STATE OF TRIPURA

SAMAGRA SHIKSHA

(An Integrated Scheme for School Education)

Minutes of the meeting of the Project Approval Board held on 20th March, 2025, to consider the Annual Work Plan & Budget (AWP&B) 2025-26 of Samagra Shiksha for the State of Tripura.

Introduction: The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2025-26 for SAMAGRA SHIKSHA for the State of Tripura was held under the chairmanship of Secretary (DoSE&L) on 20th March, 2025, at New Delhi. The list of participants who attended the meeting is at *Annexure I*.

Section I:

Review of Performance during 2024-2025

Shri Anandrao V. Patil, Additional Secretary (PMPY & Digital), DoSE&L, Government of India, welcomed Shri Sanjay Kumar, Secretary, DoSE&L and other members of the PAB. From the State of Tripura, Shri Raval H Kumar, Special Secretary (School Education), Shri N.C. Sharma, SPD, Samagra Shiksha and other officers attended the meeting.

Shri Shib Das Sarkar, Director, MoE made a presentation on the implementation of Samagra Shiksha Scheme and the status of School Education in the State of Tripura. The following are the major action points emerged from the discussions and deliberations during the presentation:

1. School Enrolment Indicators - GER and NER

The Gross Enrolment Ratio (GER) at Primary (120.9) and Elementary (111.1) was appreciated, however the State needs to improve the GER at Secondary (79.2), Higher Secondary level (56.6) and aim to achieve 100% GER at all the levels.

It was also stated that as compared to the GER, the Net Enrolment Ratio (NER) is even lower especially at the Secondary (61.6) and Higher Secondary levels (44.5). The State is requested to analyse the school-wise data and ensure that appropriate steps are taken, to improve the transition rate, reduce the dropout rate and thereby achieve the goals laid out in National Education Policy (NEP) 2020.

The Secretary, DoSE&L also expressed his concern regarding the reduction in number of enrolments in Government and Government-aided schools from 5,98,456 in 2018-19 to 5,35,051 in 2023-24, to which the Special Secretary (School Education), Govt. of Tripura responded that the State of Tripura has done data cleansing exercise using AADHAAR verification.

2. School Size and Single Teacher School

The number of Schools with less than 30 enrolments have increased from 1,320 Primary Schools & 166 Upper-Primary Schools in 2022-23 to 1,374 Primary & 199 Upper-Primary Schools in 2023-24. Further, it was observed that the number of Schools with adverse Pupil-Teacher Ratio (PTR) are high (Primary – 15.7%, Upper-Primary – 11.4 %).

In addition, the State has quite a substantial number of Single Teacher Schools and moreover these Single Teacher Schools have increased in Primary levels from 180 in 2022-23 to 269 in 2023-24. In view of this, the State is requested to analyse the situation and take appropriate corrective steps to ensure compliance with the provisions of the act, norms and guidelines issued from time to time.

3. Gross Access Ratio (GAR)

It was observed that the State has a very high number of unserved habitations. In the State,

1. At the Primary level, 516 (6.55%) villages are without access to Primary Schools
2. At the Upper Primary level, 442 (5.61%) villages are without access to Upper-Primary Schools
3. At the Secondary level, 619 (7.86%) villages are without access to Secondary Schools
4. At the Higher Secondary level, 829 (10.53%) villages are without access to Higher Secondary Schools

The State is advised to identify these areas and improve access in such habitations to ensure compliance with Right of Children to Free and Compulsory Education (RTE) norms expeditiously so that all children have access to schooling within the prescribed distance. The Special Secretary (School Education), Govt. of Tripura confirmed that the State has taken steps including provisioning of transport and escort wherever necessary as per norms.

4. Special Training of Out of School Children (OoSC)

The State Govt.'s efforts towards mainstreaming of OoSC especially in the last few years are laudable. In FY 2024-25, special training for 3,850 OoSC was sanctioned, of which the State has uploaded information on mainstreaming of 330 OoSC on PRABANDH.

For the 6,226 OoSC identified for coverage in 2025-26 also, the State is urged to not only ensure complete mainstreaming of these children in age-appropriate classes in neighbourhood Schools but also upload their progress regularly on the PRABANDH portal for a robust monitoring.

