1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for SAMAGRA SHIKSHA for the State of Madhya Pradesh was held on 19.04.2023 through Video Conference. The list of participants who attended the meeting is at *Annexure-I*.

Section: I - State specific initiatives, Review of Performance & Issues

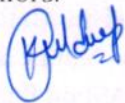

Shri Sanjay Kumar Singh, Secretary (SE&L) invited Madhya Pradesh to give a presentation on School Education in the State. Smt. Rashmi Arun Shami, Principal Secretary, School Education (Madhya Pradesh) gave a presentation which included the following major points:

2. Initiatives of the State:

- a) **FLN - Mission Ankur:** State has already implemented the initiative for Foundational Learning and Numeracy through Mission Ankur having scientifically designed Teacher pack and Student pack. Till last year, the State introduced this mission for grades 1 and 2, however, the grade 3 materials including student workbook and teacher handbook have already reached to schools this year. The teacher handbook contains the lesson plans and periodic assessment sheets for the assessments are done as the mission go along. After development of materials, a 5 + 5 day teacher training conducted in April-June and Jan-Feb respectively for 1500+ master trainers & around 91,000 teachers. The remaining teachers will be given training on FLN this year and thus, all the teachers will be aware of the FLN targets. To assess the progress of FLN, State has already signed an MoU to set up a PMU at district and State level.
- b) **Post-NAS interventions:** State has conducted post-NAS activities such as analysis of NAS results and found that the State has improved on the overall performance in NAS, but low learning levels remain constant. While comparing the findings of NAS 2021 as compared to NAS 2017, it was discovered that there is a dip in NAS scores of Science and EVS across the grades at elementary level. For grade 3, a substantial improvement has been observed in Language while a dip is there in the NAS score of Maths. For Grade 5, the NAS score in Maths is maintained at the same level while slight improvement is recorded in Language. For Grade 8, State has improved slightly in Maths and shown a decline in Social Science while the language is maintained at the same level. For class 10, the NAS score of English has shown a substantial improvement and a slight improvement are observed in Maths, Science and Social Science. Thus, it may be concluded that State needs to focus on Maths, Science, EVS and Social Science. State has also conducted State Achievement Survey (SAS) on 8 lakh children across districts. As a post-NAS exercise, the activities such as detailed item analysis based on NAS, SAS and annual exam results to identify weak LOs, Micro-analysis of class/subject wise learning outcomes to identify learning gaps, Measuring Learning distance -learning gap from the top performing District/State for all Los etc. were done. Accordingly, Academic Improvement Plan (AIP) to achieve the targets set after the analysis was prepared by each district.
- c) **Olympiad and Quiz Competition:** State has organized an integrated Olympiad instead of individual subject's competition. The Olympiad is conducted with a single paper having 5

sections- Hindi, English, Math, Science and GK. A total number of 5.88 lakh students from 84899 Schools (96%) participated at the JSK (cluster) level and 85891 Students (28 students from each JSK) appeared at the district level. To give the exposure of competitive exams, OMR sheets were used to capture responses for ALL grades and an online portal was utilised from Registration to Result Generation. All students were provided with transportation facility from JSK to District exam centres and certificate of Participation were issued to all participants.

- d) Tablet procurement Process under Teacher Resource Package:** In the previous years, Rs. 172 crore were sanctioned for 1,72,956 primary teachers for tablet procurement. The State has developed an end-to-end online system for facilitating the teachers to procure the tablets, claim submission and reimbursement to bank accounts of the teachers. The State education department benchmarked a minimum specification of the tablets to be procured.
- e) Maintenance of school buildings:** State developed a handbook for maintenance of school assets and infrastructure. Training was imparted to the resource person on roof treatment, flooring, plaster, cracks etc. with a standard estimate for everything so that school would not find it difficult to take up the works. Based on the manual prepared and the training imparted, works such as roof treatment, flooring and finishing have started in more than 6000 schools under the State budget. The same SOP will also be followed for rejuvenation of infrastructure works that has been sanctioned in the supplementary PAB 2022-23.
- f) Career Counselling:** The State has onboarded an agency through an MoU to give career guidance training to teachers and students. A mobile app has been developed for career guidance where students can register to take tests. Based on the test results, students are given suggestions on career guidance. All DEO, ADPC, DVC, 2848 Vocational trainers and all principals of 1424 vocational schools were given on line training for using ICS GPS APP on 23 January 2023.
- g) Exposure Visits:** State has identified students based on their performance in various exams and the selected students were sent to various institutions e.g., ISRO, IITs, Khairagarh Music University, BHU, Statue of Unity etc. for exposure visit so that aspirational level of students goes up. Besides the exposure visits to the institutions, students are also given exposure to vocational education by taking them to industries for visit and lectures were given by industry leaders and career counsellors.

