The idea of a sustained and structured cultural connect between people of different regions was mooted by Prime Minister Shri Narendra Modi during the Rashtriya Ekta Divas held on 31st October 2015 to commemorate the birth anniversary of Sardar Vallabhbhai Patel. To crystallise this idea, the EBSB programme was launched on 31st October 2016. The origins and evolution of EBSB along with activities, special initiatives and campaigns organised under the programme are available in the e-Book (<https://ekbharat.gov.in/JourneySoFarCampaign/index.html>)

Yuva Sangam, launched under EBSB, takes forward twin elements of **Panch Pran** - Strength in Unity and Pride in Legacy. The initiative aligns with key themes in the National Education Policy (NEP) 2020 by focusing on experiential learning and imbibing knowledge of the rich diversity of India on a first-hand basis. It is an ongoing educational cum cultural exchange with celebration of diversity at its core wherein participants gain an immersive experience of diverse facets of life, natural landforms, development

landmarks, engineering and architectural marvels, recent achievements, and the opportunity to interact and deeply engage with the local youth in the host State/UT.

Twenty eminent institutions across India have been identified for Phase V of Yuva Sangam during which participants from these states/ UTs, led by the nodal HEI of the state/UT, respectively, will be visiting their paired state/ UTs.