With full involvement of the School Management Committees (SMCs), the State was requested to initiate a special enrolment drive in the form of door-to-door surveys in School catchment areas to identify OoSC. To further enhance the accuracy of this identification, the State was also advised to analyse complementary data from sources such as the Registrar of Births and Deaths, Anganwadi centres and the PM POSHAN scheme.

5. Schooling Facilities and Pendency in Infrastructure Facilities

5.1 Pending Infrastructure in Basic school Facilities

As per UDISE+ 2023-24, schooling facilities such as potable drinking water (93.4%), girls' toilets (90.3%), boys' toilet (91.4%) are nearing saturation.

Out of the total 4,238 Govt. Schools, there are

- 863 schools without electricity
- 280 schools without drinking water
- 410 schools without girls' toilets
- 362 schools without boys' toilets

The Secretary (DoSE&L) emphasised the State should focus on achieving saturation of these basic facilities in a mission mode. Hence, the State should identify the schools where these essential amenities are still lacking and ensure 100% coverage of these facilities in all the Govt. Schools during FY 2025-26.

5.2 Total Pendency since inception

As per PRABANDH portal, there is a pendency in completion of infrastructure facilities (since the inception of the scheme) in the following:

1. CwsN Toilet – 25 toilets are pending out of the total 594 approved (4.20% pending)
2. Chemistry Lab – 7 labs are pending out of the total 16 approved (43.75% pending)
3. Computer Room – 30 rooms are pending out of the total 57 approved (52.63% pending)
4. Biology Lab – 7 labs are pending out of the total 17 approved (41.17% pending)
5. Physics Lab – 3 labs are pending out of the total 15 approved (20% pending)
6. Science Lab – 12 labs are pending out of the total 89 approved (13.48% pending)
7. Library – 15 libraries are pending out of the total 118 approved (12.71% pending)

It was observed that there is large variation in reporting of data in PRABANDH portal. The State was counselled to regularly upload the progress data on PRABANDH portal to avoid reporting mismatches and also to monitor the data uploaded on the portal by responsible officer under the supervision of the SPD.

The State is also requested to ensure completion of all the sanctioned work during FY 2025-26 and, in case, some of these works are no longer required on account of change in circumstances, the same may be proposed for surrender and the funds thus saved may be used for other important components.

In addition, the State was advised to identify the areas/districts which have poor coverage both school-wise as well as habitation-wise so as to get an analysis of areas which need a higher focus to achieve saturation & provide a detailed report within a month to DoSE&L.

5.3 Saturation of Computer Lab, ICT Labs and Smart Classrooms

Out of the total 1,020 Secondary and Senior Secondary Schools, the following gaps were observed:

- 441 schools (43.23%) do not have Information and Communication Technology (ICT) labs

- 397 schools (38.92%) do not have Smart Classrooms

The Secretary (DoSE&L) while emphasising the importance of attaining saturation in the provisioning of Science Labs, ICT labs and Smart Classrooms, has requested the State to assess the existing gaps in their availability as per programmatic norms of the Scheme, duly accounting for the ongoing works and sanctions being accorded in AWP&B 2025-26. Subsequently, the State may submit a supplementary proposal for the saturation of these facilities for consideration of the PAB meeting scheduled in May, 2025.

5.4 Saturation of Integrated Science Labs in Secondary Schools & Subject Specific Labs in Higher Secondary Schools

Minor gap was also observed in the provisioning of subject specific labs in Senior Secondary Schools. Out of the total 432 Senior Secondary Schools, the following gaps were observed:

1. 20 schools (9.80%) do not have Physics lab
2. 18 schools (8.82%) do not have Chemistry lab
3. 22 schools (10.78%) do not have Biology lab

The Secretary (DoSE&L) further underscored the importance of attaining saturation in the provisions of integrated and subject specific labs. Hence, the State was requested to assess the existing gap in the availability of integrated and subject specific labs as per programmatic norms of the Scheme, duly accounting for the ongoing works and sanctions being accorded in AWP&B 2025-26. Subsequently, the State may submit a supplementary proposal for the saturation of these facilities for consideration of the PAB meeting scheduled in May, 2025.