3. Review of Commitments and Expected Outcomes & Action Taken during 2022-23

The progress made in implementing the commitments and expected outcomes given by the State in 2022-23 was reviewed and the status in respect of pending items is as under:-

Sl. No.	Commitments	Action Taken
1.	High Dropout Rate: Dropout rate at the secondary level has increased from 23.2 in 2019-20 to 23.8 in 2020-21, State needs to take adequate measures to reduce the dropout rate and improve the retention rate.	<ul style="list-style-type: none"> • State runs a Special Enrolment Drive every year with focussed House Hold Survey with the help of a Mobile App • Identified dropout students are pursued to get them enrolled in class 9th and 11th • Dropout rate at the secondary level has declined from 23.8 in 2020-21 to 10.1 in 2021-22

4. Review of performance during 2022-23:

State had secured a score of 771 in Performance Grading Index (PGI) and was placed in Grade II. The Domain-wise Gaps in 2020-21 as compared to 2019-20 and 2018-19 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2018-19	140	65	110	214	246	775
GAP	40	15	40	16	114	225
2019-20	140	68	109	217	214	748
GAP	40	12	41	13	146	252
2020-21	140	62	126	218	225	771
GAP	40	18	24	12	135	229

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** State has displayed stagnancy in terms of improvement in this sector and thus it needs to work on providing interventions to improve the learning outcomes of the students.
- b) **Access Outcomes (C-1, D-2):** State needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and State should adopt an appropriate planning strategy for conduction of surveys to identify children who are Out of School and have returned due to reverse migration and other reasons.
- c) **Infrastructure & Facilities (C-1, D-3):** State has shown substantial improvement under this and was encouraged to further take measures to reach the top grade, with specific focus on areas where the performance is low i.e., Additional Classrooms, Electrification and Toilets at elementary level.
- d) **Equity Outcomes (C-1, D-4):** There has been improvement in this sector and the State should work on furthering the agenda to consistently improve its score.
- e) **Governance Processes (C-2, D-1):** Though the State has shown an improvement under this, it still needs more focus as the PGI accords the highest importance to this domain as compliance with indicators here will lead to critical structural reforms. Thus, specific focus is required on % of Upper Primary schools meeting norms of subject-teacher as per RTE, Number of teachers transferred through a transparent online system as a % of total number of teachers transferred, Number of head-teachers/principals recruited through a merit-based selection system as a % of total number of head-teachers/principals recruited (in the given year) and Funds (including value of goods and services in kind) arranged through PPP, CSR as a percentage of State budget on schools education.

