The registrations for Pariksha Pe Charcha (PPC), the flagship initiative of the Hon'ble Prime Minister, have crossed a historic milestone, with over 4 crore registrations from students, parents, and teachers as of January 8, 2026.

The overwhelming response reflects the growing resonance of the programme and its continued success in addressing students' mental well-being while promoting a positive, confident, and stress-free approach to examinations. The scale and diversity of participation underscore the emergence of Pariksha Pe Charcha as a true Jan Andolan, deeply connecting learners, parents, and educators across the country. More than an annual interaction, the initiative has evolved into a nationwide movement fostering meaningful dialogue on education, well-being, and holistic development.

The online registrations for Pariksha Pe Charcha 2026 opened on December 1, 2025, on the MyGov portal. Organised annually by the Department of School Education and Literacy under the Ministry of Education, the initiative has become a widely anticipated platform that brings students, parents, and teachers together to engage directly with the Prime Minister.

As the examination season approaches, students across the country are encouraged to participate in Pariksha Pe Charcha 2026 and benefit from the Prime Minister's guidance on managing exam-related stress and embracing learning with confidence.