6. Addressing the issue of poor coverage under Inclusive Education

The State has only 0.5% share of Children with Special Needs (CwSN) enrolment out of the total student enrolment. Further, there is a significant decline in the percentage share of CwSN across almost all grades. As per UDISE+ (2023-24), only 3.5% of teachers have been trained in inclusive education. There are a total of 329 Special Educators in the State, including those posted at Block Resource Centres (BRCs) under Samagra Shiksha. In terms of accessible infrastructure, out of 4,923 Schools, 3,133 (63.6%) are equipped with ramps, 454 (9%) have CwSN-friendly boys' toilets and 332 (7%) have CwSN-friendly girls' toilets.

In view of the above, the State was requested to take necessary action to conduct systematic identification of CwSN children. It was advised to use the PRASHAST app for identification of CwSN children. Noting the steep fall in enrolments of CwSN in successive classes, the State was asked to analyse the reason for the same and ensure that all CwSN enrolled in the School continue their Secondary Education. The State is requested to examine disability-wise data and take appropriate steps to ensure improved learning outcome and effective implementation of the Inclusive Education (CwSN) component, as envisioned in the National Education Policy (NEP) 2020 and the Rights of Persons with Disabilities (RPwD) Act, 2016.

7. Reimbursement of Fee under Section 12(1)(c)

The State is advised to ensure proper implementation of section 12(1)(c) and timely reimbursement of fees to the private/unaided Schools. In 2025-26, the State is sanctioned with an amount of Rs. 411.54 lakh for reimbursement towards 1,455 children admitted in the year 2024-25.

8. Ensuring the availability and usage of Jaadui Pitara/e-Jaadui Pitara

The State was advised to ensure the availability and utilisation of Jaadui Pitara/e-Jaadui Pitara or its locally contextualised adaptation for the foundational stage of schooling.

9. 50 Hours of Continuous Professional Development (CPD)

The State was advised to ensure that all teachers go through 50 hours of CPD as envisaged in NEP, 2020 and designed by NCERT.

10. Vacancies in DIETs & SCERT

In Tripura,

- 3 out of 15 sanctioned posts (20%) are vacant in State Council of Educational Research and Training (SCERT) and
- 20 out of 91 sanctioned posts (30.30%) are vacant in District Institutes for Education and Training (DIETs).

This was taken into cognizance due to a high number of vacancies. Considering the important role of these institutions, it was advised that the vacant positions of the SCERT and DIETs should be filled on priority to strengthen these institutions and to make a shift from deputation basis to regular basis in order to have a higher sense of responsibility towards their work. It was noted that a review must be done of these vacancies in the next 3 months to analyse the reduction in vacancies.

11. Status of Residential Hostels - NSCBAV/ PM JANMAN/ DAJGUA & DIET of Excellence

In order to improve access and retention, the State is provided with residential hostels under Netaji Subhas Chandra Bose Avasiya Vidyalaya (NSCBAV), Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM JANMAN) and Dharti Aaba Janjatiya Gram Utkarsh Abhiyan (DAJGUA).

- The State had received a sanction of 7 PM JANMAN hostels in FY 2023-24 and 7 in FY 2024-25 for which construction work is in progress. The State is asked to expedite the process of construction and make the hostels functional as soon as possible.
- In addition, the State has been sanctioned 1 DIET of Excellence in FY 2024-25. The State has informed that construction of the DIET is under process. It is urged to expedite the progress of the DIET.

- Furthermore, the State was advised to ensure zero vacancies in the residential hostel facilities under NSCBAV so that these National resources are optimally utilised.

12. Vacancies in School Teacher Positions

The State has a vacancy of 6,006 Elementary School teachers, 843 in Secondary School teachers and 1,171 in Senior Secondary School teachers. The State has informed that it has started the recruitment process and has advertised the vacancies. It will fill the vacant positions within a period of six months.

13. Kasturba Gandhi Balika Vidyalayas (KGBVs)

The State has a total of 15 functional KGBVs with a total intake capacity of 1,930 students, out of which there is vacancy of 40 students. The State was advised to analyse and provide data on why these enrolment positions are vacant and how they can be filled so as to ensure optimal utilisation of KGBVs and ensure higher access and retention of girl child enrolments.