- **Net Enrolment Ratio (NER):** Though the NER at Higher Secondary level has improved from 26.54 to 30.45, the NER has declined at Primary, Upper Primary, Elementary and Secondary level from year 2020-21 to 2021-22. State would need to focus on improving the NER at these levels by bringing back children to the age-appropriate classes.
- **Dropout Rate:** There is substantial decrease in the dropout rate at the secondary level which has improved from 23.8 to 10.1, however, it has increased from 3.2 to 5.2 at the elementary level from 2020-21 to 2021-22. The dropout rate of 17% at secondary level for ST students is an issue of concern for which State needs to review and continue taking adequate measures to reduce the dropout rate and improve the retention rate.
- **Surplus Teachers at Elementary level:** There are still 13164 Surplus Teachers at Elementary Level, while the number of single teacher schools are 11901 and 3179 at primary and upper primary levels respectively. The proportion of schools with adverse PTR is also quite high at 32.61% and 52.06% at the primary and upper primary level, respectively. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Subject PTR at Secondary level:** Only 46.3% secondary schools are having teachers for all core subjects with some districts e.g., Dindori (16.43%), Khandwa (27.57%), Ashoknagar (28.57%) etc., having quite less percentage of secondary schools with four subject teachers. The average subject PTR at the secondary level is 63 for Language, 126 for Mathematics, 92 for Science and 110 for Social Studies. State needs to ensure required number of Language, Mathematics, Science and Social Studies teachers in all schools at the secondary level.
- **Teacher vacancy at Elementary level:** There are 52394 vacant posts of teachers in Govt. Elementary schools in 2023-24, which is a decrease of 2.87% from 2022-23. Though there is a decrease in the vacant posts of teachers, the remaining number of vacant posts are still high and that would need to be filled on priority.
- **Teacher vacancy at Secondary level:** There are vacant 15145 posts of teachers at govt. Secondary schools in 2023-24, which is a decrease of 2.34% from 2022-23. The State would need to fill the remaining vacant posts on priority.
- **Inclusive Education:** Out of a total number of 1,61,69,265 students, the number of Children with Disability (CwD) is 1,39,258 i.e., less than 1%. Further, out of a total number of 1,25,582 schools, the percentage schools with special educators are only 10.2% while only 3.6% teachers are trained on Inclusive Education. State is requested to take concerted efforts to ensure timely identification for wider coverage and requisite special educators.
- **Update in location of two KGBV (Type III):** As per the letter no./RSK/S.G.U./2022/8347 dated on 23.05.2022 received from the State, in reference to the approval of MP Executive Committee held on 22.08.2019 for changes in places for the following two KGBVs (Type-III) which were already approved in Samagra Shiksha PAB 2018-19 may be updated on the PRABANDH portal as mentioned below:
 - i. KGBV Karahal of Karahal block of Sheopur District in place of KGBV Kusumi Mangarh of Jabera block of Damoh district
 - ii. KGBV Delakhari of Tamia block of Chhindwada in place of KGBV Rampur Tek, of Bamori block of Guna district.

○ Vacancy of Academic positions in TELs:

- (i) **Vacancy of academic positions in SCERT** is 28.89% with 32 faculties in position as against total recommended posts of 45 as per the scheme. These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator# 2.1.12.
- (ii) **Vacancy of academic positions in 50 Functional DIETs** is 73.68% with only 329 faculties in position as against a total recommended strength of 1250 (25 Academic posts per DIET). These vacant posts need to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12.

As per Budget Announcement for 2023, the focus of the Ministry is strengthening of SCERTs and DIETs and as such State need to prioritize the process of filling up of existing vacancies of academic positions in these institutions.

Section: II - Financial Estimation

7. Actual Releases by GOI during 2023-24

Against the above estimates, **Central Government shall provide to the State Government, Rs. 384207.15 lakh as its share (Rs. 296278.24 lakh for elementary, Rs. 84484.67 lakh for secondary & senior secondary and Rs. 3444.24 lakh for Teacher Education). The State would contribute Rs. 256138.10 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.**

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	256278.24	46765.75	2723.62	305767.61
Non-recurring	40000.00	37718.93	720.62	78439.55
Total	296278.24	84484.67	3444.24	384207.15

The Balance of the outlay (i.e., Rs. 94018.88 lakh) approved under non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e., 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs. 59080.63 lakh (Rs. 34976.33 lakh for Elementary, Rs. 23931.61 lakh for Secondary and Rs. 172.69 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

8. Spill Over

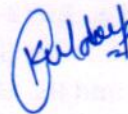

An outlay of Rs. 94018.882 lakh as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at Annexure II.

9. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.
