.

5.6 The Secretary (SE&L) directed to the state for taking corrective measures to reduce the single teacher schools to zero. The Secretary (SE&L) also directed state to display teacher's name, position along with contact number in every school. This will enhance their outreach to the parent community.

5.7 Infrastructure in schools: Haryana has done a commendable work in case of providing basic infrastructure as per RTE in schools. There are 97.5% schools in state that have Boys toilet, 97.2 % have girl's toilet, 99.6 % have drinking water, 98.9 have electricity and 96.8% have library. There are only 13.5% schools without playground and 15.1% Schools without ramps. State needs to focus on providing playground and ramps in schools.

5.8 Retention rate: The retention rate at Primary & Elementary level in state has increased to 100. Retention rate at secondary level is 95.1% for 2021-22 and higher secondary 77.1 %. The State has to take initiatives for 100% retention of the children in the higher education system as well.

5.9 Gender parity: Percentage of girl's enrolment is slightly less at secondary level.

5.10 Teacher Education-Vacancies:

- I. **Vacancy of academic positions in SCERT-** Vacancy of academic positions in SCERT is 20% with only 36 faculties in position as against total recommended posts of 45 as per the norms. Vacancies need to be filled on priority.
- II. **Vacancy of academic positions in 21 Functional DIETS** is 57.71% with only 222 faculties in position as against total recommended post of 525. The State needs to prioritize filling up of the vacant posts.
- III. As per the Budget Announcement for 2023, the focus of the Ministry is strengthening of SCERTs and DIETs and as such State need to prioritize the process of filling up of existing vacancies of academic position in these institutions. This is a must for empowered and properly trained teachers.
- IV. The State promised to share the annual training calendar by August

5.10 Inclusive Education: Out of a total number of 60, 35,679 students, the number of Children with Disability (CwD) are 25718 (0.4%). Further, out of a 23726 Schools, Schools with **ramps** - 17, 236 (73%), Schools with **Disabled Friendly Toilets (DFTs):**

Boys CwSN Toilet- 8045 (36%)

Girls CwSN Toilet-4692 (20%)

Secreatry (SE& L) reiterated on the need for proper identification and registration of CwSN as currently it is less than 1% of total population. The state agreed for cross verification with support from Ministry of Social Justice & Empowerment.

- 5.11. **Approved number of out of school children for special training for 2022-23 is 19,481. However only 13212 i.e 67.8% have been provided the training. State has to plan on mainstreaming of children undergoing special training. 4822 (25%) children are untraced. The state agreed on the need to track and coordinate with the labour department in order to understand the reason for high drop out.**
- 5.12. In PAB Meeting issues opening of virtual classroom, robotic labs under innovation, no approval to incubation centre under vocational education, Additional proposal for ACR, biology, physics & chemistry lab, 4% MMER of total outlay and emphasized on providing more flexibility to the state in decision making process and its implementation were discussed.
- 5.13. The State has proposed of opening 6049 new balvatikas under ECCE. State has been granted finances for child friendly furnitutre, bala and out Door play material for the same.
- 5.14. The State has proposed of strengthening the Vidya Shiksha Kendera. Budget has been allocated for construction of it within existing DIET at Panchkula
- 5.15. Opening 6049 new balvatikas under ECCE. State has been granted finances for child friendly furnitutre, bala and out Door play material for the same.
- 5.16. **The Secreatry (SE& L) emphasised the need for rationalising the schools. It is an important marker given in less enrolment schools, cost per child is quite high while the achievement of learning outcomes remain less.**
- 5.17. State is advised to take up Post-Nas 21 & Post-FLS 2022 activities for the funds approved under the assessment, quality and innovation head. Activities like understanding the reasons behind low performance in certain LOs, encouraging sharing of best practices and strategies by setting up teacher forums; and development of teams at block, district level to work towards improvement of student attainment specifically in subject specific LOs are encouraged.

*Includes 4% Programme Management (MMER)

7. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 101074.32 lakh as its share (Rs. 54822.36 lakh for Elementary, Rs. 43865.61 lakh for Secondary & Senior Secondary and Rs. 2386.35 lakh for Teacher Education). The State would contribute Rs. 67382.88 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. State will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	40385.56	30801.56	1788.61	72975.73
Non-recurring	14436.80	13064.04	597.74	28098.59
Total	54822.36	43865.61	2386.35	101074.32

Kuldeep

The Balance of the outlay (i.e. Rs. 47444.79 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2023-24). Against the above Spill over, the committed liability of Department of SE&L is Rs. 8892.88 lakh (Rs. 7615.84 lakh for Elementary, Rs. 1105.33 lakh for Secondary and Rs. 171.71 lakh for Teacher Education) keeping in view the total approvals and grants were already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the SamagraShiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for SamagraShiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

8. Spill Over

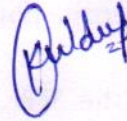

An outlay of **Rs. 47444.79 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure III.**

9. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure-IV**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under SamagraShiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.

Subject: Regarding covering all CD blocks under Education.

The State has notified 143 Community Development Blocks in the state for all means and purposes for the public and now being used even in economic survey 2021-22 of the state for analysis and planning. However, 119 blocks have been accounted for educational purposes as Educational Blocks as notified by the state earlier, due to this, it is creating a gap in implementation and supervision of various educational programmes. Hence, it has been decided to make Educational blocks at par with CD blocks. Therefore, 143 CDs (list enclosed) will now be Educational Blocks in the State.

Since, Ministry of Education has now decided that all Community Development Blocks will be covered for all educational purposes, thus necessary budgetary provisions under recurring and non recurring heads have been made for 24(143-119) blocks in the Annual Work Plan and Budget of Samagra Shiksha for 2023-24. This provision is made in addition to existing recurring costs for 119 blocks.

Therefore, you are requested to consider the proposal for granting approval of Block Resource Centres with infrastructure and staff for these 24 blocks.