Section -II Financial Section

1. Total Estimated Budget (2025-26)

The approved estimates for the AWP&B for 2025-26 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spillover	Non-Recurring (Fresh)	Recurring (Fresh)	Total Fresh (3+4)	Grand total (Including Spillover) (2+5)
1	2	3	4	5	6
FLN-FS	0	225.00	1005.80	1230.80	1230.80
Elementary	3951.93	5969.01	23607.53	29576.54	33,528.47
Secondary	1963.78	8419.57	10042.61	18462.17	20,425.95
Teacher Education	902.48	769.60	1050.71	1820.31	2,722.79
Total	6,818.19	15,383.18	35,706.65	51,089.83	57,908.02

*Includes Programme Management (MMMER)

An outlay of Rs. 6,818.19 lakh as Spillover under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this financial year (2025-26). The Spillover details are enclosed at *Annexure II*.

The fresh recurring and non-recurring item-wise estimate costing sheet for FY 2025-26 is at *Annexure III*.

2. Releases by GOI during 2025-26

The total annual work plan is approved for Rs. 57,908.02 lakh, including spillover of Rs. 6,818.19 lakh.

Against the above approvals, as per the letter dated 14.01.2025 regarding tentative releases for FY 2025-26. The breakup of the funds for this approved budget is as follows:

- i. Central share to be released in FY 2025-26 is Rs. 41,494.00 lakh.
- ii. Corresponding State share to be released in FY 2025-26 is Rs. 4,610.44 lakh.
- iii. Opening Balance available as on 01.04.2025, as informed by the State is Rs. 11,804.02 lakh.

The above Central share is as per the existing fund sharing pattern of Samagra Shiksha. The State will also be able to utilise their unspent balances as on 31st March, 2025, for the activities approved in FY 2025-26 including spillover.

3. The State is requested to bifurcate the annexed costing sheet among all the districts according to their proposals/approvals.
4. The PAB has approved the above activities for the State during FY 2025-26 subject to the following conditions:
 - a. The PAB has approved the said interventions based on the proposals submitted by the State, but it will be the responsibility and liability of the respective State to ensure that the expenditures are in line with Govt. of India guidelines.
 - b. There should be no duplication of activities and beneficiaries between Samagra Shiksha and other schemes.
 - c. Components which fall under the purview of the Department of Women and Child Development (WCD), or other Ministries/Departments must be carried out in convergence and accordance with respective Ministries'/Departments' guidance.
5. As per Section 7(5) of the RTE Act, 2009, the State Government shall, after taking into consideration the sum provided by the Central Government and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act.
6. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2025-26. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.
7. States and UTs have been repeatedly informed about the compliance of the guidelines of Ministry of Finance for release of funds under the Centrally Sponsored Scheme (CSS). All States/UTs are to strictly adhere to the implementation of the new financial architecture where CSS funds are being released in 4 instalments, while ensuring 75%

expenditure at each stage. Submission of proposals should be well within time, to ensure maximum disbursement of funds from GOI. In case of delay in compliance of the necessary guidelines the State/UT may not be able to receive the earmarked funds for the financial year.

8. The State should invariably provide Single Budget Head during FY 2025-26 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the State shall also provide a suitable nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.
9. It is observed that the PRABANDH portal is not updated regularly by the State. There is negligence on updation of all components of Samagra Shiksha Scheme in this portal. The State should appoint SPD as a Nodal Officer and ensure that PRABANDH portal will be updated on a monthly basis to enable a real-time monitoring of each activity/component approved under Samagra Shiksha. Monthly reviews at the GoI level shall be held only on the basis of the progress of various components as uploaded on the PRABANDH portal. The State also needs to ensure the timely implementation of various interventions as per the annual calendar of activities, under the supervision of the SPD.

The meeting ended with a vote of thanks to the Chair.

Annexure -I

(Ministry of Education, Government of India)

1. Shri Anandrao V. Patil, Additional Secretary, DoSE&L, Ministry of Education.
2. Shri Sanjog Kapoor, Joint Secretary, DoSE&L, Ministry of Education.
